

**INVITATION FOR PREQUALIFICATION
for
CONTRACTORS
for
1-RF-491 RELIEF INTERCEPTOR
CONTRACT 09P066**

Prequalification Submittal Documents (PSDs) are solicited by the Metropolitan Council ("Council") for the purpose of establishing a list of prequalified CONTRACTORS to install approximately 3.8 miles of 36 to 42-inch diameter gravity sewer to provide relief to the existing Interceptor 1-RF-491 for Contract 09P066, Project Number 805450. The work is located in Richfield, Minnesota.

The Council intends to use a two-step process to prequalify contractors and award this project. In this first step, CONTRACTORS are invited to submit PSDs, which will be evaluated based upon the prequalification criteria of the project.

[Click Here](#) to view Prequalification documents for no charge and to download them for a nonrefundable cost of \$10.00. Input QuestCDN eBidDoc™ Number 1014953 on the website's Project Search page. Contact QuestCDN.com at 952-233-1632 or info@questcdn.com for assistance in downloading and working with the digital documents.

After evaluating the submitted PSDs, the Council will inform each CONTRACTOR of its prequalification status for each project. In the second step, the Council will issue an Invitation for Bids for the project. **BIDS FOR THE PROJECT WILL ONLY BE ACCEPTED FROM CONTRACTORS THAT HAVE BEEN PREQUALIFIED BY THE COUNCIL.**

Questions concerning the content of the Prequalification documents may be directed to:
