

# Housing Policy Plan: Indicators Update

4/2/2018

Community Development Committee

# Housing Policy Plan Indicators

The Council will prepare and share **annual** updates of the Housing Policy Plan Indicator, providing **clear, easily accessible** information about regional progress and Council housing policies.

*– 2040 Housing Policy Plan*

# Why Indicators?

The Council will use the **insights** that emerge from **analyzing** the Housing Policy Plan Indicators to **guide the Council's future decisions**. Most importantly, the focus on the Thrive outcomes creates the foundation for public dialogue with partners and stakeholders.

# Housing Policy Plan Indicators Dashboard

## Feedback from users

- More interactivity
- Add policy context
- Downloadable PDF report

## Internal goals

- Consistent years across sources
- Benchmark progress to 2014
- Optimize indicators
- Web accessibility

# Where to find the Indicators

Council website:

<http://metro council.org/housingdashboard>

Council research Tableau profile:

<https://public.tableau.com/profile/metropolitancouncil#!/>

# Live Demonstration: Housing Dashboard

# Questions for discussion

- What do the indicators tell us about the state of housing in the region and the Council's policies?
- What can and will the Council do to advance these housing outcomes, and what will others do to advance these outcomes?
- Where are the gaps, overlaps, and opportunities?
