

Business Item: 2017-51
Interceptor Construction
Cooperation Agreement with the
Minnesota Department of
Transportation

Scott Dentz, Manager Interceptor Engineering

Environment Committee: February 14, 2017

Thrive Lens Analysis

- Stewardship
 - Financial resources invested efficiently and effectively to maintain and restore existing capacity to wastewater infrastructure
 - Protects region's natural resources

Proposed Action

- That the Metropolitan Council authorize its Regional Administrator to negotiate and execute a construction cooperation agreement with the Minnesota Department of Transportation for maintenance access structure construction at interceptor crossings of interstate I35W within the City of Minneapolis, project number 807645.
