

Business Item 2021-323: Interceptor 1-MN-320 Improvements Land Acquisition

Tim Wedin, Assistant Manager, Interceptor Engineering

Environment Committee: November 9, 2021

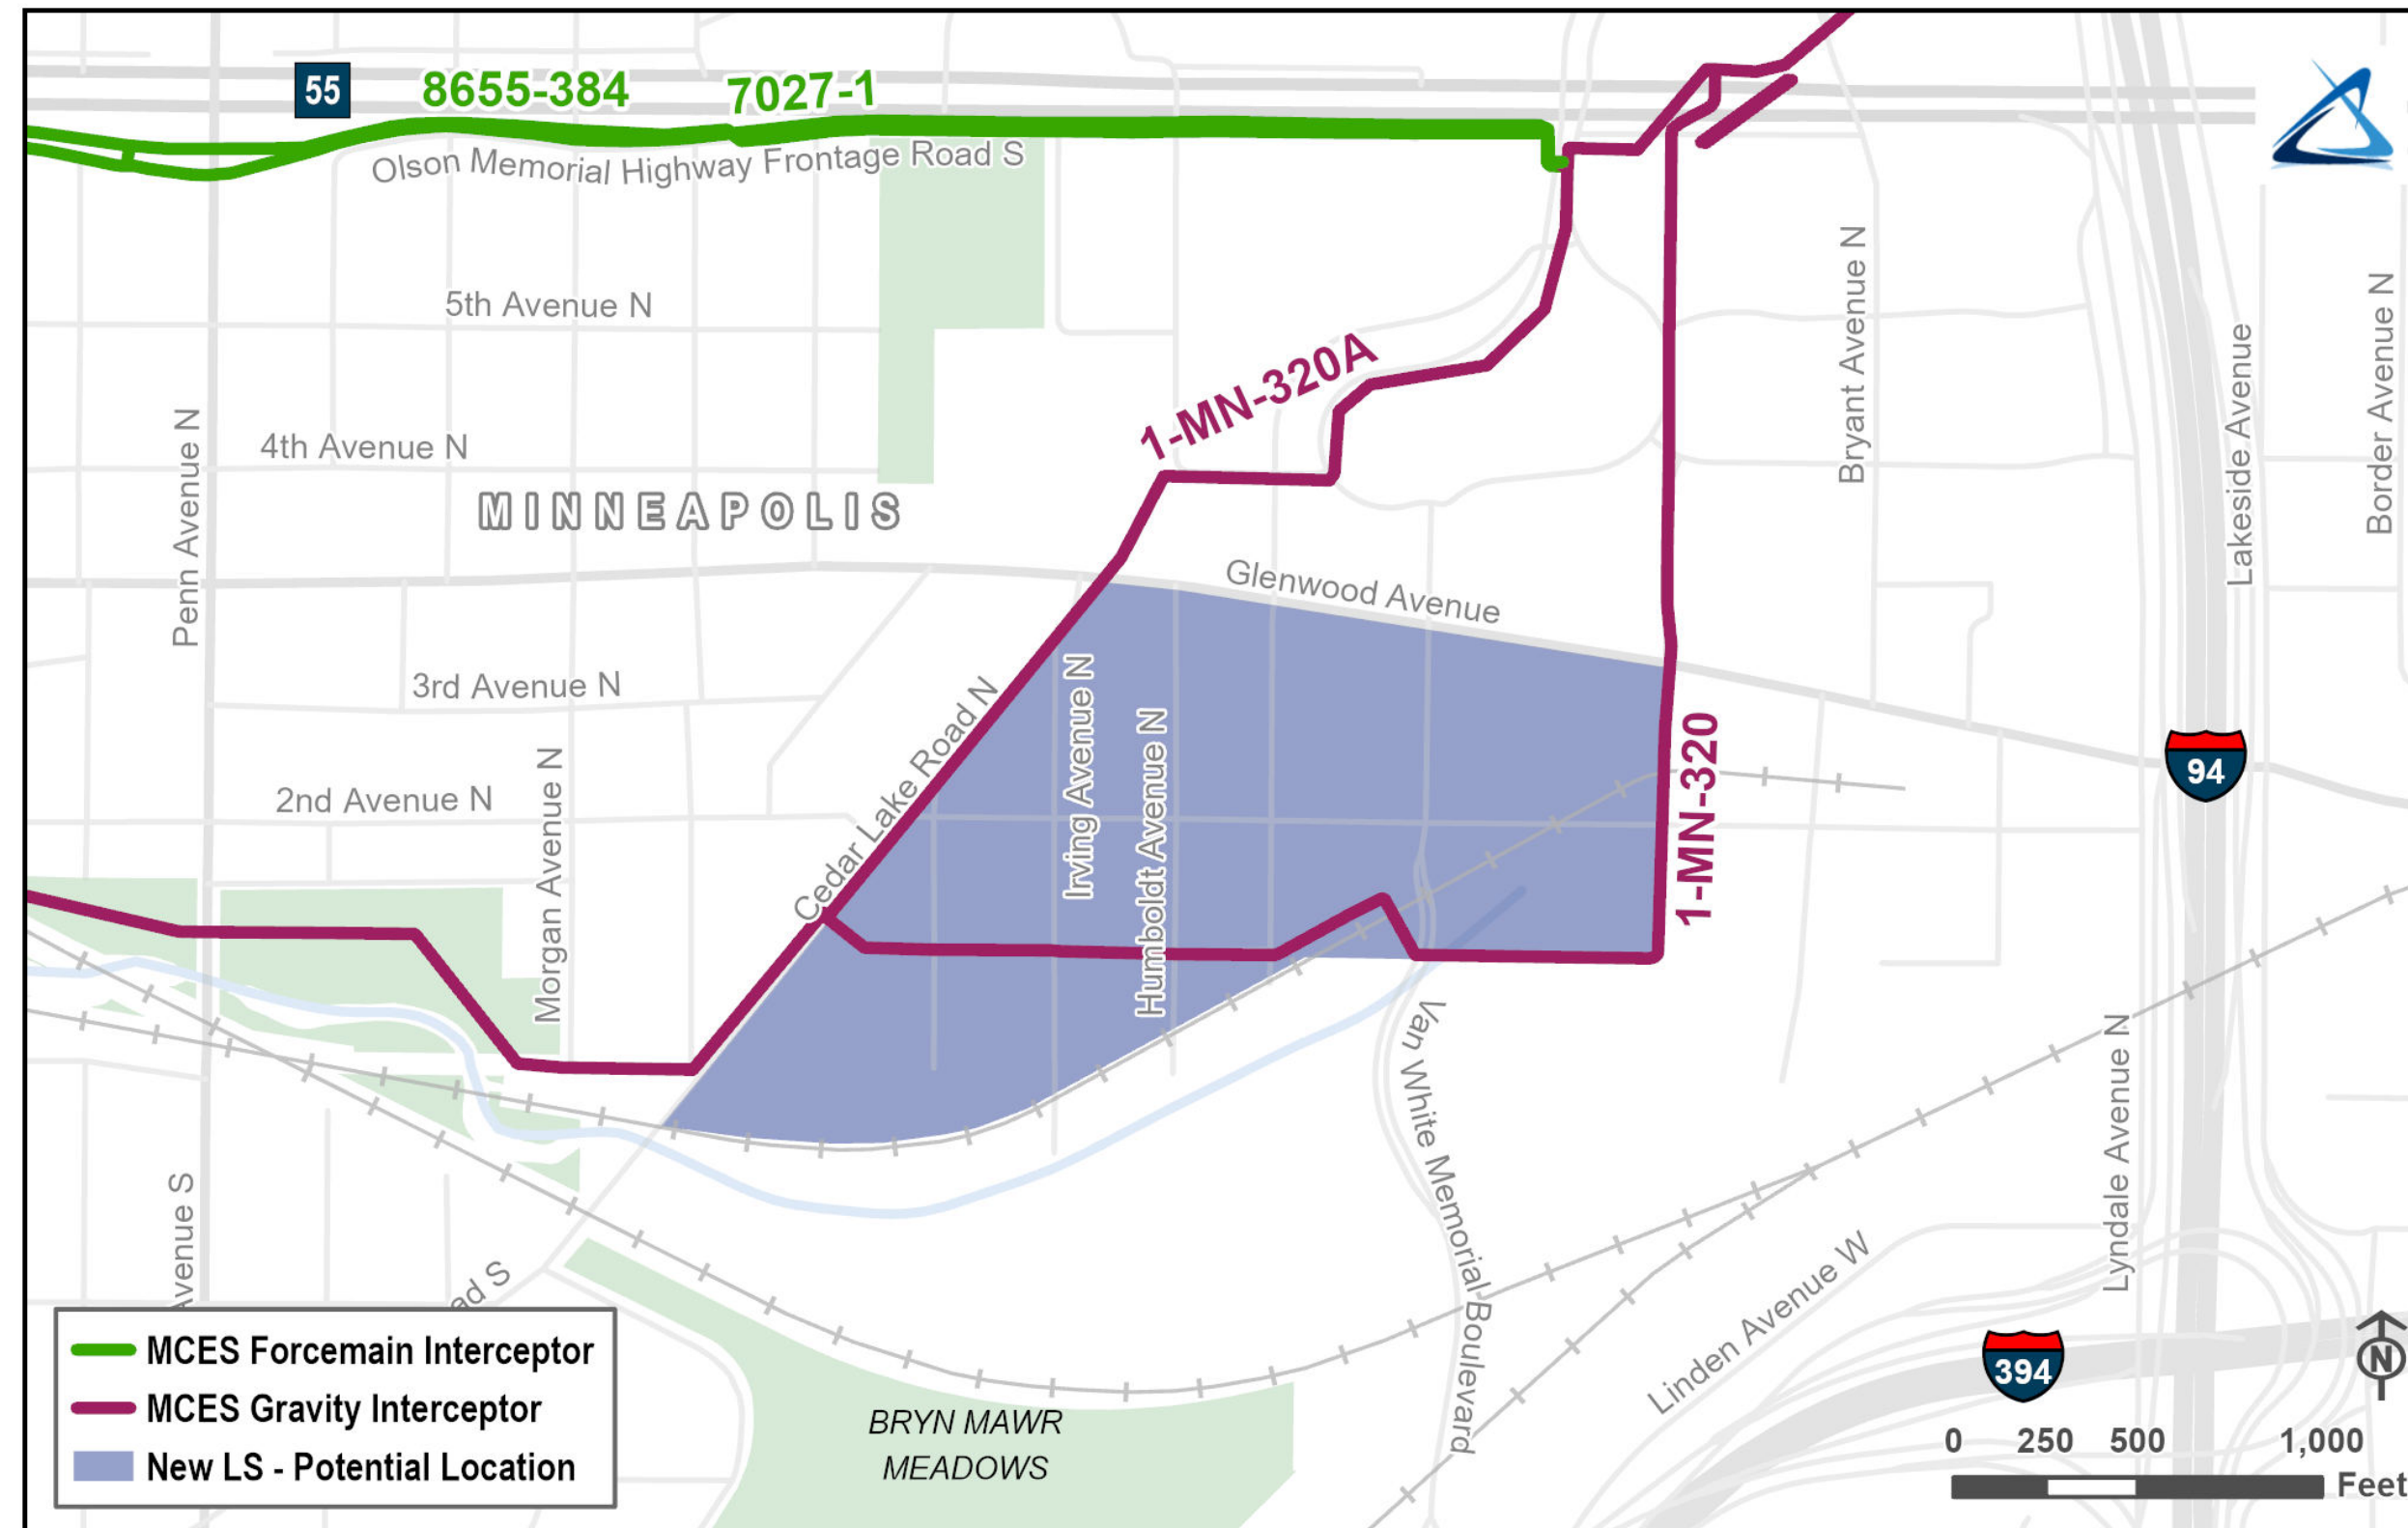

Project Background

- Improvements to 1-MN-320 located in Minneapolis are required to address poor hydraulics, prevent future failures, ensure system reliability and protect adjacent infrastructure and water bodies.
- Land acquisition is necessary to implement the proposed improvements, which includes new pipe and a lift station.

Land Acquisition

A search for a suitable property will focus on the purple highlighted area.

Proposed Action

That the Metropolitan Council adopts Resolution 2021-40 authorizing the acquisition and condemnation of real property for Interceptor 1-MN-320 Improvements, MCES Project No. 809205.
