

Business Item 2015-14: **Authorize the Release of the 2040 Water Resources Policy Plan to Full Council for Approval, Start Formal Public Review Process and Adopt March 10, 2015 Public Hearing Date**

Judy Sventek, Manager, Water Resources Assessment

Environment Committee: January 13, 2015

Summary of Environment Committee Comments

- Need to remove affordable housing SAC credit
- Add information on reliable access to water for irrigation for agriculture

Recommendation

That the Environment Committee authorize staff to send the 2040 Water Resources Policy Plan to the full Council for approval to start the formal public review process and to adopt the public hearing date of March 10, 2015.
