Meeting date: March 14, 2017

For the Metropolitan Council meeting of March 22, 2017

**Subject:** Fee Title, Permanent and Temporary Easements and File Condemnation Petitions for Lift Station L-80 Project in Corcoran

**District(s), Member(s):** Katie Rodriguez, District 1

**Policy/Legal Reference:** Minnesota Statutes 473.504, Subd. 9 and Chapter 117

**Staff Prepared/Presented:** Daniel Fick, 651-602-1061; Scott Dentz, 651-602-4503

**Division/Department:** MCES c/o Leisa Thompson, 651-602-8101

### Proposed Action

That the Metropolitan Council authorize its regional Administrator to acquire fee title and permanent and temporary easements necessary for the Corcoran Lift Station (L-80), MCES Project 808520, and authorizes Council legal staff to initiate condemnation proceedings if staff cannot acquire them by negotiation per Resolution Number 2017-8.

### Background

In March 2017, the City of Corcoran will complete a truck sewer project to serve the southeastern portion of the city. Flows from this area to the Lift Station L-80 site are anticipated to begin in the Fall of 2017. Construction of Lift Station L-80 is required to convey these flows to the MCES Elm Creek Interceptor system.

In 2014 MCES acquired property for the lift station as well as easements for the pipes leading to and from the lift station. No easements were acquired for access to the site since development was imminent and access would be provided as part of the development.

### Rationale

Since the property acquisition in 2014, no development has taken place on the property; therefore, it is necessary to acquire easements to construct and operate lift station L-80. This action delegates authority to staff to acquire property for the project and to use the condemnation process if necessary to ensure timely project delivery.

### Thrive Lens Analysis

This action advances the Thrive outcomes of stewardship and prosperity by responsibly managing our investments and supporting orderly and economic growth by facilitating environmentally responsible development in accordance with the City's approved Comprehensive Plan.

### Funding

2017 MCES Authorized Capital Program, Project 808520

Currently Authorized: \$1,975,000

Unencumbered Funds: \$1,870,000

### Known Support / Opposition

The City of Corcoran supports this action. No known opposition.
