

**Request for Proposals
for
Software Upgrade of Fare Collection Data System**

Reference Number 8336

Metro Transit, a division of the Metropolitan Council, is requesting proposals from firms to supply/develop and install a new fare collection data system that will collect and process farebox data from its current revenue collection equipment.

Proposals are due by 2:00 PM on August 6, 2009.

The Request for Proposal documents can be viewed and downloaded at www.questcdn.com. Input QuestCDN eBidDoc™ Number 948546 on the website's Project Search page. Contact QuestCDN.com at 952-233-1632 or info@questcdn.com for assistance in downloading and working with the digital documents.
