Adam Gordon, Manager, Interceptor Engineering

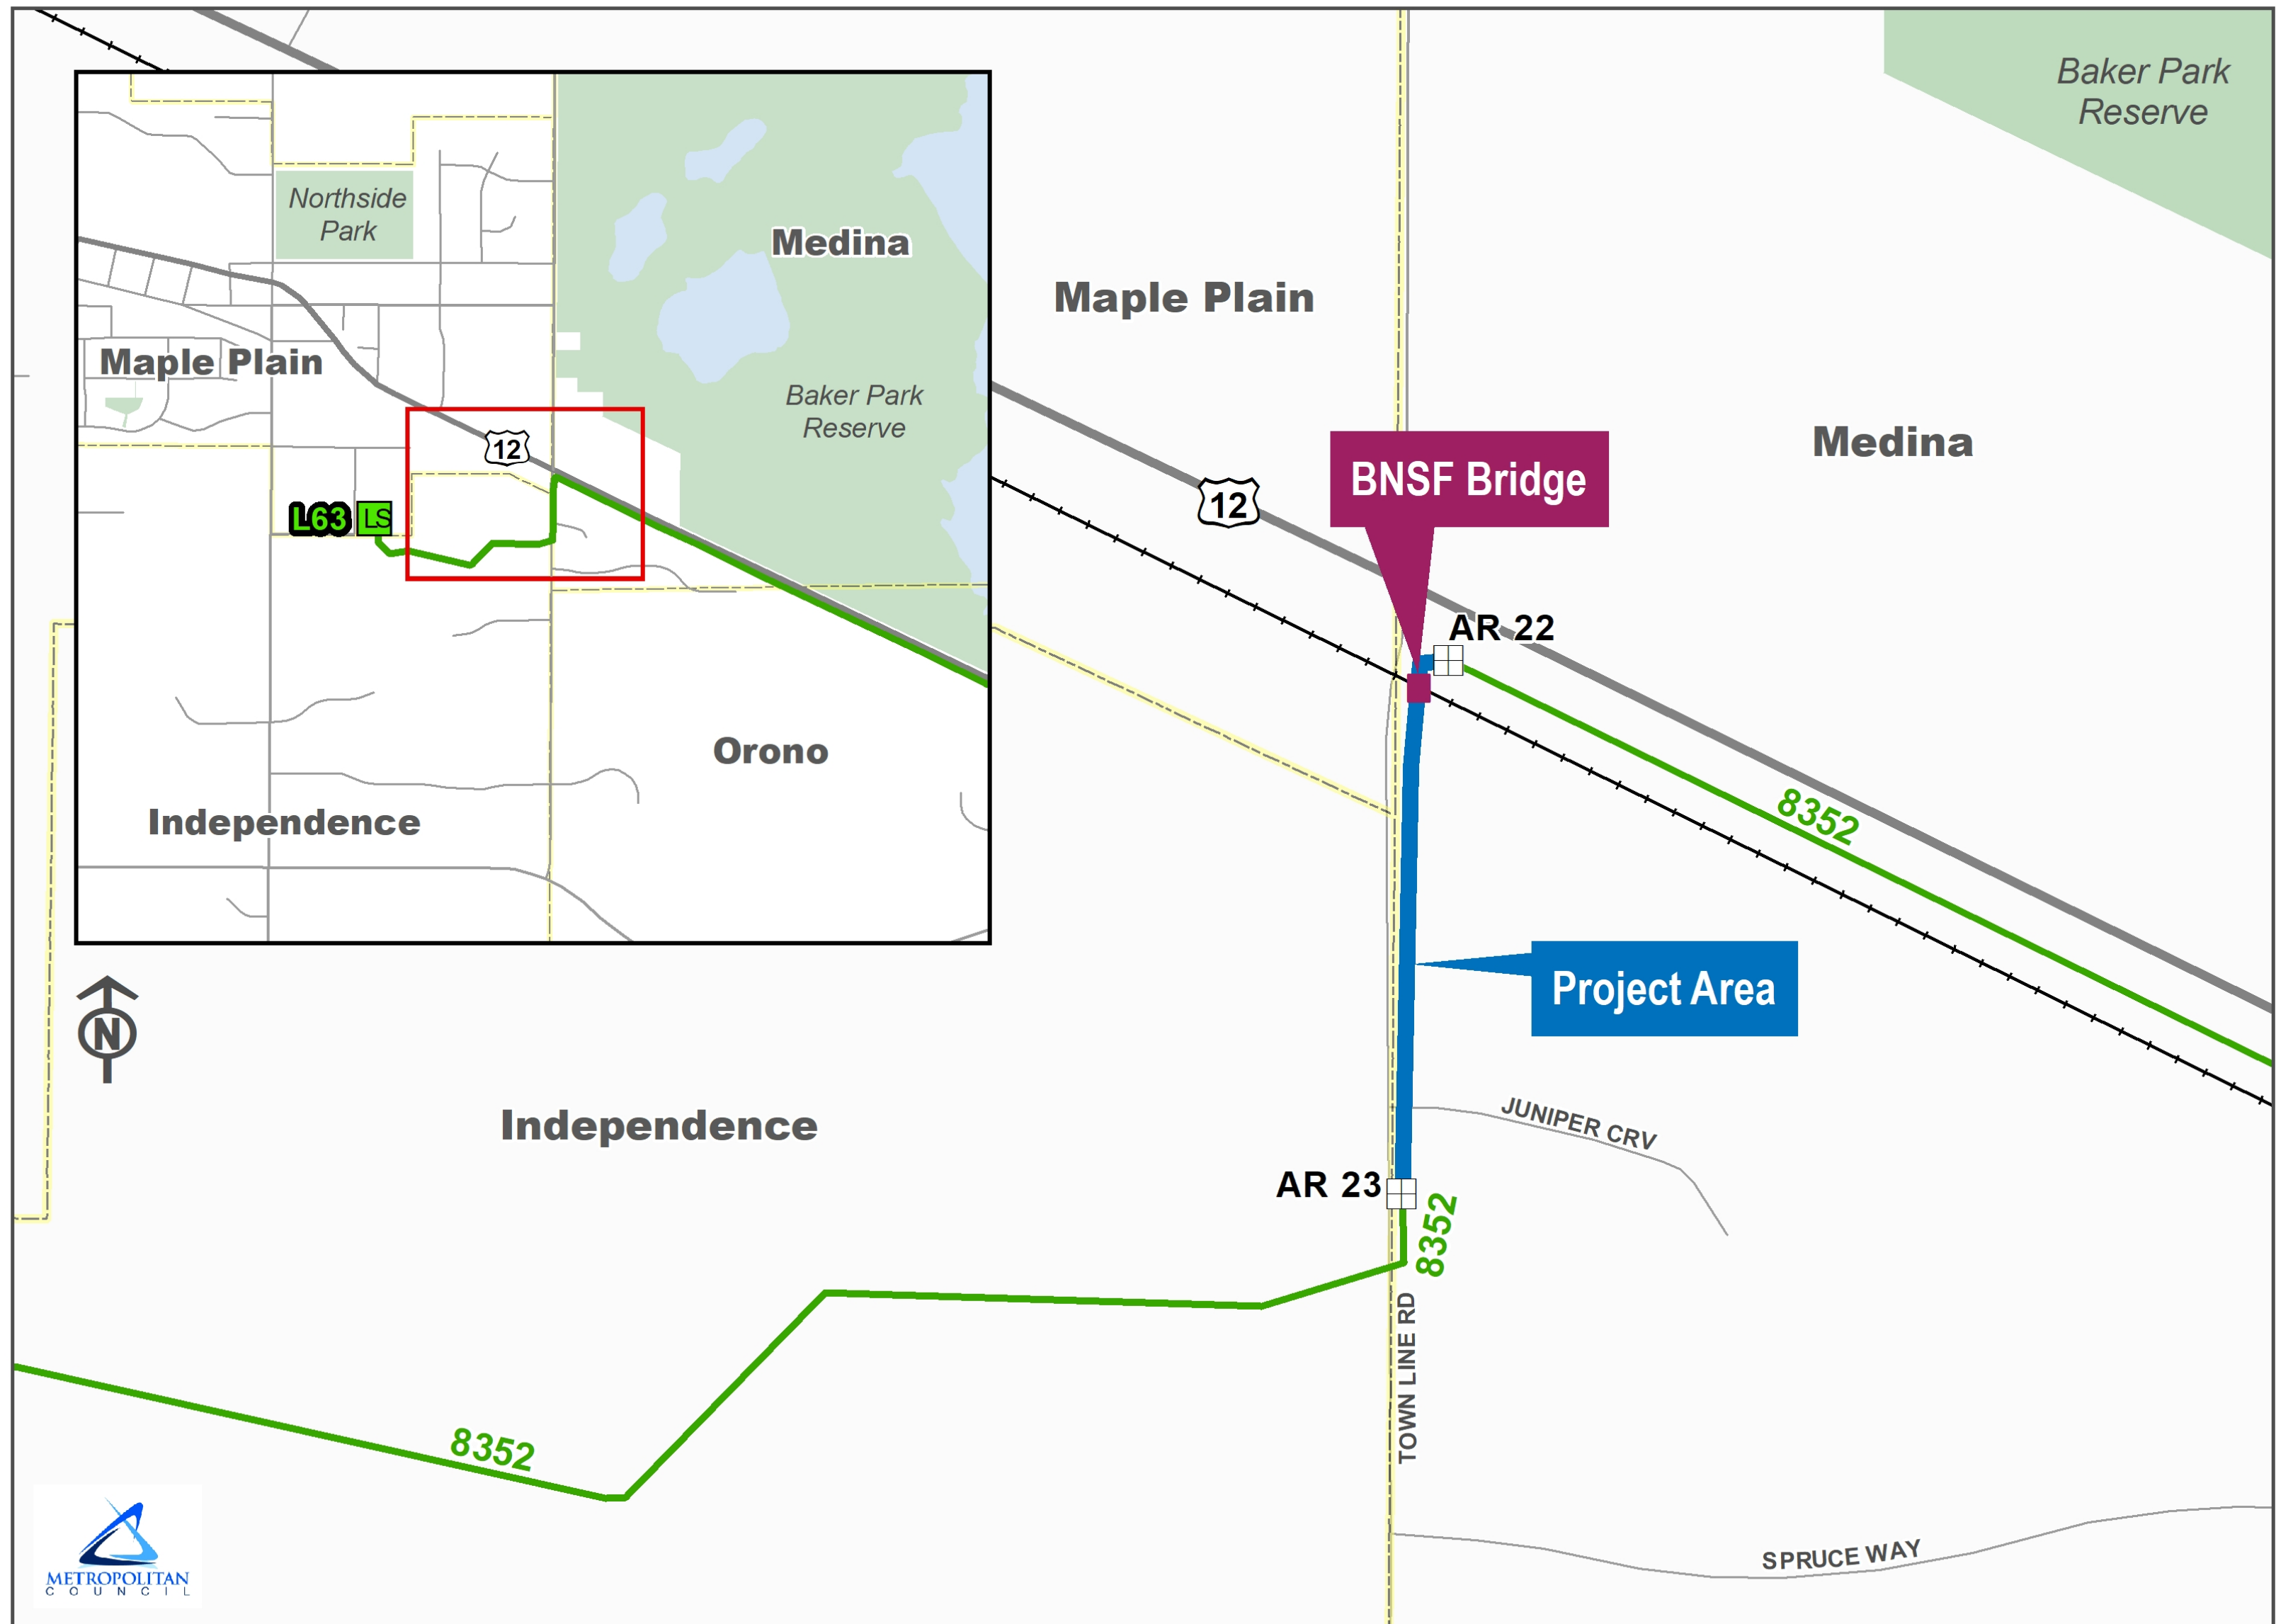

Environment Committee: June 11, 2019

# Emergency Declaration Purpose

- A declared public emergency is an emergency situation in which the health, safety or welfare of the public or the safety of Metropolitan Council employees or facilities is compromised or potentially compromised and requires immediate action to correct.

# Location Map

# Repair Scope and Estimate

- Engineering services
- Interceptor 8352: relocation of 150 linear feet of 12-inch diameter pipe to east of proposed BNSF work
- Tunneling: install two steel casings to carry relocated pipeline
- Temporary wastewater conveyance
- Surface restoration
- Total estimated cost is approximately \$800,000

# Proposed Action

- That the Metropolitan Council ratify the Justification for the Declaration of Emergency attached to the business item for relocation of Interceptor 8352 at BNSF rail crossing with Town Line Road Trail (south of TH12) in Maple Plain.
