Metropolitan Parks and Open Space Commission

Community Development Committee Meeting: October 7, 2024 For the Metropolitan Council: October 23, 2024

Business Item: 2024-273

Miesville Ravine Park Reserve, Park Acquisition Opportunity Fund Award (Schwamb), Dakota County

Proposed Action

That the Metropolitan Council:

1. Approve a grant of up to \$388,910 from the Park Acquisition Opportunity Fund to Dakota County to acquire a 5-acre parcel located at 26287 Miesville Trail in Douglas Township, MN, for the Miesville Ravine Park Reserve.

Summary of Metropolitan Parks and Open Space Commission Discussion

Kevin Phan presented the staff report to the Metropolitan Parks and Open Space Commission on October 3, 2024. Dakota County Real Estate Manager Al Singer was present and responded to questions.

Commissioner Yakes asked whether the 100-year-old home would be moved, and if not, why it isn't being repurposed. Singer mentioned that the house cannot be moved and that it isn't usable due to ADA non-compliance and the presence of asbestos.

Chair Yarusso inquired about eligible relocation expenses. Singer clarified that the property owners and County negotiated agreeable purchase price that did not require these expenses. Emmett Mullin, Parks Manager, added that relocation expenses are governed by state law.

Commissioner Taylor asked what the plans for development would be on the property. Singer responded that Miesville Ravine is largely undeveloped. Future development in this area may include providing additional trail access. Yakes followed up by asking what recreational opportunities are currently available. Singer said that hiking, fishing and other nature-based activities are offered, including that there is a nearby river tubing operation upriver from the park reserve.

Yarusso asked if there is public access to the northern part of the park reserve. Singer replied that Dakota County has recently gained access to this part of the park and there will likely be low impact trails in the future.

Yakes asked if the property has riverfront. Singer said that there is no shoreline in this parcel.

Yarusso asked if the previous property owners needed easement access to reach their driveway. Singer confirmed that they needed access to nearby roads within the park.

Council Member Vento asked about the Park Reserve's size. Singer said that it is approximately 1500 acres.

Motion by Commissioner Monica Dillenburg, seconded by Commissioner Yakes, the Commission voted unanimously to pass the proposed action.

Proposed Action

That the Metropolitan Council:

1. Approve a grant of up to \$388,910 from the Park Acquisition Opportunity Fund to Dakota County to acquire a 5-acre parcel located at 26287 Miesville Trail in Douglas Township, MN, for the Miesville Ravine Park Reserve.

Background

Regional Park Implementing Agency and Project Request

Dakota County requested a Park Acquisition Opportunity Fund (PAOF) grant on July 26, 2024, to fund the acquisition of a 5-acre parcel for the Miesville Ravine Park Reserve. A copy of the Agency's request is attached to this item as Exhibit 2 with application details in Exhibit 3.

Miesville Ravine Park Reserve is located in the southeast corner of Dakota County, at the confluence of Trout Brook and the Cannon River near Miesville. The park reserve offers over 1500 acres of county-owned natural resources land and miles of wooded hiking and snowshoeing trails (see Exhibit 1, Figures 2 and 3).

Subject Property

The subject 5-acre property is an inholding within the Council-approved boundary of Miesville Ravine Park Reserve (see Exhibit 1, Figure 1). The property is mostly a mix of grasslands and woodlands located within the upper reaches of the ravine itself. It contains a home built around 1900, a manufactured home, and several outbuildings. The home and outbuildings will be removed, and the land restored to native vegetation. The manufactured home will be transported to another location for park operation purposes.

Park Acquisition Opportunity Fund (PAOF)

The Council's Park Acquisition Opportunity Fund (PAOF) Program provides funding to purchase property and easements via two state sources: the Parks and Trails Legacy Fund (PTLF) and the Environment and Natural Resources Trust Fund (ENRTF). The Council contributes by matching every \$3 in state funds with \$2 in Council funds. The \$3 to \$2 match is required at the program level, not the individual project level.

State and Council funds contribute up to 75% of the purchase price and eligible costs; the Regional Park Implementing Agency (Agency) contributes the remaining 25% as local match.

Project Budget

The appraised value of the subject property is \$420,000, and the Seller has agreed to sell for \$440,000, or 105% of the appraised value. See Exhibit 4 for more information on the appraisal. The total project cost including legal fees, taxes, and appraisal is \$518,546 as shown in Table 1 below.

Table 1. Project Budget

Budget item	Requested amount
Purchase price	\$440,000
Appraisal, legal fees, taxes, closing costs	\$8,596
Stewardship	\$64,000
Environmental assessment	\$5,950
Total Costs	\$518,546
Grant structure	
Grant amount	\$388,910
Local match	\$129,636

Acquisition Details

This is a straightforward fee title acquisition.

Rationale

Council staff conduct the review of each PAOF request on a first-come-first-served basis under the following standards:

- the proposed acquisition complies with state statute and Council policy
- all necessary documentation for the acquisition is in place
- the appraisal is reasonable and appropriate

This acquisition is consistent with:

- The Parks and Trails Legacy Fund
- The *2040 Regional Parks Policy Plan*
 - Planning Policy Strategy 1 requires that before an Agency can receive a grant for acquisition, the proposed project must be consistent with a Council-approved long-range plan. The Council approved the Miesville Ravine Park Reserve long-range plan on August 14, 2024 ([Business Item 2024-168](#)). The proposed acquisition is within the boundaries of the approved long-range plan.
 - Siting and Acquisition Strategy 1 prioritizes the acquisition of lands with natural resource features, access to water, and/or restoration potential for the Regional Parks System. The subject property is necessary to complete the Miesville Ravine Park Reserve and contains a mix of grasslands and woodlands.
 - Finance Strategy 7 authorizes the use of PAOF as the funding mechanism for the acquisition of Regional Park lands and matching every \$3 in state funds with \$2 in

Council bonds.

Thrive Lens Analysis

This request is consistent with *Thrive MSP 2040's* Livability and Stewardship outcomes. The Council's investment in the Miesville Ravine Park Reserve will provide additional access to nature and the outdoors and enhance quality of life.

Funding

The Council will fund the 75% share with Parks and Trails Legacy Fund and Council funds. The PAOF program has available funds in the Council's Authorized Capital Program.

Dakota County will provide a local match of \$129,636.

Emmett Mullen
Metropolitan Council
390 North Robert Street
St. Paul, MN 55101

Dear Emmett:

Dakota County requests Metropolitan Council consideration in authorizing a \$388,910 Parks Acquisition Opportunity Fund grant to acquire the 5.0-acre Peter and Linda Schwamb (Schwamb) property located within Miesville Ravine Park Reserve MRPR.

The Dakota County Board (County Board) of Commissioners adopted the updated MRPR Master Plan (Plan) in 2005 and approved a ten-year vision and Natural Resources Management Plan on February 27, 2024, with anticipated approval by the Metropolitan Council in August. The Master plan identified the Schwamb property as a private in-holding within the northern portion of the park reserve surrounded by previously acquired park land. The Schwamb property is a mix of grasslands and woodlands and includes a 1-1/2 story, 1,342-square-foot house built circa 1900; manufactured home; detached garage; and multiple outbuildings.

The County, appraised, reviewed and accepted an independent appraised value of \$420,000. The Schwamb requested an additional \$20,000 (4.8 percent of the appraised value) in lieu of receiving eligible relocation expenses.

The Dakota County Board authorized acquisition of the Schwamb property and submission of an AOF grant request by Resolution No. 24-340 at its June 25, 2024, meeting. The PAOF grant request is based on the following expenses:

Expenses	Amount	
Purchase Price	\$440,000	
Legal services and closing costs, title insurance	\$2,360	
Stewardship	\$64,000	
Estimated Warranty Deed and Conservation Fee	\$1,459	
Title insurance	\$1,012	
Appraisal	\$2,500	
Estimated Phase I Environmental Assessment	\$5,950	
PILT (1.8 x \$602 of Township Property Tax)	\$1,084	
Pro-rated Property Taxes (\$602 x 2/12)	\$181	
Total	\$518,546	
	75 percent of total	\$388,910
	25 percent of total	\$129,636

Thank you for considering this request.

Sincerely,
