

**Business Item 2021-324:**  
**Land Acquisition for 8567 Forcemain  
Replacement at Channel Crossings  
Project No 802863**

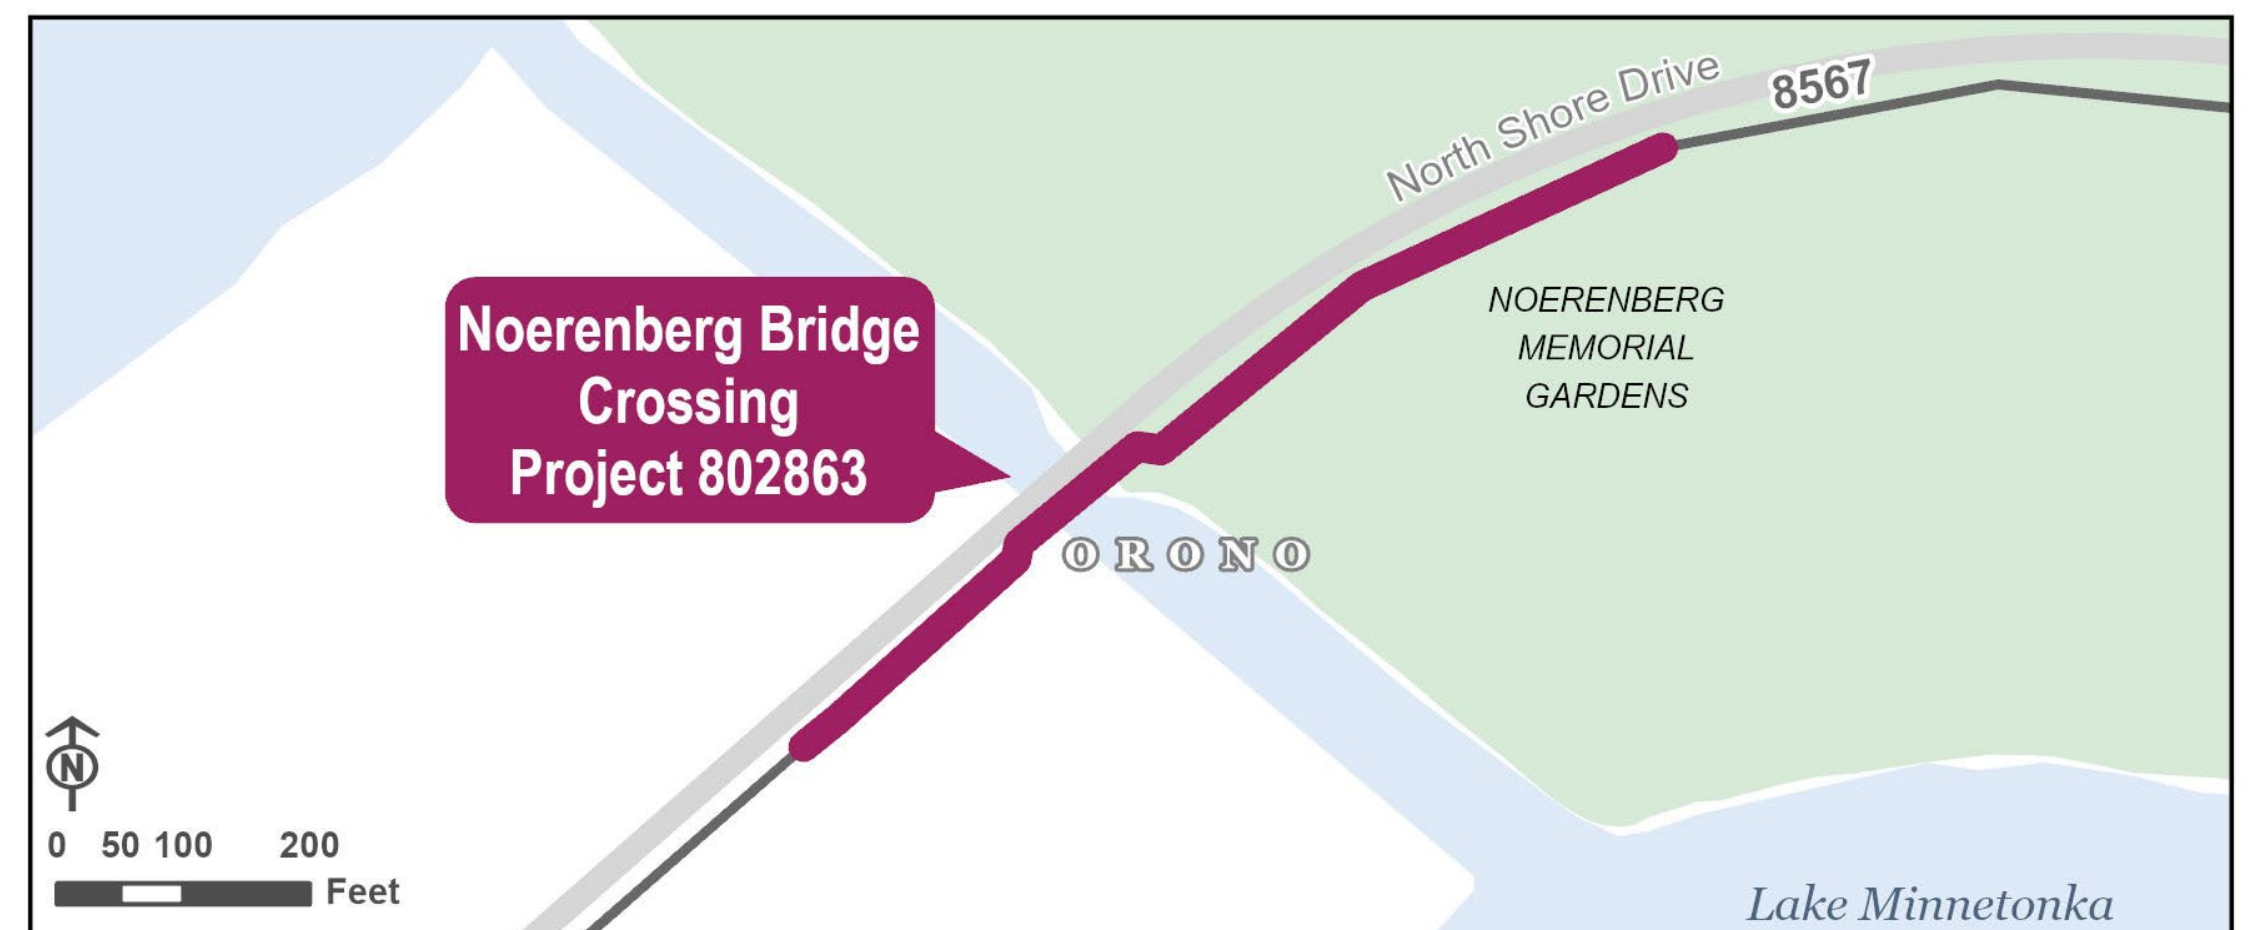

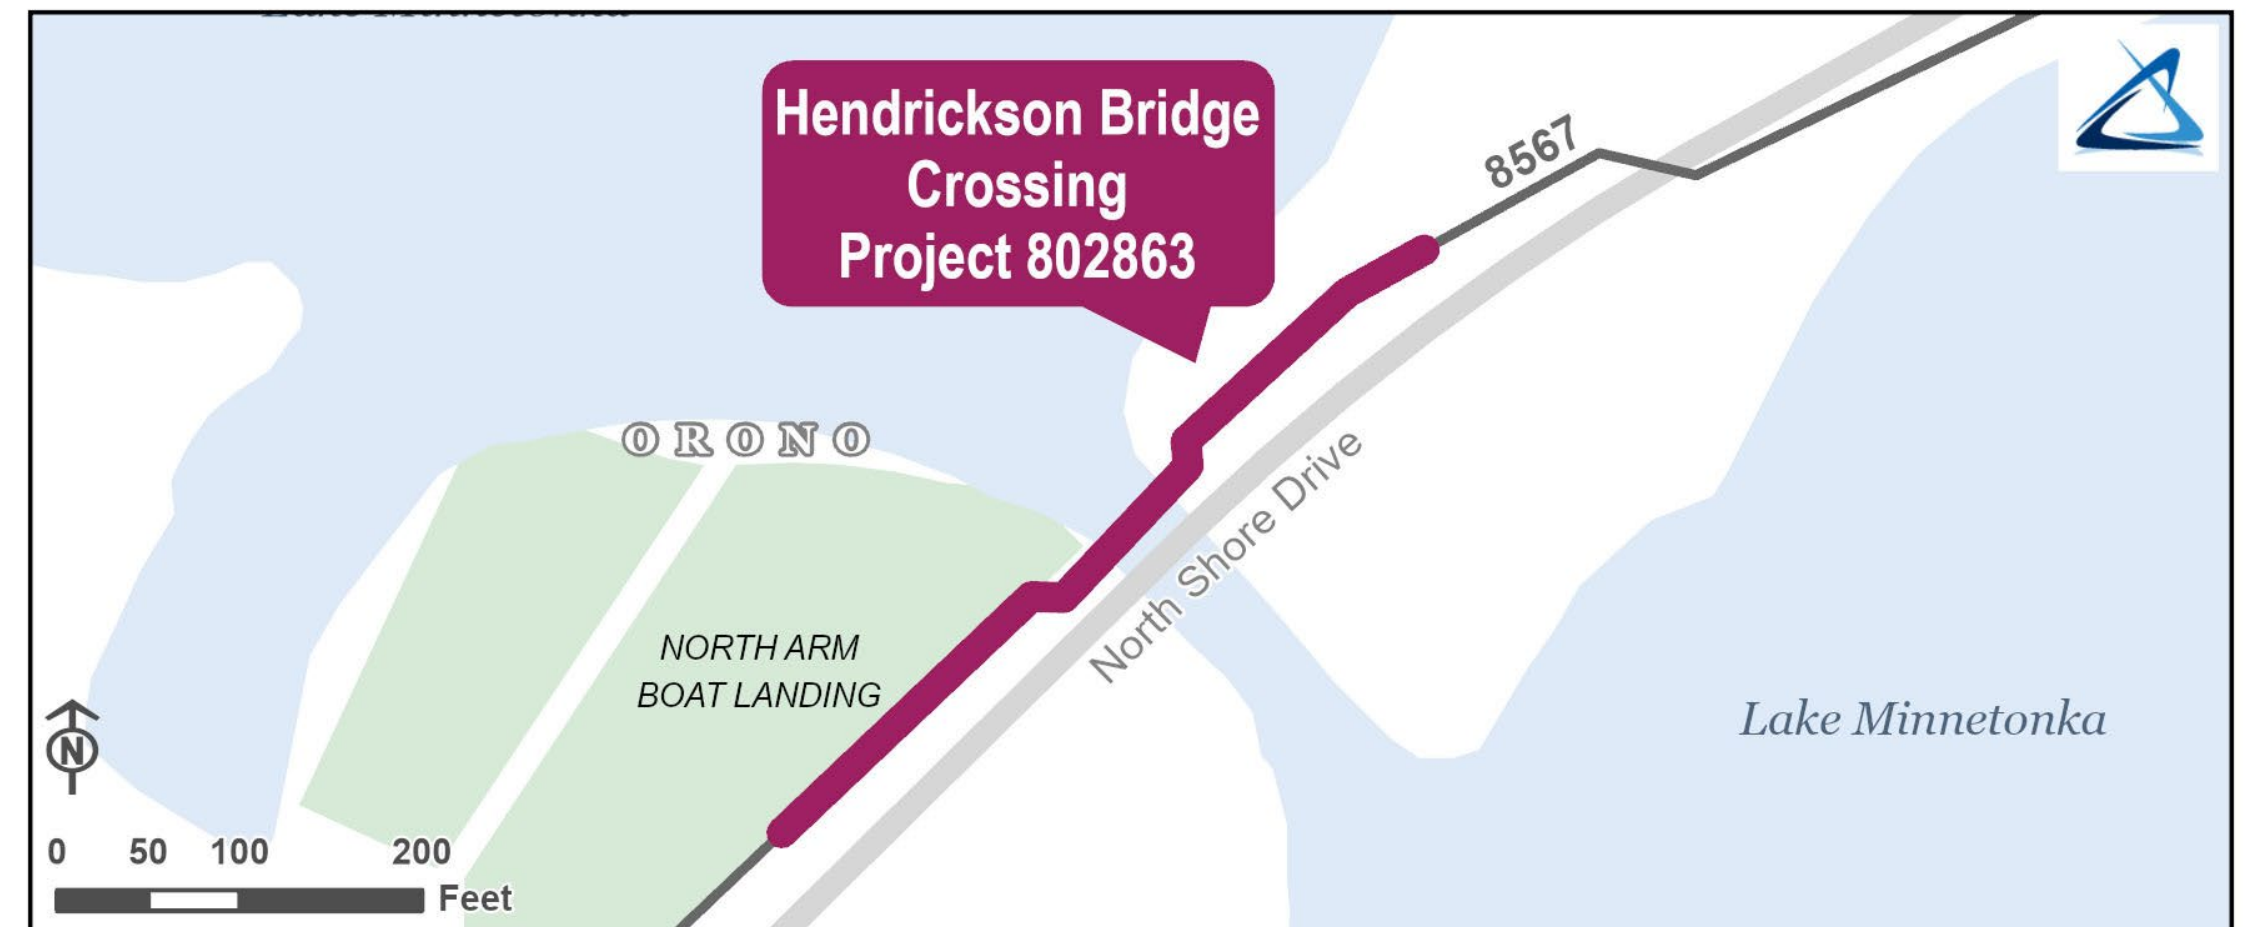

Chris Remus, Assistant Manager, Interceptor Engineering

Environment Committee: November 9, 2021

# Project Background

- Hennepin County is replacing Hendrickson and Noerenberg Bridges along CR 51 in 2022
  - The existing 8567 forcemains are suspended from each bridge and must be removed
- The replacement forcemains will be relocated under the Lake Minnetonka channels before Hennepin County removes and replaces the bridges
- New easement rights are necessary to accommodate the relocated forcemains under each channel.

# Permanent Easements

- Permanent easements are required for 3 properties including residential and public lands.

# Proposed Action

That the Metropolitan Council pass Resolution 2021-41 authorizing the acquisition of permanent easements for the 8567 Forcemain Replacement at Channel Crossings, Project No. 802863 and to initiate condemnation proceedings if direct purchase efforts are unsuccessful.
