

Business Item 2019-224:
**Master Utility Agreement with the Minnesota
Department of Transportation for Interceptor
9004-1**

Tim Wedin, Interceptor Engineering Assistant Manager, Technical Services

Environment Committee: August 13, 2019

Project Area

Project Scope

- Cured-In-Place Pipe Lining of Elm Creek Interceptor at I-94 Crossing
 - Access to this section requires closing I-94 ramps
 - Rehabilitation of 200 LF of 42-inch pipe
- Rehabilitation Manholes MH31, MH32, and MH33
- MnDOT Agreement will allow work to be completed while MnDOT is planning to close affected ramps.

Proposed Action

- That the Metropolitan Council authorize the Regional Administrator to negotiate and execute a Master Utility Agreement 19I037 with the Minnesota Department of Transportation (MnDOT) for Interceptor 9004-1.
