Leah Palmer, Policy Analyst & Special Projects Coordinator, MTPD
Police Work Group Assignment

By February 28, 2022, the Metro Transit Police Review Work Group will report back to the full Metropolitan Council with recommended transit safety and security outcomes and strategies to achieve the outcomes. The recommendations must also identify data and other information that Metro Transit will provide the Metropolitan Council as part of regular Metro Transit Police Department (MTPD) updates that will begin in Q1 2022. Once the Metropolitan Council accepts the recommendations, the adopted outcomes and strategies will serve as Metropolitan Council policy guidance for the Metro Transit Police Department.

Key Performance Indicators

• Visible Presence in the Community
  – Operator Check-ins and Bus On-Boards (count)
  – Fare Inspections (LRT/BRT) (count, percent of rides inspected)

• Responding to Requests
  – Calls for service (per 100,000 rides)
  – Response time (minutes)

• Crimes
  – Warnings, Citations, Arrests (count, per 100,000 rides)
  – Crimes, by type (per 100,000 rides)
  – Operator assaults (count, per 100,000 rides)
Compstat

- Weekly reporting
- Review of activity by zone
- Focus resources for directed patrol
- Top offenders / HAT contacts
Other Considerations for Police Data

- Number of calls for service and crimes are partially an outcome of level and allocation of staffing
- Recent change in FBI categorization and reporting of crimes
- Community interest in open data
- Data protected under state and federal rules
Focus on Goals

• What are our goals?
  – Customer and employee safety, and perception of safety
  – Public safety, asset protection, etc.

• Monitor performance, progress towards goals

• Performance measurement approach
  – Outcomes = our broader goals
  – Inputs = the work we do, investments we make
  – Outputs = the results of our work
Performance Measurement

• Outcomes
  – Number and severity of crimes that occur
  – Customer and employee sense of safety

• Inputs
  – Resources for patrols, engagement, inspections, investigations, etc.
  – Number of officers, CSOs, etc.
  – Allocation of staff by time, location, roles

• Outputs
  – Coverage of the system, operator check-ins, on-boards
  – Calls for service, response time to calls
  – Fare inspections, warnings, citations, arrests
Considering Equity / Disparities

• Identifying disparate outcomes in policing
  – Challenges with data and measurement

• Understanding mechanisms of disparities
  – Bias and systemic racism

• Addressing disparities
  – Hiring
  – Training
  – Policy
Discussion Questions

• What outcomes should the Council focus on?
• What data/performance measures are needed?
• What information do our stakeholders want to know?
Work Plan Check-In

Presenters:
Lesley Kandaras, Metro Transit Chief of Staff
Michelle Fure, Manager of Public Involvement

- Record a message at 651-602-1500 to be played during the meeting (time permitting).
- Email your comments to public.info@metc.state.mn.us to be shared with work group members.
Work Plan Check-In Questions

1. Is there additional information about topics already covered in work group meetings that you need before developing recommendations? (“topics already covered” = topics listed on slide 17, e.g., code of conduct, employee perspectives, youth, etc.)

2. Are there topics that were not part of the initial work plan that you want to cover before moving into developing recommendations or in the early stages of developing recommendations?

3. What do you need from staff to support you as you prepare to develop recommendations?
Next Steps

• Based on today’s discussion:
  – Do you want more information on any of the subjects discussed today?
  – Did the group decide anything today that should be noted when drafting recommendations?

• Next Committee of the Whole Presentation: December 15, 2021
  – Topics covered since last COW: youth (11/19) and data (12/3)

• Next Work Group Meeting: December 17, 2021
  – Work plan focus area for this meeting: Data, governance, and accountability, structures
