

Land Use Advisory Committee

Meeting date: January 16, 2020

Subject: Typology of Neighborhood Change – Resource library

District(s), Member(s): ALL

Policy/Legal Reference: Minn. Stat. § 473.145; *Thrive MSP 2040*

Staff Prepared/Presented: Jake Reilly, Senior Planner, Local Planning Assistance (651-602-1822)

Division/Department: Community Development

Proposed Action

None. Discussion item only.

Background

At the November 21, 2019 Land Use Advisory Committee meeting, Council staff presented work associated with [Typologies of Neighborhood Change](#) and asked for feedback regarding ground-truthing of the analysis. Following a brief recap of the research, Council staff will facilitate a discussion of tools and resources that might be helpful to communities in the region who are looking for tools to manage change in their neighborhoods, including showing a draft of what has been compiled.
