# Thrive Lens Analysis

- Stewardship
  - Responsibly manages our investments
- Prosperity
  - Supports orderly and economic growth by facilitating environmentally responsible development in accordance with the City's approved Comprehensive Plan.

# Proposed Action

- That the Metropolitan Council authorize its regional Administrator to acquire fee title and permanent and temporary easements necessary for the Corcoran Lift Station (L-80), MCES Project 808520, and authorizes Council legal staff to initiate condemnation proceedings if staff cannot acquire them by negotiation per Resolution Number 2017-8.
