# Proposed action

That the Metropolitan Council:

- Consider reimbursing Carver County up to \$1,000,000 from its share of a future Regional Parks Bonding Program for costs it incurs for the development of a two-mile segment of the Highway 5 Regional Trail located between Lake Minnewashta Parkway and Century Boulevard in Chanhassen; and
- Inform Carver County that the Council does not under any circumstances represent or guarantee that it will reimburse the County and that expenditure of local funds never entitles a park agency to reimbursement.
