

Business Item 2020-179: Intergovernmental Agreement with the City of Minneapolis

Chris Remus, Assistant Manager, Interceptor Engineering

Environment Committee: June 23, 2020

Project Background

Project Location

- **MCES Project**
 - 2,700 linear feet of Dual 18-inch Forcemain
- **City Project**
 - 500 linear feet of 48” Storm Sewer

Agreement Terms

- Lead Agency: MCES
- City of Minneapolis will permit the general contractor to install City utilities and to perform all restoration
- Preliminary cost participation:
 - City pays for proposed storm sewer improvements. Estimated cost is \$800,000
 - City pays an additional 7% of city improvements value for engineering, inspection, and construction oversight

Proposed Action

That the Metropolitan Council authorize its Regional Administrator to negotiate and execute an intergovernmental agreement with the City of Minneapolis for the construction of storm sewer improvements as part of the MCES East Isles Forcemain Replacement project.
