

Business Item 2025-211

Intergovernmental Agreement with the City of Rosemount,
Contract 25I084

Environment Committee: October 28, 2025

Chad Davison

Scope of Improvements

-
- Technical drawing showing a cross-section of a vertical structure, likely a riser or shaft. The drawing includes the following labels and components:
- TOP SLAB
 - ALUMINUM LADDER (ON WE SIDE OF STRUCTURE) SHOWN OUT OF SECTION FOR CLARITY
 - 60" ϕ PVC LINED PRECAST CONCRETE RISER SECTION
 - 60" ϕ PVC LINED PRECAST SLAB FOR INTERMEDIATE 130" ϕ OPENING FOR LADDER
 - ALUMINUM LADDER
 - PLACE 64" ϕ # 6 HOOPS TOP AND BOTTOM
- The drawing illustrates the internal structure, including the ladder, concrete sections, and reinforcement details. Dimensions and material specifications are provided for the various components.

Proposed Action

That the Metropolitan Council authorizes the Regional Administrator to execute an interagency agreement #25I084 for a cooperative construction project with the city of Rosemount for an amount not to exceed \$700,000.
