

Business Item 2021-78:
Coon Rapids Interceptor Rehabilitation
Phase 1, Project No 808685, Land
Acquisition

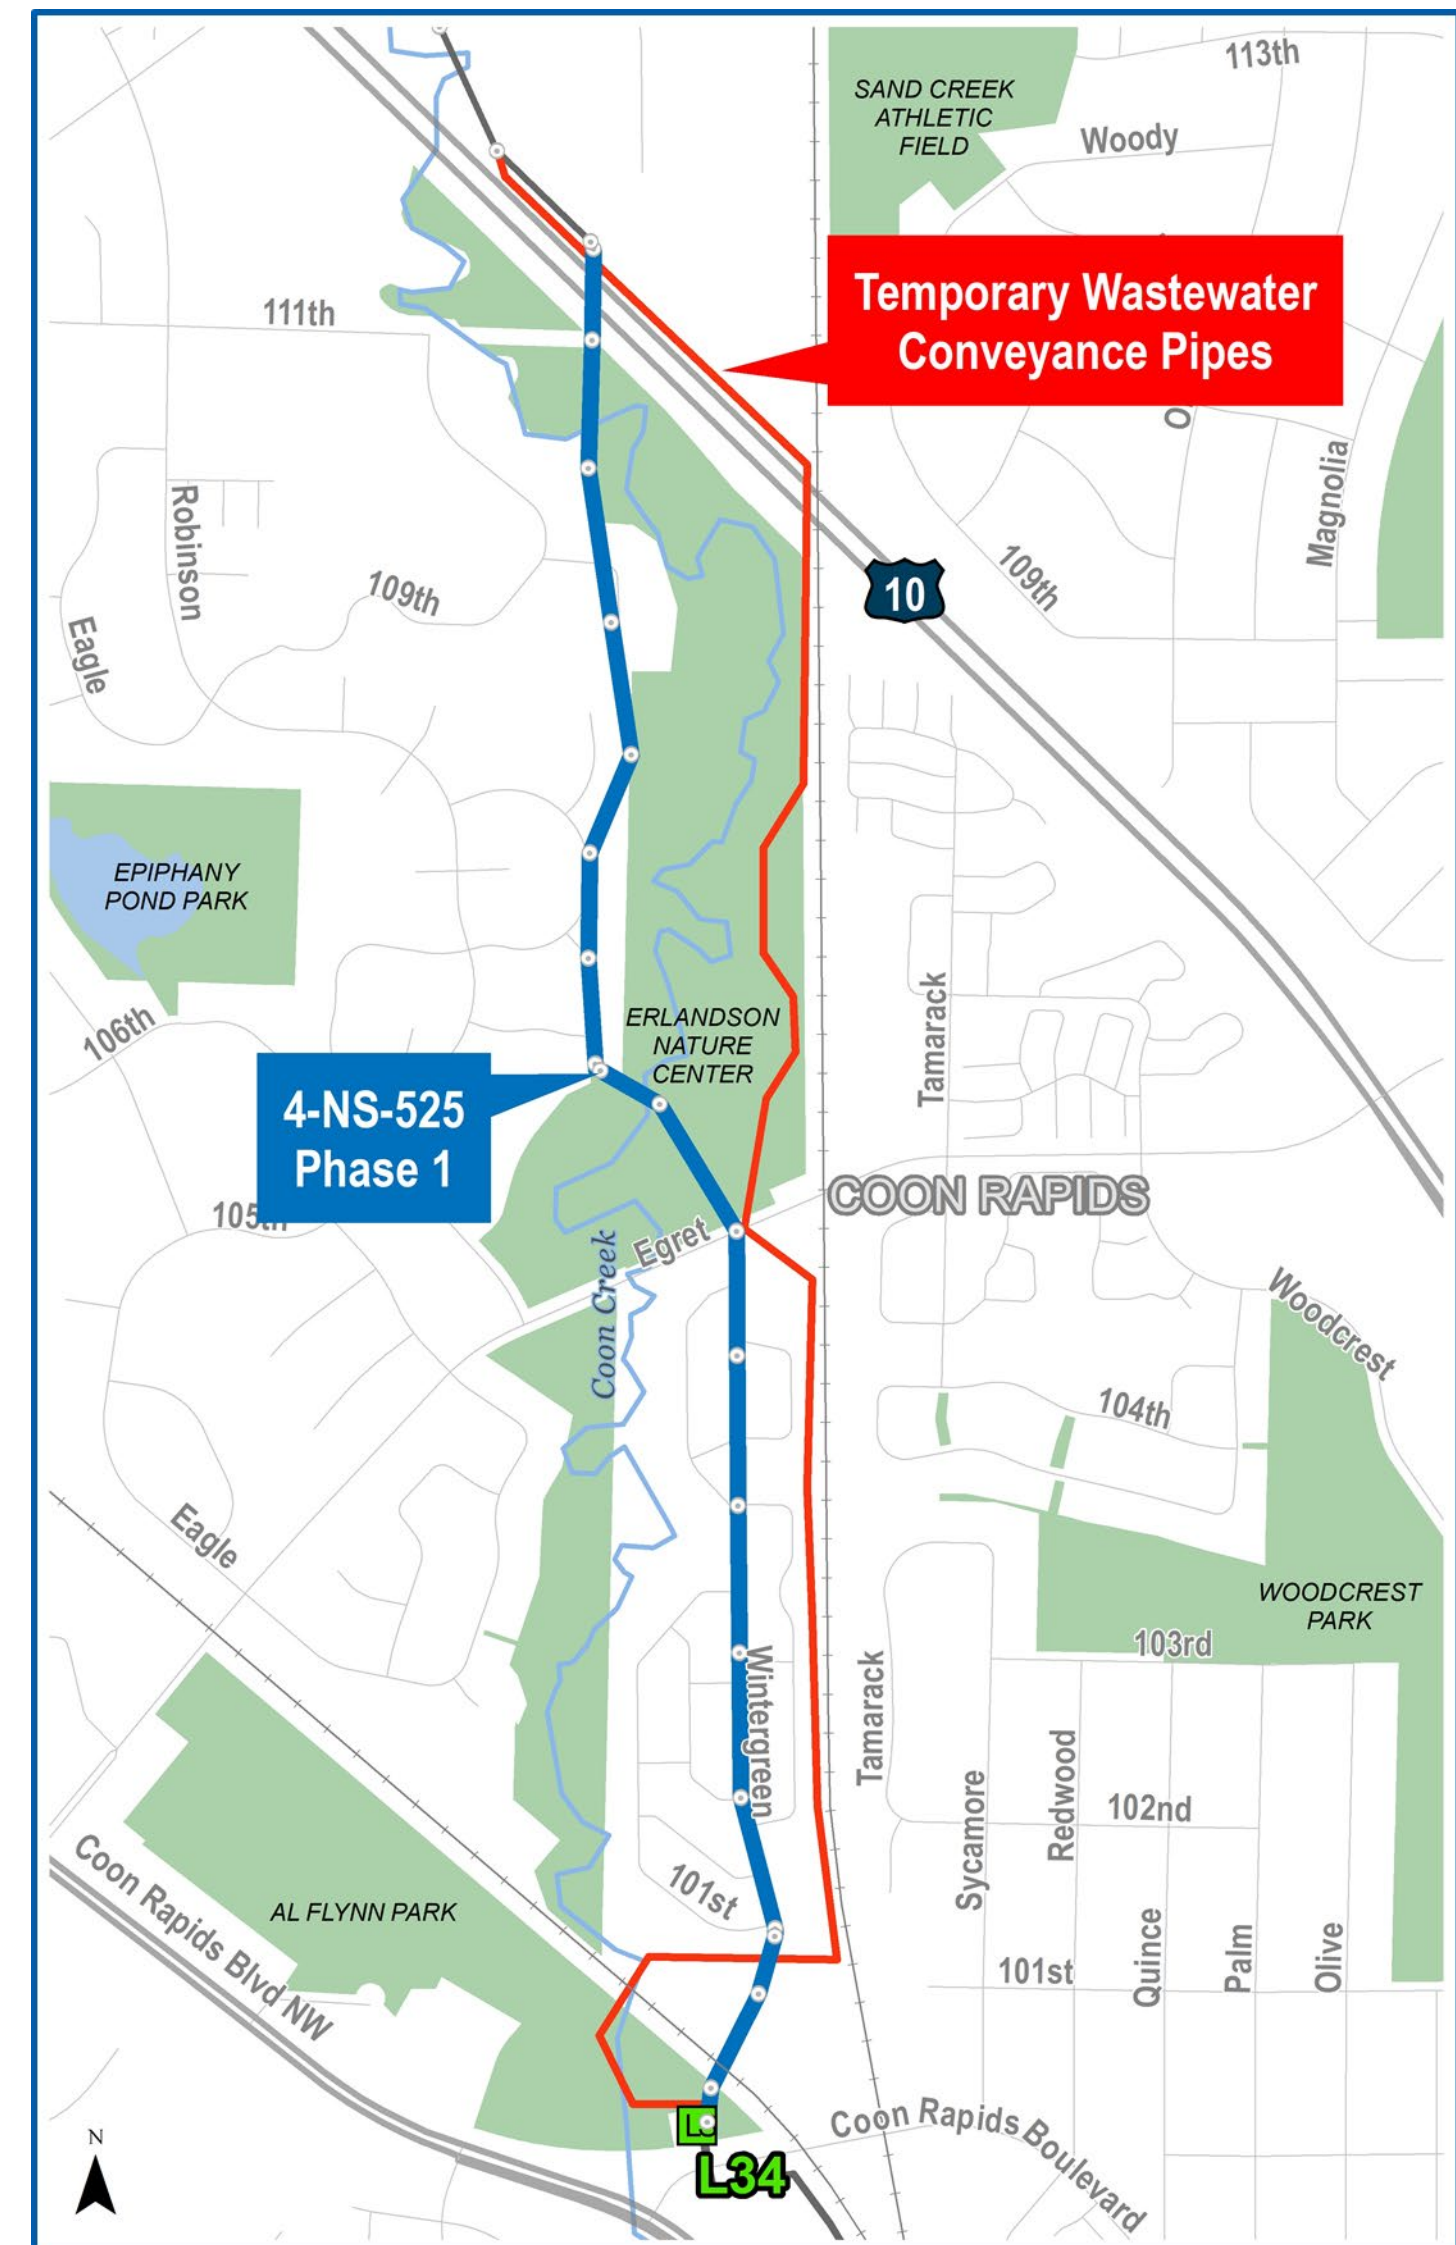

Tim Wedin, Assistant Manager, Interceptor Engineering

Environment Committee: March 23, 2021

Project Background

- Interceptor improvements are required to renew MCES sewers in the City of Coon Rapids
 - Existing facilities show corrosion and deficiencies
 - Project will restore the integrity of the system
 - Project will protect the environment and public health.
- Land acquisition is necessary to implement the proposed interceptor improvements

Temporary Easements

Temporary easements are required from approximately eight properties in residential and commercial areas. Acquisition will be completed through negotiations, and if necessary, condemnation.

Proposed Action

That the Metropolitan Council pass Resolution 2021-12 authorizing the acquisition of temporary easements for the Coon Rapids Interceptor Rehabilitation project and staff to initiate condemnation proceedings.
