

DATE: September 9, 2014
TO: Land Use Advisory Committee
FROM: Angela R. Torres, AICP
SUBJECT: Local Planning Handbook Update

As mentioned when we visited the Committee in July, the Local Planning Handbook project team is committed to regular updates to the Committee and asking for feedback at critical points along the way. The Handbook's website is currently under development and although this is in the **very preliminary stages** of development, it would be useful to provide a demonstration of the site as it is now and seek feedback from committee members.

We will be demonstrating a few key pages, some of which are only in mockup stage at this point. The demonstration will include:

- Plan Elements and Land Use
- Individual Community Page
- Community Highlights
