

WATER MANAGEMENT TOOLS: GOING BEYOND THE COMPREHENSIVE PLAN

When: Tuesday, September 12, 2017 | 8:30 AM - 12:30 PM
Where: Mississippi Watershed Management Organization (WMO) Office
2522 Marshall Street NE, Minneapolis, MN

PURPOSE:

To provide local leaders (planners and utility staff) with resources they can use to go above and beyond their minimum comprehensive plan requirements to implement sustainable water resources strategies in their communities.

DESIRED OUTCOMES:

1. Local expertise is shared across the region, supporting new and stronger relationships
2. Attendees leave with useful resources to help them achieve multiple water benefits
3. Attendees are empowered to act as leaders on integrated water
