

Equity Advisory Committee (EAC) End of the Year Discussion

Discussion Questions

How has your understanding of equity evolved throughout the year?

What were the most impactful presentations or discussions on equity that we had this year?

**How can we better engage and involve your community in our equity efforts?
In addition, who is missing from the table?**

Are there any specific recommendations or actions you would like to propose based on what we have learned about equity this year?

Equity Advisory Committee (EAC)
We Thank You
