Seeding Equitable Environmental Development (SEED)

TBRA -Seeding Equitable Environmental Development

Description
Seeding Equitable Environmental Development (SEED) grants are intended for sites within equitable development areas, as determined by the Council. SEED grants are intended for sites with or without a specific development project underway, though they must show potential for future job growth or housing development. SEED grants can be used for site investigation or cleanup.

Program Criteria
<p>Grant Term: 2 years from date of award</p> <p>Term extensions: None</p> <p>Award Limit: \$50,000 for investigation per project and up to 50% of total funding available for cleanup</p> <p>Application Limit: None</p> <p>Geographic Restriction: Sites within areas with low building permit activity, low-wage job concentrations, and concentrations of people of color and low-income households as determined by the Council.</p> <p>Match: None</p>

Funding Considerations
<p>Applications may also be determined ineligible for funding if:</p> <ul style="list-style-type: none"> • adequate cleanup funding is available from other public and private sources; • any part of a redevelopment site that will be funded by the State or Federal Superfund Program in the current or following fiscal year • the redevelopment requires extensive new regional infrastructure beyond that which is already planned • the redevelopment is not consistent with the municipality’s comprehensive plan. <p>If funding applied for or awarded through TBRA SEED is less than the funding available, the remaining funds may be made available for award through the regular TBRA categories (Investigation, Cleanup)</p>

Site Investigation

TBRA-Site Investigation

Description
Site Investigation grants are intended for redevelopment sites suspected or known to include contamination. They can help determine if contamination exists, what type of contamination is there, how much, and where it is located. They can also help inform how the contamination could affect redevelopment plans and the potential costs of cleanup.

Program Criteria
<p>Grant Term: 1 year (single site) or 3 years (multi-site) from date of award</p> <p>Term extensions: None</p> <p>Award Limit: \$50,000 per project; up to \$250,000 per applicant for multiple sites within a Target Area.</p> <p>Application Limit: Applicants with an open grant for multi-site investigations with less than 80% of the funds awarded expended are ineligible to apply</p> <p>Geographic restriction: None</p> <p>Site Eligibility: Individual project sites must be approved by the Council staff prior to incurring eligible costs. Changes to the eligible Target Area will require a grant amendment prior to incurring costs to be reimbursed using grant funds.</p> <p>Local Match: 25% per site</p>

Funding Considerations
<p>Applications may also be determined ineligible for funding if:</p> <ul style="list-style-type: none"> • Individual project sites are not approved by the Council staff prior to incurring eligible costs. Development

LCDA-Development

Description
<p>The Livable Communities Demonstration Account (LCDA) provides funding for projects that increase access to housing, jobs, services and transit in an effort to support more equitable, livable communities in the region.</p> <p>While we recognize there are different types of inequities based on identity and circumstance, LCA is focused on addressing racial inequity in the region given race is the largest predictor of inequitable outcomes in jobs, housing, and other LCA goals. Projects addressing racial equity will be prioritized in scoring. Projects addressing other inequities will earn points towards how they address those inequities but will not receive full points unless they also consider the intersection of racial inequity.</p>

Program Criteria
<p>Grant Term: 3 years from date of award Term extensions: up to 2 years Award Limit: If eligible applications from suburban communities exceed 60% of available funds, it is recommended that no more than 40% of the funds be granted to projects in Minneapolis and St. Paul. Pre-Development

Scoring Criteria		
The goals and vision of the proposed project would meet one or more of the following LCA and/or Imagine 2050 goals:		
LCA and Imagine Goals	Add new housing types and create or preserve affordable housing. Priority for projects with deep affordability and/or serving populations who have barriers to finding housing	16
	Create or preserve long-term living wage jobs or support economic opportunity for communities of historic wealth extraction	
	Increase or preserve (for preservation/rehab projects) density on the site and make it easier for people with mobility barriers to easily access housing, jobs, services, and amenities; OR Preserve existing density (for preservation/rehab projects) and connections for people to access housing, services, jobs, and amenities.	
	Minimize climate change and/or environmental impact for residents in areas most negatively impacted by environmental justice	
How: Pre-Development Project Process		
Process	Show an understanding of who will benefit most from the project and in what ways, and use this understanding to shape equitable development strategies and outcomes	14
	The project reflects the culture and needs of the community it is intending to serve
