Management Committee

Meeting date: March 11, 2015

For the Metropolitan Council meeting of March 25, 2015

Subject: Authorization to Amend the 2015 Unified Budget

District(s), Member(s): All

Policy/Legal Reference: MN Statutes Section 473.13, Subd. 1

Staff Prepared/Presented: Paul Conery, Director of Budget/Operations (651-602-1374)

Division/Department: All

Proposed Action

That the Metropolitan Council authorize the amendment of the 2015 Unified Budget as indicated and in accordance with the attached tables.

Background

During the first quarter of each year, Council staff request changes to the Unified Budget adopted by the Council the previous December. These carry forward items were authorized and initiated in the 2014 budget but not completely expended in 2014, with unexpended funding credited to reserves at the end of the year. Community Development, Transportation and Regional Administration all have operating budget carry forward requests.

Transportation has a current year operating budget request that cannot wait until the first quarter amendment is adopted by the Council on April 22.

Transportation is also requesting new authorization in the authorized capital program that cannot wait until the first quarter amendment is adopted by the Council on April 22.

The Community Development Committee reviewed and approved the Community Development Division amendment request on February 11. The Transportation Committee will review their amendments on March 9.

Operating Component of Unified Budget

Carry Forward Requests:

The following carry forward requests totaling \$2,234,000 are being made by Council Divisions:

Regional Administration

Change in Expenditures: \$1,807,000; Reserves: (\$1,807,000)

- ▶ \$307,000 is requested from Information Services to provide budget authority to complete the Audio Visual System upgrade project. The project was originally budgeted in 2014 and ended the year with \$307,000 in unexpended budget authority. Funding comes from general fund reserves.
- \$500,000 is requested from Document Management to complete the Enterprise Video Content Management System project. The project was originally budgeted in 2014, but will be implemented in 2015. Costs will be allocated to

- operating divisions through the internal cost allocation plan and funded from operating division reserves.
- > \$1,000,000 is requested from Robert Street Operations to provide replacement windows. The project was originally budgeted in 2014, but implementation will occur in 2015. Funding comes from Robert Street Building fund reserves.

Community Development

Change in Expenditures: \$100,000; Reserves: (\$100,000)

➤ \$100,000 is requested from Metro HRA to complete the housing software upgrade project. The project was originally budgeted in 2014 and ended the year with unexpended budget authority of \$100,000. Funding comes from Metro HRA reserves.

Transportation

Change in Expenditures: \$327,000; Reserves: (\$327,000)

➤ \$327,000 is requested from Metro Transit for transit oriented development and joint development projects. The project was originally budgeted in 2014 and ended the year with \$327,000 in unexpended budget authority. Funding comes from Metro Transit reserves.

Year-end 2014 reserves were higher than they otherwise would have been due to these unexpended projects. This amendment uses those available reserves to fund these 2015 expenditures and will not cause reserves to fall below Council target reserve levels.

Current Year Requests:

In addition to the carry forward requests, Metropolitan Transportation Services is requesting a budget amendment that will add additional budget authority in 2015.

<u>Transportation</u>

Change in Expenditures: \$545,000; Revenues: \$270,000; Reserves: (\$275,000)

\$545,000 is requested from Metropolitan Transportation Services to pass-through Congestion Mitigation and Air Quality (CMAQ) federal formula operating funds to Minnesota Valley Transit Authority and MVST in lieu of CMAQ to the City of Carver. Budgeted revenues in the adopted 2015 budget included \$275,000 in revenues, but the corresponding expenses were not included in the adopted operating budget.

Capital Component of Unified Budget

Carry Forward Requests: None

Current Year Requests:

Transportation has a number of amendments that are time sensitive and cannot wait until the first quarter amendment adopted by the Council on April 22.

Transportation

Change in Authorized Capital Program (ACP): \$74,468,000

Additions: \$74,492,000

Deletions: \$24,000

Change in Capital Improvement Plan (CIP): (\$71,507,000)

Change in 2015 Capital Budget: \$74,492,000

This proposed capital program amendment adds \$74.5 million in authority to existing and new capital projects, funded with \$5.4 million in new federal funding, \$66.6 million in Counties Transportation Improvements Board funding, \$1.8 million in funding from the City of Bloomington and \$0.5 million in funding from the Hennepin County Regional Rail Authority. Regional funding is increases by \$0.2 million.

All but four of the proposed capital projects were in the adopted capital improvement program and involve moving the project from the Capital Improvement Plan (planned projects) to the Authorized Capital Program (funded and authorized projects).

The four projects, totaling \$2,985,000, that were not included in the adopted Capital Program are:

- \$521,000 for the Nextfare Fare Collection project funded by the HCRRA,
- \$379,000 for a Transit Security project funded with competitively awarded Federal funds,
- \$1,795,000 for the MOATransit Station project funded by the City of Bloomington and
- \$290,000 for small bus replacements funded with regional funds.

The proposed capital program amendment also moves \$59.1 million of an authorized project and \$206.9 million of planned projects from the Metro Transit Bus Fleet Expansion program to the Bus Fleet Replacement program. The project was included in the wrong grouping of projects in the adopted capital program. There is no change in total authorizations and total planned expenses due to this amendment.

Rationale

The proposed amendments program available federal, state, local and regional funds to the Unified Budget to allow the Council to carry out its work plan and its long-term capital program.

Funding

The operating budget amendment is funded with available reserves.

The capital amendment is funded with new federal and local funding. The following table summarizes the regional transit bonding authority committed to authorized projects. The remaining authority is will be committed to planned projects in future amendments.

	Metro Transit	Metro. Transp. Serv.	Total

Capital - Attachment #1

Community Development Committee

Meeting date: February 17, 2015

For the Management Committee meeting of February 25, 2015

For the Metropolitan Council meeting of March 11, 2015

Subject: Authorization to Amend the 2015 Unified Budget—Carry-Forward Amendment

District(s), Member(s): All

Policy/Legal Reference: MN Statutes 473.13, Subd. 1

Staff Prepared/Presented: Jennifer Keogh, HRA Assistant Manager (651-602-1584)

Division/Department: Community Development/HRA

Proposed Action

That the Metropolitan Council authorize the amendment of the 2015 Unified Operating Budget Program as indicated and in accordance with this memorandum.

Background

During the first quarter of each year, staff requests changes to the Unified Operating and Capital Budgets adopted by the Council the previous December. Requests are to continue or complete projects initiated in the previous year. This amendment carries forward the previously budgeted expenses from the 2014 Unified Budget to the 2015 Unified Budget. This request will also be presented to the Management Committee on February 25, 2015 as part of a consolidated request.

Operating Budget (Carry Forward)

The proposed operating budget carry forward request is:

Housing and Redevelopment Authority (HRA) Amendment

This budget amendment requests carry forward of \$100,000 for the payment of a new housing software package. The Council's HRA purchased a new software system to increase efficiencies in the administration of the Section 8 and other rental assistance programs. The \$200,000 budget was approved in 2014 and the software was implemented at the end of 2014. However, invoices finalizing payment will carry forward into 2015.

Rationale

Staff is recommending this amendment to the 2015 Unified Budget to process invoices from work performed in 2014.

Funding

The funding for the Section 8 Housing Choice Voucher program is provided through the U.S. Department of Housing and Urban Development. The proposed expenditure is an approved use of funds and a Council-approved budgeted expenditure from 2014.

Known Support / Opposition

No known support or opposition for the operating budget amendment.

Transportation Committee

Meeting date: March 9, 2015

For the Metropolitan Council meeting of March 25, 2015

Subject: Authorization to Amend the 2015 Unified Budget – Carry Forward Amendment

District(s), Member(s): All

Policy/Legal Reference: 2015 Unified Budget; Mn Statutes Section 473.13, Subd. 1 – Council Budget Requirements

Staff Prepared/Presented: Arlene McCarthy, Director, MTS 651-602-1754; Brian J. Lamb, General Manager, Metro Transit 612-349-7510; Heather Aagesen-Huebner, Manager of Administration, MTS 651-602-1728; Sean Pfeiffer, Principal Financial Analyst, MTS 651-602-1887; Edwin D. Petrie, Director of Finance, Metro Transit 612-349-7624

Division/Department: Transportation / Metro Transit and Metropolitan Transportation Services

Proposed Action

That the Metropolitan Council amend the 2015 Unified Budget – Capital Program (annual appropriation) and Authorized Capital Program (multi-year authorization) as indicated and in accordance with the Capital – Attachment #1 (Program Level), and;

That the Metropolitan Council amend the 2015 Unified Budget – Operating Budget as indicated and in accordance with the Operating – Attachment #2.

Background

Capital – Attachment #3 (Project Detail) is included for reference and informational purposes only.

Capital Program:

Metro Transit

The proposed capital program amendment moves \$59.1 million of an authorized project from the Metro Transit Bus Fleet Expansion program to the Bus Fleet Replacement program. The project was included in the wrong grouping of projects in the adopted capital program. There is no change in the total authorizations and total planned expenses due to this amendment.

Closing Projects/Reallocate Authorized Funding:

135 BRT Stations and 82nd & 98th Streets - Project #62011 35 W Orange Line - Project #62405

This amendment will reallocate (\$200,000) in RTC funding in project #62011 and increase \$200,000 in RTC funding into Project 62405 for

project development activities. These projects are identified in the Capital Improvement Plan (CIP).

Bottineau LRT - Project #69304- Close

This amendment will remove this project from the multiyear authorization. This project was closed in Business Item 2014-216 and was inadvertently included into Table G-1 for the 2015-2020 CIP. This project is not identified in the Capital Improvement Plan (CIP).

Reduce Authorized Funding: None

Increase Authorized Funding/Authorize New Projects:

Southwest LRT - Project #61001

This amendment recognizes 2015 Capital Grant of \$63,604,736 from the Counties Transit Improvement Board (CTIB) for project development and engineering phase activities including, but not limited to engineering, design and environmental processes. This amount increases CTIB's funding for Southwest Light Rail Transit (SWLRT) to \$109,553,857 toward its commitment of 30% to the overall SWLRT project budget. This project is identified in the Capital Improvement Plan (CIP).

Arterial Bus Rapid Transit – A Line – Project #61217

This amendment provides \$1,399,246 in Federal CMAQ Funds and \$349,812 in RTC funds to provide funding for fare collection equipment and transit signal priority work on the A line. This project is identified in the Capital Improvement Plan (CIP).

Mall of America Transit Station - Project #62317

This amendment recognizes \$1,795,300 received in City of Bloomington funds from the conveyance of an easement at 8101 28th Avenue South, Bloomington for the final design of the Mall of America Transit Station. This project is identified in the Capital Improvement Plan (CIP).

35W BRT Orange Line -Project #62405

This amendment provides 2015 CTIB Funds of \$3,000,000 for environmental, engineering, design and staff costs for the Orange Line. This project is identified in the Capital Improvement Plan (CIP).

Support Equipment and Non Revenue Vehicles -Project #65790

This amendment provides \$1,272,618 in RTC funds for non-revenue vehicles and support equipment. This project is identified in the Capital Improvement Plan (CIP).

Nextfare Fare Collection Upgrade Systems - Project #67211

This amendment will recognize \$520,605 in Other Funding received from HCRRA for costs associated with this Nextfare fare collection upgrade for METRO Green Line. This project is identified in the Capital Improvement Plan (CIP).

2014 Transit Security Grant - NEW

This amendment provides new competitively awarded Federal FEMA/DHS funds of \$379,230 to complete regional emergency management drills, exercises and training. This project is not identified in the Capital Improvement Plan (CIP).

Metropolitan Transportation Services

FLEET MODERNIZATION - Big Bus Preservation

2016 - Maple Grove - Artics (11) - Replacement - Project #35960

This amendment authorizes an additional \$1,140,000 in federal and RTC funds to purchase 11 articulated buses for the City of Maple Grove. These vehicles have reached the end of their useful lives and are eligible for replacement. This project is identified in the CIP.

FLEET MODERNIZATION - Big Bus Expansion

2015 - Maple Grove - Artics (4) - Expansion - Project #35953 2016 - Plymouth - Forty Foot (1) - Expansion - Project #35954

This amendment authorizes \$2,723,200 of recently awarded Congestion Mitigation and Air Quality (CMAQ) federal formula funds to supplant existing RTC in these fleet projects. The supplanted RTC funds will be used to carry out the Transportation Division's capital budget and plan. Maple Grove and Plymouth staff have evaluated their current service levels and determined that additional vehicles are needed to meet peak demand service. Both Maple Grove and Plymouth have operating funds within their base MVST to provide expansion services. These projects are identified in the CIP.

FLEET MODERNIZATION - Small Bus Preservation

2015 - SWT - Small Bus (1) - Replacement - Project #35981 (New) 2015 - SWT - Thirty Foot/Trolley (1) - Replacement - Project #35982 (New)

This amendment authorizes \$530,000 of RTC funds to purchase a small cutaway and thirty foot bus to replace existing vehicles. These vehicles have reached the end of their useful lives and are eligible for replacement. These projects are identified in the CIP.

<u>FLEET MODERNIZATION – Repairs, Equipment and Technology - Preservation</u> Fare Collection Equipment – Project #35789

This amendment authorizes an additional \$500,000 of RTC funds to purchase and install regional onboard fare collection equipment. This project is identified in the CIP.

Change to Current Year Expenditures

Based on projected expenditures for the proposed amendments, the 2015 capital budget is proposed to be increased by \$72,321,547 and \$2,170,000 for Metro Transit and MTS, respectively.

Operating Budget:

Background:

Metro Transit

Change in Revenues: \$0; Expenditures: \$327,357; Reserves: \$327,357

This operating amendment authorizes additional funds and expenditures to the Metro Transit Orientated Development division for transit oriented development and joint development activities. The calendar year 2014 transit oriented development operating budget had an unused balance of \$327,357 which will be used for transit oriented development and joint development activities in 2015.

Metropolitan Transportation Services

Change in Revenues: \$270,000; Expenditures: \$545,000; Reserves: \$275,000

This operating amendment authorizes MTS to pass-through Congestion Mitigation and Air Quality (CMAQ) federal formula operating funds to Minnesota Valley Transit Authority and MVST in lieu of CMAQ to the City of Carver. These funds will be used by each subrecipient for a minimum of three years to provide expanded transit service in their areas. MVTA will use \$130,000 and \$140,000 in federal funds to implement expanded BluExpress and Rosemount transit services, respectively. The City of Carver will use \$275,000 of MVST to implement new service. These federal and MVST funds will be matched by each subrecipient using their own base MVST or local funds.

Internal Cost Allocation

Change in Revenues: \$0; Expenditures: \$400,000; Reserves: \$400,000

In addition to the operating budget requests from Metro Transit and Metropolitan Transportation Services, Regional Administration is carrying forward budget authority for an Enterprise Video Content Management System that is funded by operating divisions through the internal cost allocation plan. Metro Transit's share of the funding is \$395,000 and Metropolitan Transportation Services' share of the funding is \$5,000.

Rationale

This amendment is required to authorize additional funding and expenses in the operating budget to carry out transit service operations. It also authorizes closing projects, changes to existing projects, and new projects required to carry out the long-term capital improvement program for transit.

Funding

Capital Program:

This amendment provides \$5,413,676 in federal funds, \$68,920,641 in other funds and 157,230 in RTC funds from the Capital Improvement Plan (CIP) to the Authorized Capital Program (ACP) for transit projects.

Operating Budget:

This amendment provides \$270,000 in CMAQ federal funds and \$602,357 in reserves for transit oriented development and joint development activities and to subrecipients to implement expanded transit service. All subrecipients are providing their own local match for the federal funds they were awarded. This amendment also uses \$400,000 of reserves to implement an Enterprise Video Content Management System. These reserves will be replenished in 2016 through the regional transit operating revenue allocation model.

Known Support / Opposition

No known opposition.
