That the Metropolitan Council authorizes its Regional Administrator to negotiate and execute an intergovernmental agreement with the City of Minneapolis for the construction of storm sewer improvements as part of the MCES East Isles Forcemain Replacement project.

### Background

MCES is currently designing the replacement of the 7026 forcemain that is located along The Mall between Bde Maka Ska Parkway East and Humboldt Avenue; and along Humboldt Avenue between The Mall and 27th Street. Construction is proposed to begin in April 2021.
