

Business Item 2017-48: Disposition of Surplus Property in South St. Paul

Daniel Fick, Principle Engineer, Technical Services

Environment Committee: February 14, 2017

South St. Paul Wastewater Treatment Plant Site

Thrive Lens Analysis

- Stewardship
- Prosperity
 - Manages existing investments
 - Supports orderly and economic growth
 - Allows for future development
 - Growth opportunity

Proposed Action

- That the Metropolitan Council authorize the Regional Administrator to re-convey property that was part of the original South Saint Paul Wastewater Treatment Plant site to the City of South Saint Paul at no cost in accordance with the original acquisition agreement.
