

One Minnesota Plan

Building Blocks

Mission: Improve the lives of all Minnesotans by working collaboratively to implement policies that achieve results.

Vision: Minnesota is the best state in the country for children to grow up in - those of all races, ethnicities, religions, economic statuses, gender identities, sexual orientations, (dis)abilities, and zip codes.

Guiding Principles

- Practice servant leadership
- Treat everyone with respect and dignity
- Do the right thing, especially when it is difficult
- Ask how your actions are reinforcing or removing structural inequity
- Promote the common good over narrow special interests
- Be accessible, transparent, and accountable
- Include voices from communities who will be most impacted

Priorities

Minnesota does best when state agencies and community partners collaborate to achieve common goals. We will solve problems in education, health care, environment and energy, housing, jobs, transportation, and so much more by focusing on these key priorities:

- Healthy Minnesotans and COVID-19 Protection
- Economic Recovery and Working Minnesotans
- Children and Families
- Equity and Inclusion
- Fiscal Accountability and Measurable Results
- Minnesota's Environment
