Subject: Bridges Rental Assistance Program – Board Resolution No. 6 for Grant Renewal

District(s), Member(s): All

Policy/Legal Reference: Code of Federal Regulations Title 24, Part 903

Staff Prepared/Presented: Terri Smith, HRA Manager

Division/Department: Community Development / HRA

Proposed Action

That the Metropolitan Council adopt a resolution, required by Minnesota Housing Finance Agency (MHFA), to authorize the Community Development Director to execute a continuation grant agreement for the Bridges Rental Assistance Program.

Background

The Council's Housing and Redevelopment Authority (Metro HRA), in partnership with Anoka, Hennepin and Ramsey Counties, has administered the Bridges Program since 1993. The Bridges Program provides a tenant-based housing subsidy for persons with mental illness. Recipients choose rental housing from the private market wherein the Metro HRA provides the rent subsidy. The county mental health divisions provide support services designed to enable recipients to successfully maintain an independent living environment.

The grant will provide funding to assist approximately 190 households through the two-year term of the grant.

Rationale

Action by the Metropolitan Council on August 27, 2014, authorized continued participation in the Bridges program and authorized the Regional Administrator, the Community Development Director, the Director of Housing and Livable Communities and the HRA Manager, as appropriate, to submit applications and execute grant agreements for continued participation and funding.

Funding

The funding award for the period July 1, 2015 through June 30, 2017 is \$2,720,000.

Known Support / Opposition

There is no known support or opposition to this resolution.
