

Business Item 2018-71:
Contract Award for Golden Valley
Interceptor Rehabilitation

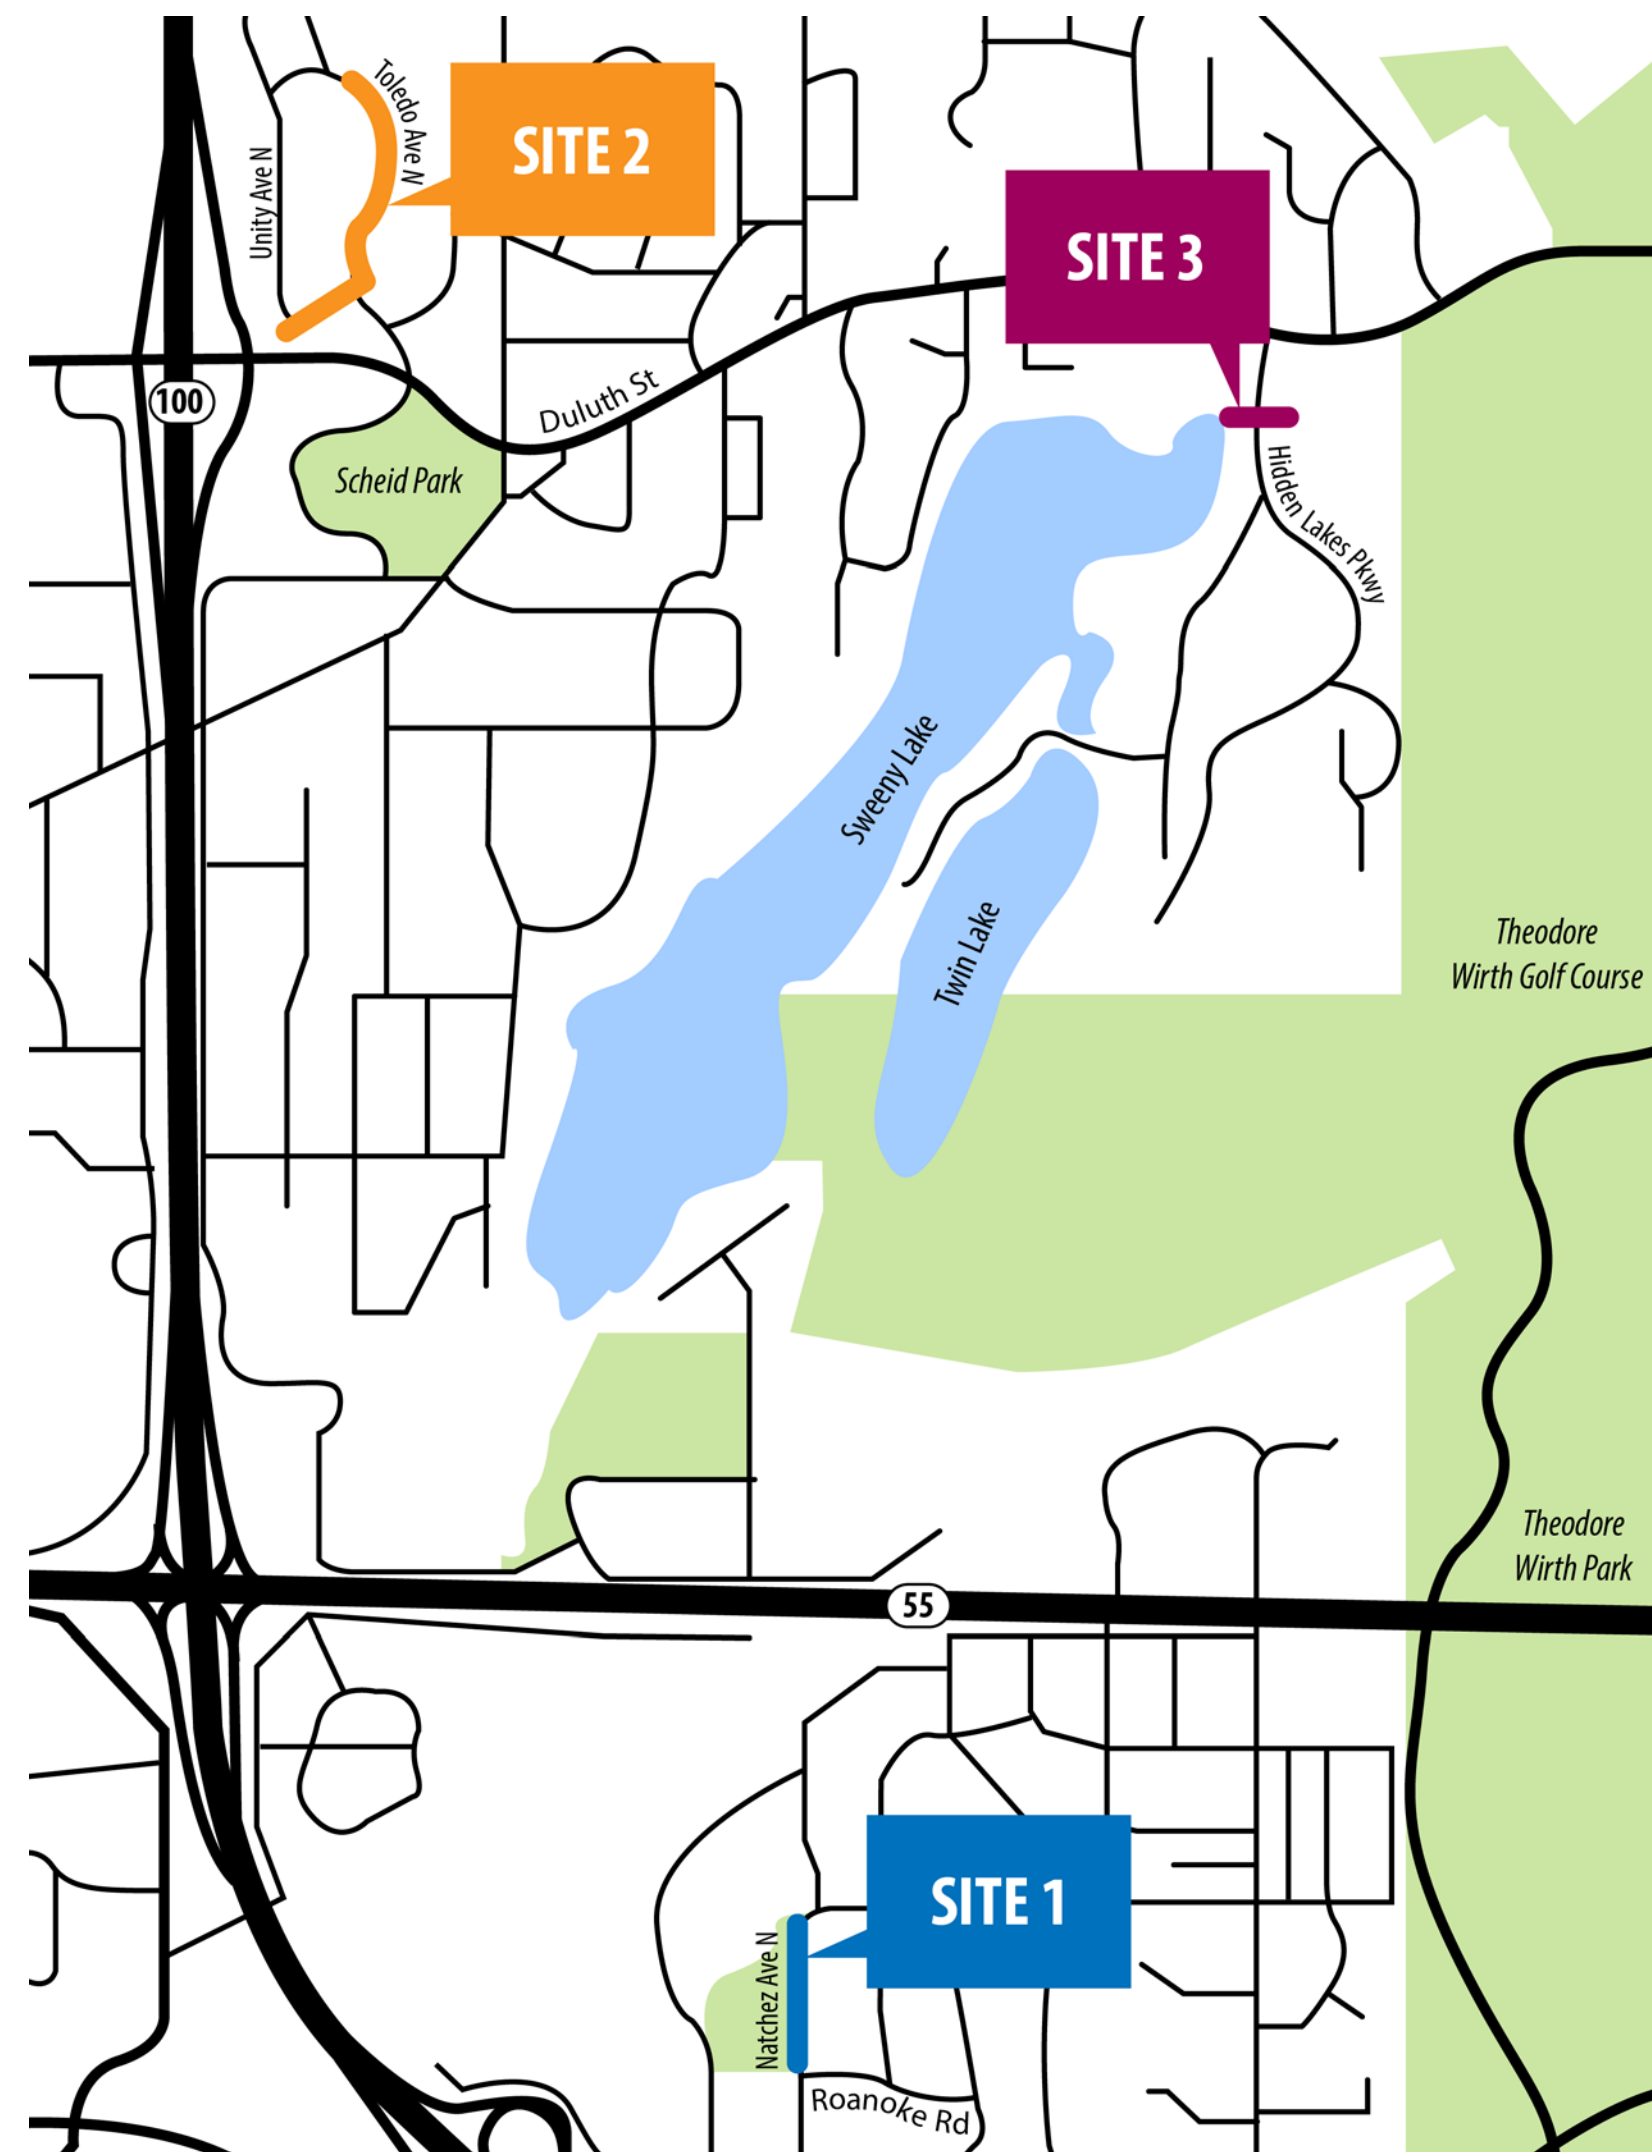

Karen Keenan, Manager, Interceptor Project Delivery

Environment Committee: March 13, 2018

Project Location

- Site 1: Natchez Avenue
 - 650-foot section of 36-inch interceptor near Natchez Park with cured-in-place-pipe
- Site 2: Toledo Avenue
 - 800-foot section of interceptor near Toledo Avenue and Greenview Lane of 24-inch and 30-inch open cut and 24-inch and 27-inch cured-in-place-pipe
- Site 3: Hidden Lakes Parkway
 - Approximately 120-foot section of 36-inch new pipe will be tunneled under the road parallel to the existing pipe to allow the road to remain open to traffic

Bid Summary

- Received five responsive, responsible bids: \$4,094,731.75 to \$5,570,278.35
- Minger Construction Company, Inc. submitted the low bid, which was less than the engineer's estimate of \$4,691,384.00.
- The Metropolitan Council Under-Utilized Business (MCUB) program participation goal for this contract is 6%.

Thrive Lens Analysis

- **Stewardship**

- This action advances the Thrive Outcome of Stewardship. Public financial resources will be invested efficiently and effectively to maintain and restore existing wastewater infrastructure, which protects the region's natural resources.

Proposed Action

- That the Metropolitan Council authorize its Regional Administrator to award and execute a contract for construction of the Golden Valley Interceptor Rehabilitation, Project No. 805740, Contract 17P064, with Minger Construction Company, Inc. for their low responsive and responsible bid of \$4,094,731.75.
