

Business Item 2022-167:

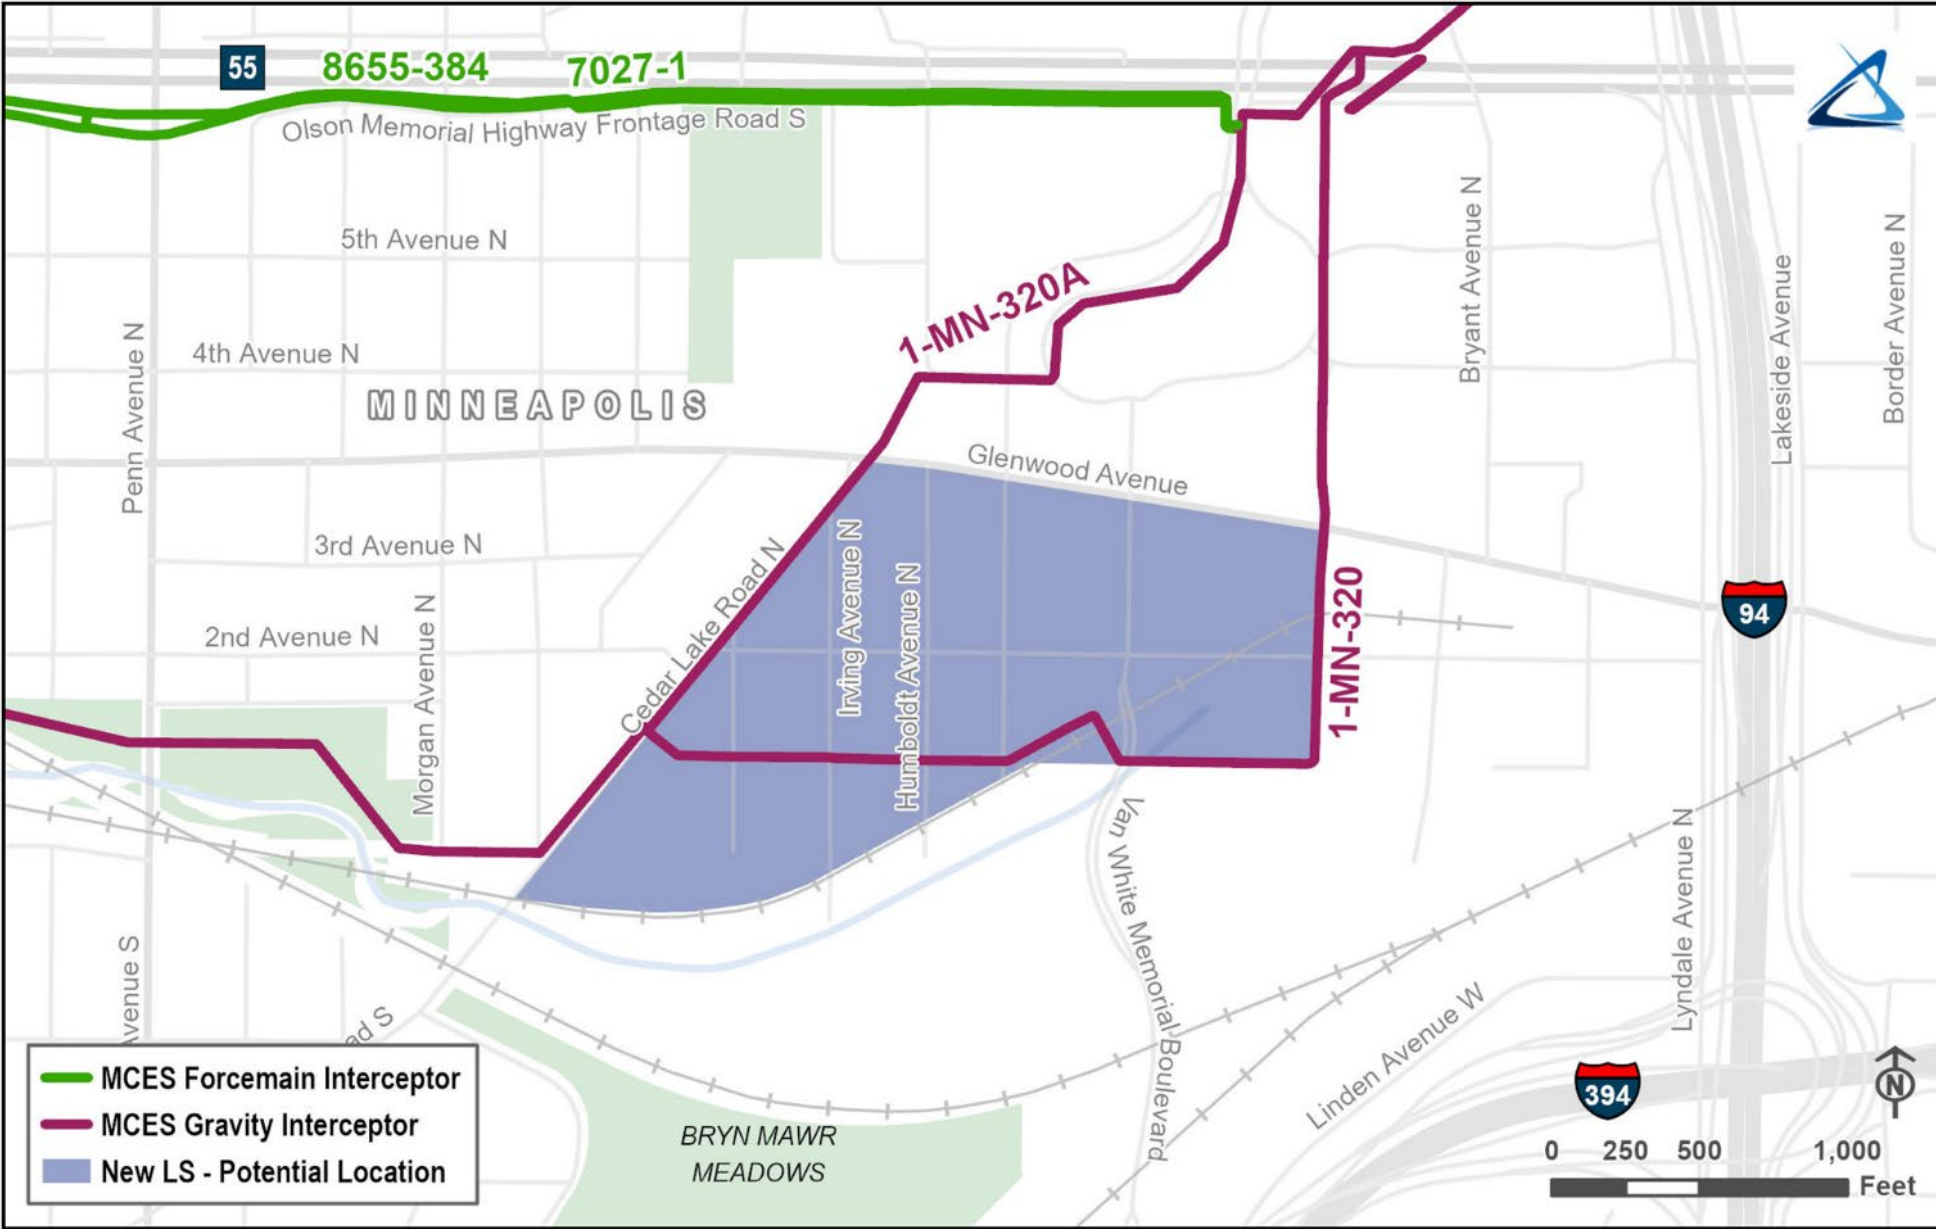

Authorization to Hold a Public Hearing on the Draft Facility Plan for the 1-MN-320 Reconstruction Project, MCES Project No. 809205

Environment Committee: June 14, 2022

Tim Wedin

Project Location

1-MN-320 History and Condition

- Constructed in 1889 as a combined sewer.
 - 86-inch brick and stone arch pipe.
 - Supported on wood piles.
- Improvements required to address interceptor condition.
 - Eliminate failing pipe.
 - Address flat pipe grades that allow debris to accumulate.
 - Improve flow and odor conditions through the project area.

Additional Outreach

- Meetings in early 2022 to discuss reconstruction options with the City of Minneapolis.
- Open House – August 2022
- Public Hearing – October 2022
- Council Adoption – December 2022
- Submittal to MPCA – February 2023

Proposed Action

That the Metropolitan Council authorize a public hearing in October 2022 to gather input on the draft facility plan for the 1-MN-320 reconstruction project, MCES Project No. 809205.
