

IMPROVEMENTS CONSTRUCTION UPDATE

Metropolitan Council Environmental Services (MCES), operator of the metro-area wastewater collection and treatment system, will soon begin repairing sanitary sewers in Orono along North Shore Drive between Pine Lane and Shoreline Drive.

WESTBOUND NORTH SHORE DRIVE CLOSURE BEGINS MONDAY, FEBRUARY 12

Starting on Monday, February 12, the westbound lane of North Shore Drive will close from Pine Lane to Shoreline Drive. Westbound traffic will be detoured from Shoreline Drive to Shadywood Road. This closure is necessary to allow MCES to perform repairs on the sanitary sewers along North Shore Drive.

Other upcoming activities include:

February

- Installation of an above-ground temporary piping system to safely convey wastewater.
- Short-term closures to some driveways and streets. Advance notice will be provided to any impacted properties.

March

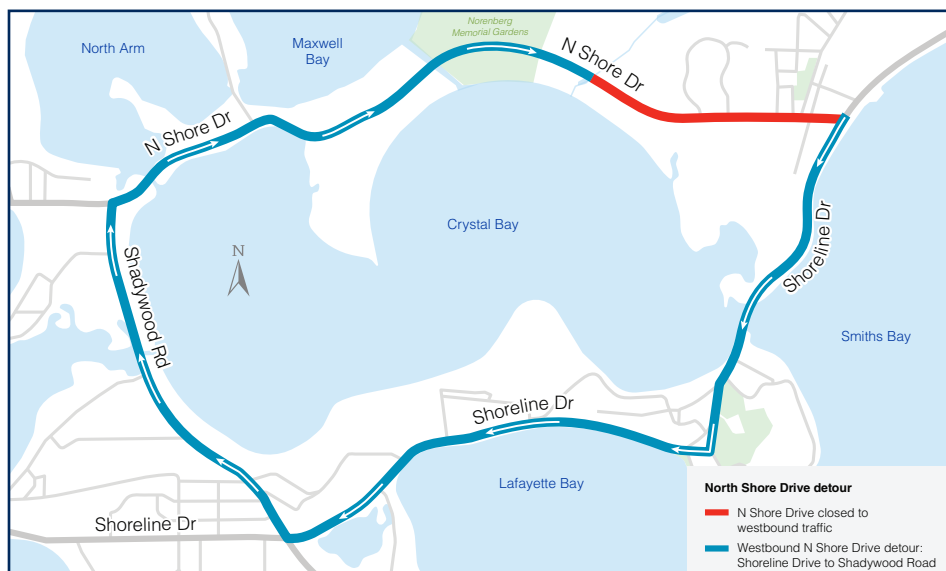

- Pipe assessments and testing.

April through May

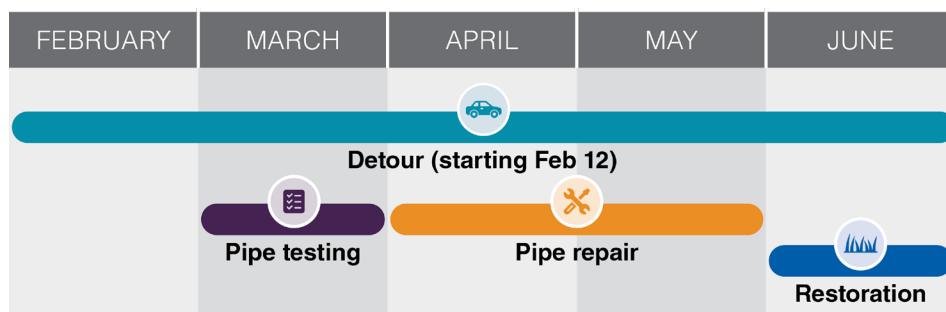

- Pipe repair.

June

- Cleanup and restoration.
