

DOCUMENT 00150**ADVERTISEMENT FOR BIDS**

Notice is given that on **December 17, 2009** at 2:00 P.M. the Metropolitan Council will receive and publicly open separate sealed bids for Elko – New Market Interceptor Eureka Lift Station L-79, Project Number 801614 at their office at 390 North Robert Street, St. Paul, MN, 55101-1805. Sealed bids should be delivered to receptionist.

The Work of this Project includes construction of a submersible 4 pump, cast-in-place concrete, 3.6 MGD capacity lift station. Lift station controls will be housed in a masonry substructure; site clearing and project site improvements as shown on Drawings; provide dewatering and erosion control of the work area while complying with all requirements of project permits and the restrictions identified in the permit conditions; restoring the surrounding area as shown on Drawings; construct Isolation Vault with air release valves and dual forcemain; allowances have been provided to purchase granular material and topsoil material from the adjacent property owner (Storlie) for the construction of the L-9 Lift Station Site.

THE COUNCIL INVITED PREQUALIFICATION FOR GENERAL CONTRACTORS FOR PORTIONS OF WORK ON THIS PROJECT. A LIST OF PREQUALIFIED CONTRACTORS IS ATTACHED TO THIS ADVERTISEMENT.

The estimated construction cost is between \$2,000,000 and \$3,000,000.

[Click Here](#) to view plan documents for no charge and to download them for a nonrefundable cost of \$10.00. Input QuestCDN eBidDoc™ **1030230** on the website's Project Search page. Contact QuestCDN.com at 952-233-1632 or info@questcdn.com for assistance in downloading and working with the digital documents.

There will not be a prebid meeting held for this project.

The geographical area for this notice and contract is Dakota County.

Dated this 9th day of November, 2009
