

# Transit: New Routes to Prosperity

**Steve Elkins**  
DISTRICT: 5

The Metropolitan Council operates and oversees public transit for the seven-county metro region. We directly own and operate Metro Transit's local bus service, express service, bus rapid transit and light rail as well as the Northstar Commuter rail line from Big Lake to Minneapolis. A separate division, Metropolitan Transportation Services (MTS), provides privately contracted regular route services, Transit Link (Dial-a-Ride) services for the general public where regular route service is not available, and Metro Mobility services for people with disabilities who have been certified as eligible.

## TRANSIT IN THE METRO REGION IS GROWING

# Regional Parks: Visits Top Mall of America

**Steve Elkins**  
DISTRICT: 5

Our regional park system is a celebration of Minnesota’s natural beauty and the excellent quality of life the people of the Twin Cities metropolitan area enjoy. Since 1974 the Metropolitan Council has worked with counties, cities and park districts across the region to plan and fund our regional park system. With over 48.7 million visits a year the regional park system has more visitors than the Mall of America.

## REGIONAL PARK SYSTEM

- 54 parks and park reserves encompassing over 54,000 acres of land
- 340 miles of hiking and biking trails
- 8 special recreation features (examples: Como Park Zoo, Conservatory, and Gale Woods Farm)

Since 1974 the state and Metropolitan Council have invested over \$556 million in the system.

# LCA: Building Stronger Communities

**Steve Elkins**  
DISTRICT: 5

The Minnesota Legislature passed the Livable Communities Act (LCA) in 1995 to help communities with their development and redevelopment plans. Since that time the Metropolitan Council has awarded nearly a 1,000 grants totaling \$310 million to help communities meet their planning and development goals.

LCA funding is a tool for communities to leverage private investment, attract businesses that raise their tax base, create jobs and provide cities with funding to provide critically needed affordable housing. Activities ranging from cleaning up polluted soil to purchasing land for future development allow cities participating in the LCA program to create jobs and affordable housing.

## REGION-WIDE SINCE 1996

- Pollution cleanup grants of \$116 million have helped leverage \$5 billion in private investment (TBRA).
- Over \$159 million to help link housing to jobs and transportation. This investment has helped leverage \$4 billion in private and other public investment (LCDA).
- \$35 million to 51 cities has acquire property and prepare sites for new housing projects. Overall this investment has helped leverage \$700 million in private and other public investment, producing investment nearly 4,000 affordable housing units (LHIA).

## DISTRICT FACTS – TOTAL: \$22.6 MILLION

# Clean Water for a Thriving Region

**Steve Elkins**  
DISTRICT: 5

Clean water and a clean environment are essential to a healthy life. Our Environmental Services division is nationally recognized for its record of treating wastewater efficiently and effectively. We also have excellent programs for monitoring air and water quality. The Metropolitan Council operates eight wastewater treatment plants, which process an average of 250 million gallons of wastewater every day from more than 2.7 million residents. More than 600 miles of large sewer pipes collect wastewater from 108 communities.

While the Metropolitan Council is not a water supplier, we have been providing regional planning support for water systems across the region.

# Affordable Housing for Families

Steve **Elkins**  
DISTRICT: 5

In 1974 the Minnesota Legislature authorized the Metropolitan Council to administer rent-subsidy programs in rural and suburban communities. The Metro HRA is one of eleven housing authorities in the region and is the largest provider of Housing Choice Vouchers in the state of Minnesota. The HRA serves suburban Hennepin, suburban Ramsey, Anoka and Carver counties.

The Council's HRA currently administers nine federal and state rent assistance programs:

- Totaling \$53 million annually
- Benefiting 7,000 low-income households monthly
