Amend the 2020 Livable Communities Fund Distribution Plan

November 16, 2020

Community Development Committee

Review of Events and Actions

Proposed Use of Funds

Support capital projects that:

Are located in the 7-county metropolitan area

Provide up to 40 units of housing (be small-scale in nature)

Provide housing units that are affordable to households with incomes of 30% AMI or less

Are low barrier entry for residents

Provide culturally specific and appropriate living spaces and supportive services

Can commence construction in the next 6 months

Accept housing choice vouchers

Proposed Action

- That the Metropolitan Council revise the 2020 Annual Livable Communities Fund Distribution Plan to increase the funding availability for the Local Housing Incentives Account by \$1 million.
