Background

The Metropolitan Council owns 150 units of housing known as the Family Affordable Housing Program (FAHP). The FAHP units are located in 11 suburban communities throughout Anoka, Hennepin, and Ramsey Counties. The units include 2 to 5 bedrooms and are single family homes and townhomes of a scattered site nature.

The purpose of this information item is to provide operational detail on the FAHP homes, and an overview and history of how the Metropolitan Council came to own these units.
