December 4, 2023

Program Evaluation & Design

To date:

- CDC Working Discussions in July and October
- Outreach, surveys, interviews

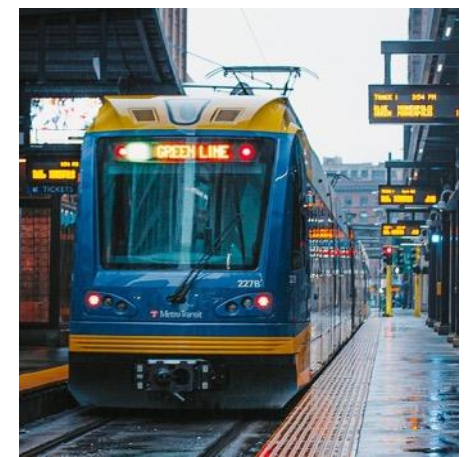

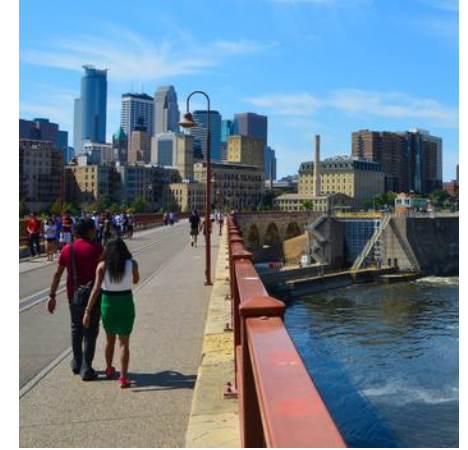

Next steps:

- Make minor adjustments for 2024
- Analyze, test, and refine direction for 2025
- Fully vet any major change proposals

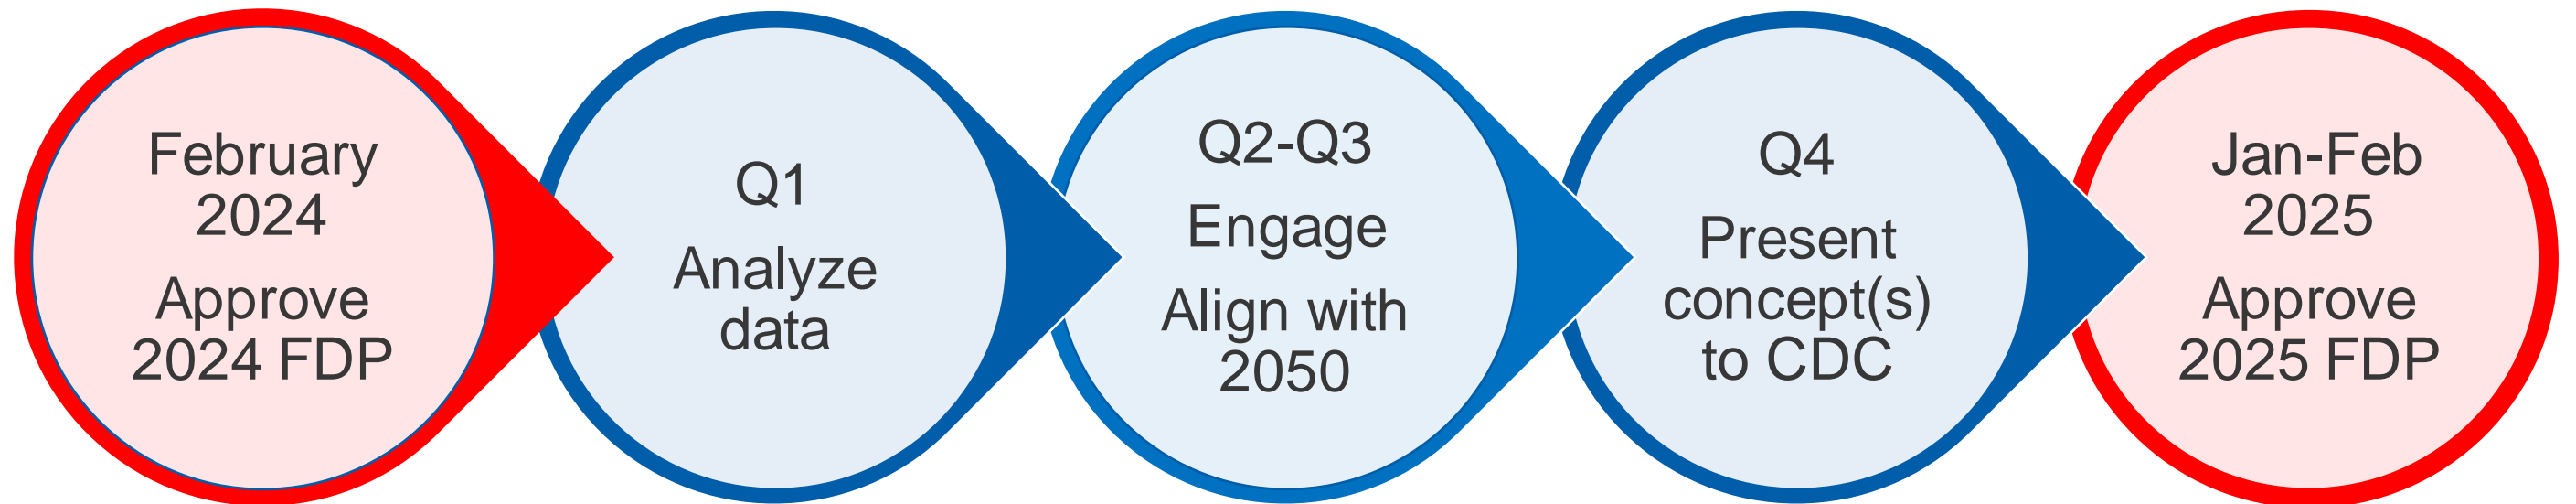

Program Evaluation & Design

Goals

- Align with Imagine 2050 goals and policies
- Incorporate Council Member and applicant feedback
- Understand LCA role in a dynamic development funding ecosystem
- Reduce burden to applicants and ensuring all participants have the capacity to submit successful applications

Timeline overview

What opportunities do you see to align LCA with Imagine 2050?

What would you like to learn from program stakeholders?
