I hereby certify that I have read and understood this form and that the answers are true to my knowledge and belief. I further understand that by transferring these SAC credits we are giving up reserved capacity in the Metropolitan Disposal System for this location and that this transfer of SAC credits is irrevocable. I understand that if redevelopment of this site requires more SAC units than what remain after the transfer, our City will be required to pay SAC for the difference at the current SAC rate at the time of the development.
