Meeting date: November 18, 2020
For the Metropolitan Council meeting of December 9, 2020
Subject: 2020 December Operating Budget Amendment
District(s), Member(s): All
Policy/Legal Reference: MN Statutes Section 473.13, Subd. 1
Staff Prepared/Presented: Stewart McMullan, Director of Budget and Operations (651-6021374)

Division/Department: All

## Proposed Action

That the Metropolitan Council amends the 2020 Unified Budget as indicated and in accordance with the attached tables.

## Background

The December operating budget amendment includes an amendment to the operating budget for Community Development, Transportation, and Environmental Services.

These proposed amendments were reviewed and approved by the Transportation Committee on November 9, the Environmental Committee on November 10, the Community Development Committee on November 16, and the Management Committee on November 18, 2020.

## Operating Component of the 2020 Unified Budget

The operating component of the 2020 December Operating Budget Amendment includes requests by Council divisions collectively increasing expenses by $\$ 2.7$ million, increasing revenues $\$ 4.8$ million, and reducing the use of reserves $\$ 2.1$ million.

## Community Development

## Division Management Operating:

Change in Revenues: \$0; Expenditures/Transfers: \$0; Reserves \$0
This amendment recognizes a decrease in Other Expenses $(\$ 1,000,000)$ and an increase in Transfer to Passthrough to transfer \$1,000,000 from Division Management's Operating Budget to the Local Housing Incentives Account Passthrough Budget.

## Passthrough Budget

## Livable Communities Passthrough:

Change in Revenues: $\mathbf{\$ 1 , 0 0 0 , 0 0 0 ; ~ E x p e n d i t u r e s / T r a n s f e r s : ~} \mathbf{\$ 0}$; Reserves $\mathbf{\$ 1 , 0 0 0 , 0 0 0}$ This amendment recognizes $\$ 1,000,000$ in Council General Purpose Levy funds, currently programmed in the Community Development Division Operating Budget, for the LHIA Passthrough Budget, and increases expenditure authority by an equal amount. Reserves will be programmed to the annual passthrough expenditure budget, through future budget amendments, as needed to meet annual cashflow needs of authorized grants.

## Metro HRA Passthrough:

Change in Revenues: \$3,117,821; Expenditures/Transfers: \$750,000; Reserves \$2,367,821 This amendment recognizes $\$ 3,117,821$ in new federal CARES Act passthrough revenues for the Metro HRA, increases expenditure authority for housing voucher payments by \$750,000 and increases reserves by $\$ 2,367,821$. The passthrough adjustment to the Metro HRA revenues and expenses will program new federal funds received as a result of the Federal Cares Act to support housing voucher payments. This will bring year end projected reserves for the entire HRA operating and passthrough program to \$13.6M.

## Local Planning Assistance Passthrough:

Change in Revenues: \$0; Expenditures/Transfers: \$350,000; Reserves $\mathbf{( \$ 3 5 0 , 0 0 0 )}$
This amendment recognizes a transfer of $\$ 350,000$ from LPA reserves to the LPA passthrough account and increases expenditures by an equal amount. This will bring year end projected reserves to \$765,000.

## Transportation

NorthStar Commuter Rail
Change in Revenues: (\$1,161,000); Expenditures: (\$2,000,000); Reserves: \$839,000
This amendment adjusts NorthStar Commuter Rail Service from 72 weekday trips to 20 weekday trips in the fall, based on impacts from COVID-19 on commuter rail operations. The adjustment also reduces NorthStar Commuter Rail calendar year operating costs $\$ 2.0 \mathrm{M}$ with a reduction in funding partner contributions of $\$ 1.161$ million.

## Environmental Services

Change in Revenue: $\mathbf{\$ 1 , 8 0 0 , 0 0 0 ; ~ E x p e n d i t u r e s : ~} \mathbf{\$ 3 , 6 0 0 , 0 0 0 ; ~ R e s e r v e s : ~}(\$ 1,800,000)$
The amendment accommodates a reduced Personal Time Off (PTO) use and lower vacancies than planned in 2020, and ongoing repairs needed after a fire damaged the St. Croix Valley odor control room in 2018.

The proposed budget amendment impacts the following areas of the Operations budget: ES-Wide other Revenues by $\$ 1.8$ million, Technical Services Consulting and Contractual Services by $\$ 1.8$ million, and Operations Salaries and Benefits by $\$ 1.8$ million.

## Rationale

The proposed amendment adjusts the 2020 Operating Budget and allows the Council to carry out its transportation and community development work plan and programs.

This amendment will allow the Community Development Division to continue or complete projects initiated in 2020 and programs available General Purpose Levy funds in the Unified Budget to allow the Council to carry out its work plan.

## Thrive Lens Analysis

Stewardship - This budget amendment demonstrates commitment toward asset preservation and also supports the Thrive outcomes of stewardship by assessing the future needs, responsible planning and management of resources for Metro Transit and Metropolitan Transportation Services.

Prosperity - The budget amendment adds funding for the NorthStar Commuter Rail line and reflects strategic investment in regional infrastructure that will promote economic competitiveness and create prosperity for the region

The budget amendment supports the Thrive outcome of Stewardship through responsible planning and management of resources for the Community Development Division

Stewardship: the budget reflects MCES ongoing effort to be good stewards of ratepayer revenue and the metropolitan disposal system by incurring the necessary expenses to ensure regulatory compliance and meeting customer levels of service.

Accountability: the amendment insures transparency into council operations

## Funding

The operating budget amendment have no impact on regional taxpayers beyond those presented in the 2020 Unified Budget.

Funding for the CD operating and passthrough accounts comes from new federal funding and available reserve balances.

The motion proposes that this needed funding come from the Wastewater Operating Contingency Reserve. This amendment will not cause wastewater operating reserves to fall below the 10\% Council policy target balance level.

## Known Support / Opposition

Meeting date: Nov 18, 2020
For the Metropolitan Council meeting of Dec 09, 2020
Subject: Authorization to Amend the 2020 Unified Budget
District(s), Member(s): All
Policy/Legal Reference: Council Admin Policy 3-1 and Procedure 3-1a; MN Statute 473.13-Council Budget Requirements, and 473.517 - Wastewater fees and reserve authority
Staff Prepared/Presented: Ned Smith, 651-602-1162
Division/Department: MCES c/o Leisa Thompson, General Manager (651-602-8101)

## Proposed Action

That the Metropolitan Council authorizes the amendment of the 2020 Unified Budget as indicated by Table B-1 in Attachment A.

## Background

The Environmental Services Division requires an amendment to the 2020 operating budget. This is due to reduced Personal Time Off (PTO) use and lower vacancies than planned in 2020, and ongoing repairs needed after a fire damaged the St. Croix Valley odor control room in 2018.

Due to the fire repairs, Environmental Services will exceed its expense budget by $\$ 1,800,000$, which will be offset by $\$ 1,800,000$ in revenue from our insurance provider. In addition, Environmental Services will exceed its expense budget by $\$ 1,800,000$, due to lower PTO use and lower vacancies than planned in 2020.

## Environmental Services

Change in Expenditures: $\$ 3,600,000$; Revenue: $\$ 1,800,000$; Reserves: $(\$ 1,800,000)$
The proposed budget amendment impacts the following areas of the Operations budget:
ES-Wide other Revenues by $\$ 1,800,000$ from $\$ 0$ to $\$ 1,800,000$
Technical Services Consulting and Contractual Services by \$1,800,000 from \$125,000 to \$1,925,000
Operations Salaries and Benefits by $\$ 1,800,000$ from $\$ 41,450,000$ to $\$ 43,250,000$

## Rationale

The proposed amendments will bring forecasted 2020 revenues and expenses within the amended budget for the Environmental Services Division.

## Thrive Lens Analysis

## Outcomes:

Stewardship: the budget reflects MCES ongoing effort to be good stewards of ratepayer revenue and the metropolitan disposal system by incurring the necessary expenses to ensure regulatory compliance and meeting customer levels of service.

## Principles:

Accountability: the amendment insures transparency into council operations.

## Funding

The motion proposes that this needed funding come from the Wastewater Operating Contingency Reserve. This amendment will not cause wastewater operating reserves to fall below the $10 \%$ Council policy target balance level.

Fiscal Impact
The amendment will not impact wastewater users. The amendment uses available reserves and will not cause the year end 2020 fund balance to fall below the target fund balance for Environmental Services.

## Known Support / Opposition

None

Policy/Legal Reference: 2020 Unified Budget; Minn. Stat. § 473.315 subd. 1 - Council Budget Requirements
Staff Prepared/Presented: Heather Aagesen-Huebner, Director of Finance and Administration 651-602-1728

Division/Department: Community Development Division

## Proposed Action

That the Metropolitan Council authorize the 2020 Unified Budget amendment as indicated, and in accordance with, the attached tables.

## Background

This business item amends the Community Development operating and passthrough budgets.
This amendment will transfer \$1M the Council identified as a 2020 Council strategic initiative from the 2020 operating budget to the Local Housing Incentives Account Passthrough Budget to support populations experiencing homelessness. Council staff is proposing to program those dollars to the Council's Local Housing Incentives Account to fund projects from Minnesota Housing's 2020 Consolidated Request for Proposals as described in detail in Business Item 2020-312. Business Item 2020-312 will be reviewed by the Community Development Committee on November 16, 2020, and the Council on November 18. Both BI 2020-312 and this budget amendment will need to be approved prior to any grants being awarded.

This amendment will also program $\$ 350,000$ in Local Planning Assistance reserves to the Local Planning Assistance passthrough program to account for higher than anticipated reimbursement requests on awarded grants with multi-year activity periods. This grant program was authorized by the Council in 2016 to facilitate the development of local comprehensive plans (Business Item 2016-76).
The passthrough adjustment to Metropolitan Housing and Redevelopment Authority (Metro HRA) revenue and expenses will program new federal funds received as a result of the Federal Cares Act to support housing voucher payments. Families and individuals with vouchers pay $30 \%$ of their income towards rent. The federal voucher makes up the remaining 70\%.

Federal Cares Act funds are eligible to be spent in 2020 and 2021. The base federal appropriation for the calendar year HRA 2021 budget is not yet known. Staff anticipate some of the federal revenues from this budget amendment may be brought forward into the 2021 budget through a future budget amendment.

## Operating Budget

Change in Revenues: \$0; Expenditures/Transfers: \$0; Reserves \$0 Division Management Operating:

This amendment recognizes a decrease in Other Expenses (\$1,000,000) and an increase in Transfer to Passthrough to transfer \$1,000,000 from Division Management's Operating Budget to the Local Housing Incentives Account Passthrough Budget.

## Passthrough Budget

Change in Revenues: $\mathbf{\$ 1 , 0 0 0 , 0 0 0}$ Expenditures/Transfers: $\mathbf{\$ 0}$; Reserves $\mathbf{\$ 1 , 0 0 0 , 0 0 0}$ Livable Communities Passthrough:

This amendment recognizes a \$1,000,000 transfer in Council General Purpose Levy funds, currently programmed in the Community Development Division Operating Budget, to the LHIA Passthrough Budget, and increases reserves by an equal amount. Reserves will be programmed to the annual passthrough expenditure budget, through future budget amendments, as needed to meet annual cashflow needs of authorized grants.

Change in Revenues: \$3,117,821; Expenditures/Transfers: \$750,000; Reserves \$2,367,821 Metro HRA Passthrough:

This amendment recognizes $\$ 3,117,821$ in new federal passthrough revenues for the Metro HRA, increases expenditure authority for housing voucher payments by $\$ 750,000$ and increases reserves by $\$ 2,367,821$. This will bring year end projected reserves for the entire HRA operating and passthrough program to $\$ 13.6 \mathrm{M}$.

## Change in Revenues: \$0; Expenditures/Transfers: \$350,000; Reserves $\mathbf{( \$ 3 5 0 , 0 0 0 )}$ Local Planning Assistance Passthrough:

This amendment recognizes a transfer of $\$ 350,000$ from LPA reserves to the LPA passthrough account and increases expenditures by an equal amount. This will bring year end projected reserves to \$765,000.

## Rationale

This amendment will allow the Community Development Division to continue or complete projects initiated in 2020 and programs available General Purpose Levy funds in the Unified Budget to allow the Council to carry out its work plan.

## Thrive Lens Analysis

The budget amendment supports the Thrive outcome of Stewardship through responsible planning and management of resources for the Community Development Division.

## Funding

Funding for the operating and passthrough accounts comes from new federal funding and available reserve balances.

## Known Support / Opposition

There is no known opposition.
