

# Business Item 2024-54

Master Contracts for Engineering Services: Electrical & Steam Turbine Generator – Rejection of Proposals

Environment Committee: February 27, 2024

Craig Edlund

# Solicitation Summary

- Request for Proposals issued July 6, 2023
- Disadvantaged Business Enterprise (DBE) goal of 0%
- Three proposals were received on September 12, 2023

# Evaluation Summary

- The evaluation panel followed the Brooks Act process and selected proposers based on best value to the Council.
- The negotiation panel found that the proposed prices were fair and reasonable.
- Omission of the DBE goal was discovered during the business item review.
- Due to this discovery, MCES recommends that all proposals for this contract be rejected.

# Proposed Action

That the Metropolitan Council authorize the Regional Administrator to reject all proposals for contract 23P048.
