

2024-2030 MAC Capital Improvement Program Review

Nov 2023 TAC Planning

sectorolical coalici

Metropolitan Airports Commission (MAC) Roles

Minnesota Statutes 473.601-473.679

- Promote aviation & competitive air service
- Owns & operates seven public airports in metro area
- Prepares airport long-term comprehensive plans
- Annually prepares capital improvement program (CIP) to implement planned improvements

Met Council Aviation Planning Roles

Minnesota Statute 473.621

- Prepare Regional Aviation System Plan
- Review metro airport & community comprehensive plans, environmental evaluations
- Review MAC's Capital Improvement Program and review and approve major capital projects that have a significant affect on the orderly and economic development of the region

MAC Capital Projects Review (1)

Capital Projects Review Criteria

- Projects over \$5 million at MSP and over \$2 million at reliever airports that have potential for significant effects
- Significant effects criteria
 - Location of a new airport
 - New runway at an existing airport
 - Runway extension at an existing airport
 - Runway strengthening other than routine maintenance
 - New or expanded passenger handling or parking facilities for 25% or more capacity increase
 - Land acquisition associated with the other criteria, or that would cause relocation of residential or business activities

MAC Capital Projects Review (2)

2024 Capital Projects Review

- Adequate public participation process
- Assessment of Environmental Effects (AOEE) completed and reviewed
- MAC's CIP identifies adequate funding
- MAC's CIP is consistent with 2040 TPP
- Many large projects planned for 2024 at MSP
- There is one capital project requiring Met Council approval in 2024

MAC Capital Projects Review (3)

2024 CIP Public Process

- Public comment period and public hearings held for CIP review
- Public comment and hearing held for environmental (AOEE) review

MAC Capital Projects Review (4)

Big year planned for 2024 - \$1 billion in new projects

Major MSP Projects in 2024 – no requirement for Met Council approval but notable projects

- Terminal 2 North Gate Expansion
- Concourse G Infill
- Safety and Security Center

Rendering of the Terminal 2 expansion

MAC Capital Projects Review (cont.)

Lake Elmo Airport (21D) Runway 04-22

- Pavement rehabilitation and runway extension
 - Crosswind runway will be extended by 254' to 2,750'
- Included in 2016 Long Term Comprehensive Plan
 - Main runway extension (14-32) approved in 2018
 - Final planned runway project (runway 14-32 constructed in 2021)
- Included in 2018 EA/EAW
 - No significant environmental impact
- Consistent with Transportation Policy Plan
 - Lake Elmo is classified as a Minor Airport in the regional system, existing role will not change.

MAC CIP Looking Forward

2025-2030 Capital Investments

- 2024 will be a big year for MAC, over \$1 billion capital program planned
- 2025 will likely have a project for Met Council approval next year, runway expansion at Airlake in Lakeville
- MSP and Flying Cloud Long-Term Comprehensive Plans anticipated to be completed in 2024
 - May see projects from these plans be incorporated beginning in next year's CIP for later years.
