For the Metropolitan Council: April 24, 2024

Business Item: 2024-90

Blakeley Bluffs Park Reserve, Park Acquisition Opportunity Fund Award (Barbarawi), Scott County

Proposed Action

That the Metropolitan Council:

1. Approve a grant of up to \$680,486 from the Park Acquisition Opportunity Fund to Scott County to acquire approximately 41 acres located at 24236 Union Trail in Belle Plain, MN, for the Blakeley Bluffs Park Reserve.
2. Authorize the Executive Director of Community Development to execute the grant agreement and restrictive covenant on behalf of the Council.

Summary of Metropolitan Parks and Open Space Commission Discussion

Jessica Lee presented the staff report to the Metropolitan Parks and Open Space Commission on April 4, 2024. Alyssa Olson from Scott County was in attendance and helped answer questions.

Commissioner Bob Moeller asked about the one percent above the 110% eligible purchase price. Lee responded that Scott County would pay the extra one percent in addition to their 25% local match.

Commissioner David Yakes asked about the timeline for acquiring all the parcels within the park boundary. Chair Tony Yarusso explained that agencies only work with willing sellers and it can take a long time, maybe decades until the entire park boundary is acquired. However, once there are large enough areas owned by the County, parts of the park can be opened to the public.

Motion by Commissioner Monica Dillenburg, seconded by Commissioner Moeller. The Commission voted unanimously to pass the proposed action.

Background

Regional Park Implementing Agency and Project Request

Scott County requested a Park Acquisition Opportunity Fund (PAOF) grant on March 5, 2024, to fund the acquisition of approximately 41 acres for the Blakeley Bluffs Park Reserve. A copy of the Agency's request is attached to this item as Exhibit 2 with application details in Exhibit 3.

Blakeley Bluffs Park Reserve is a future park reserve in the southwest corner of Scott County along the Minnesota River bluffs (see Exhibit 1, Figures 1, 2, and 3). This planned park reserve features large areas of continuous forest, stunning viewsheds of the Minnesota River Valley, dramatic topographic changes, and high-quality habitat.

Subject Property

The subject property is within the Council-approved boundary of the Blakeley Bluffs Park Reserve. The property contains 25 acres of cultivated land that will be restored to prairie and woodlands. It also contains 15 acres of Maple-Basswood and Oak forests, both of which are Minnesota Native

Plant Communities. Within the forested area is a protected stream, Big Possum Creek, that connects to the Minnesota River. There are structures on the property that will be evaluated for moving or deconstruction (see Exhibit 1, Figure 4).

Park Acquisition Opportunity Fund (PAOF)

The Council’s Park Acquisition Opportunity Fund (PAOF) Program provides funding to purchase property and easements via two state sources: the Parks and Trails Legacy Fund (PTLF) and the Environment and Natural Resources Trust Fund (ENRTF). The Council contributes by matching every \$3 in state funds with \$2 in Council funds. The \$3 to \$2 match is required at the program level, not the individual project level.

State and Council funds contribute up to 75% of the purchase price and eligible costs; the Regional Park Implementing Agency (Agency) contributes the remaining 25% as local match.

Project Budget

The appraised value of the subject property is \$760,000. The Seller agreed to 111% of that amount, or \$843,600. The PAOF program will fund up to 110% of the appraised amount, or \$836,000. Scott County will pay the additional 1% as overmatch to the grant. See Exhibit 4 for more information on the appraisal. The total project cost including legal fees, environmental assessments, stewardship, taxes, and appraisal is \$907,315 as shown in Table 1 below.

Table 1. Project Budget

Budget item	Requested amount
Purchase price	\$836,000
Appraisal, legal fees, taxes, closing costs	\$11,315
Site remediation and land stewardship	\$60,000
Total Costs	\$907,315
Grant structure	
Grant amount	\$680,486
Local match	\$226,829

Acquisition Details

This is a straightforward fee title acquisition.

Rationale

Council staff conduct the review of each PAOF request on a first-come-first-served basis under the following standards:

- the proposed acquisition complies with state statute and Council policy
- all necessary documentation for the acquisition is in place
- the appraisal is reasonable and appropriate

This acquisition is consistent with:

- The Parks and Trails Legacy Fund
- The *2040 Regional Parks Policy Plan*
 - Planning Policy Strategy 1 requires that before an Agency can receive a grant for acquisition, the proposed project must be consistent with a Council-approved long-range plan. The Council approved the Blakeley Bluffs Park Reserve acquisition long-range plan in 2011 and a boundary adjustment amendment in 2019. The proposed acquisition is within the boundaries of the approved acquisition long-range plan.
 - Siting and Acquisition Strategy 1 prioritizes the acquisition of lands with natural resource features, access to water, and/or restoration potential for the Regional Parks System. The subject property contains approximately 15 acres of undeveloped forested land with high-

quality natural resources and 25 acres of cultivated land that will be restored to its natural state. The parcel also contains a protected stream, Big Possum Creek, that connects to the Minnesota River.

- Finance Strategy 7 authorizes the use of PAOF as the funding mechanism for the acquisition of Regional Park and Trail lands and matching every \$3 in state funds with \$2 in Council bonds.

Thrive Lens Analysis

This request is consistent with *Thrive MSP 2040's* Livability and Stewardship outcomes. The Council's investment in the Cottage Grove Ravine Regional Park will provide additional access to nature and the outdoors and enhance quality of life.

Funding

The Council will fund the 75% share with Parks and Trails Legacy Fund and Council funds. The PAOF program has available funds in the Council's Authorized Capital Program.

Scott County will provide a local match of \$226,829.

Subject: Acquisition Opportunity Grant Request for Upland Big Possum property in the future Blakeley Bluffs Park Reserve

Dear Ms. Lee,

I am writing to submit an Acquisition Opportunity Grant Request for an acquisition associated with Blakeley Bluffs Park Reserve in Scott County. I ask that this grant request be placed on the April 04 MPOSC agenda for consideration.

Acquisition Grant Request

Upland Big Possum is approximately 40.89 acres of land in Blakeley Township, MN. The property is adjacent to approximately 259 acres of County land previously acquired for the future Park Reserve to the north and west. The property is of mixed ecological uses, including agricultural land and 14.5 acres of forested acres (10.5 of native hardwood forest) characterized by steep slopes and ravines.

Scott County is requesting the Metropolitan Council's consideration of an acquisition opportunity grant in the amount of \$680,486.19 that would fund 75% of the acquisition and associated costs up to 110% over the appraised value, with 25% local match of \$226,828.73 coming from the county funds. The total estimated acquisition costs are \$916,387.62.

This property is a critical component of the future Blakeley Bluffs Park Reserve:

- It provides one of limited road accesses to the future park and is a critical access point for the 259 acres of parkland already acquired
- It will contribute to protecting sensitive ravines and native forest communities along the Minnesota River for generations of park users to experience and enjoy

Thank you for your consideration of this request. If you have any questions, please contact me directly at 952.496.8777.

Sincerely,

A handwritten signature in black ink that reads "Patricia Freeman".

Agenda Item Details

AGENDA ITEM TYPE: Consent	TIME REQUESTED: NA
ACTION REQUESTED: Adopt Resolution No. 2024-93; Authorizing Entering a Purchase Agreement for, and Acquisition of, Real Property for the Blakeley Bluffs Park Reserve, a Grant Request to the Metropolitan Council for Acquisition Funding, and Amendment of the Park Improvement Program Budget	
ORGANIZATIONAL VALUES: Stewardship: We will work proactively to make investments, guided by resident input, which will transform lives, communities, and government	
BACKGROUND/JUSTIFICATION: The purpose of this agenda item is to adopt Resolution No. 2024-93; Authorizing Entering a Purchase Agreement for, and Acquisition of, Real Property for the Blakeley Bluffs Park Reserve, a Grant Request to the Metropolitan Council for Acquisition Funding, and Amendment of the Park Improvement Program Budget. The subject property is 24236 Union Trail in Blakeley Township and is also identified as PID 029170072. Acquisition of this property is consistent with the County approved <i>Blakeley Bluffs Acquisition Master Plan</i> . The property consists of 40.89 acres and is adjacent to approximately 259 acres of County land previously acquired for the future Park Reserve. The property has approximately 24 tillable acres, 14.5 acres of native hardwood forest characterized by steep slopes and ravines, and a home site with outbuildings. This acquisition will complete a 3-phase effort to purchase several adjacent parcels that in 2012 were part of a planned 7-lot executive home development that would have bisected the planned park reserve. The first phase of the acquisition was completed in 2013. The second phase was completed in 2014. This acquisition will be the third and final phase. This particular phase provides critical access from County Road 1 (Union Trail) into the grouping of properties acquired previously and preserves the scenic quality and recreation potential of those properties. The lands being acquired with this purchase include flat areas that can support future infrastructure (i.e. parking, entry driveway, trailhead), scenic views across the Minnesota River Valley, and the opportunity for conversion of cropland to natural cover/habitat. It, along with the previous acquisitions, forms a critical mass of property that together can support meaningful outdoor recreation activity. Scott County commissioned an appraisal of the property by Patchin Messner Valuation Counselors on August 2, 2023. Over the past several months, staff has been in conversation with the landowner to affirm their interest in selling and to negotiate a purchase price. An agreement for a purchase price of \$843,600 has been reached between both parties, and detailed appraisal information has been provided to the Board in a separate confidential memorandum per the requirements of Minnesota Statutes. The Met Council will fund \$627,000 and Scott County will fund \$216,600 of the land acquisition. Scott County's 2024 - 2028 Parks Improvement Program proposed acquisition of this property. Approximately	

seventy-five (75%) percent of the funding for the acquisition is planned from the Metropolitan Council's Regional Park Acquisition Opportunity Fund grant program, and the remaining approximately 25% would be a local County match. The approximation comes from the uncertainty of additional costs such as closing, structure removal and taxes.

As part of this action, staff is seeking approval to apply for the grant. Award of the grant will be a requirement to finalize the acquisition. If awarded, staff will finalize the acquisition of the property, which will also require placing restrictive covenants on the property to comply with standard Met Council requirements.

BUDGET AMENDMENT:
Yes

FUNDING DESCRIPTION:
A budget amendment is needed for this project. It is identified in the 2024-2028 PIP with a project cost of \$821,000. The County had programmed \$205,250 dollars for the County's share and \$615,750 for the Metropolitan Council. The updated estimated project costs include purchase price, appraisal, survey, closing costs, structure demolition etc. for an estimated total cost of \$917,000.

The grant request of the Metropolitan Council will be an estimated amount of \$680,487. The County's share will be approximately \$235,513. The County's match will require a request for approximately \$235,513 from the County Board to Three Rivers Park District to utilize the partnership fund balance. This acquisition will not impact the County's levy.
