

Land Use Advisory Committee

Meeting date: September 19, 2019

Subject: Equity in *Thrive MSP 2040*

District(s), Member(s): ALL

Policy/Legal Reference: Minn. Stat. § 473.145; *Thrive MSP 2040*

Staff Prepared/Presented: LisaBeth Barajas, Community Development Director (651-602-1895)

Division/Department: Community Development

Proposed Action

None. Information only.

Background

In the development of *Thrive MSP 2040* (Thrive), the Metropolitan Council identified five outcomes around which to orient the comprehensive development guide for the region: stewardship, prosperity, equity, livability, and sustainability. At the Committee's meeting, Council staff will provide background on the data and analysis that informed the conversation around equity, discuss how Thrive defines equity, and provide an overview of the Council commitments identified in Thrive to promote equity in the region.
