# Discussion Background

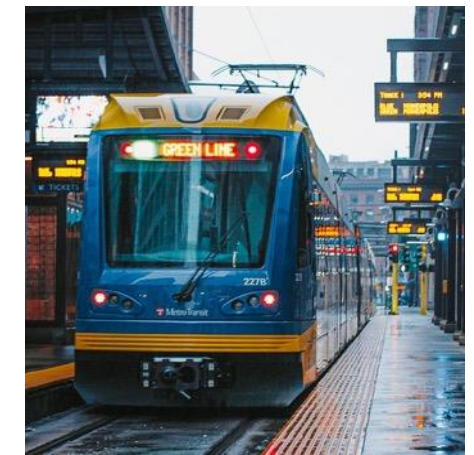

## Identified Tensions

Local priorities ↔ Regional priorities

Variety of project types ↔ Targeted programs

Flexible scoring ↔ Transparent scoring

Geographic distribution ↔ Alignment with regional policy

# 2025 FDP Changes

## LCA Pre-Development

**Change:** Lower minimum score from 20 to 15 out of 30

**Rationale:** More opportunity for projects to be funded at different development stages

# 2025 FDP Changes

## Policy Development

**Change:** Cities with lower net tax capacity will receive additional points

**Rationale:** Target funding to cities that have less capacity to develop new policies

# Looking to 2026 updates
