

# Transit-Oriented Development (TOD) Policy Elements: Next Steps

Allison Bell  
August 14, 2013

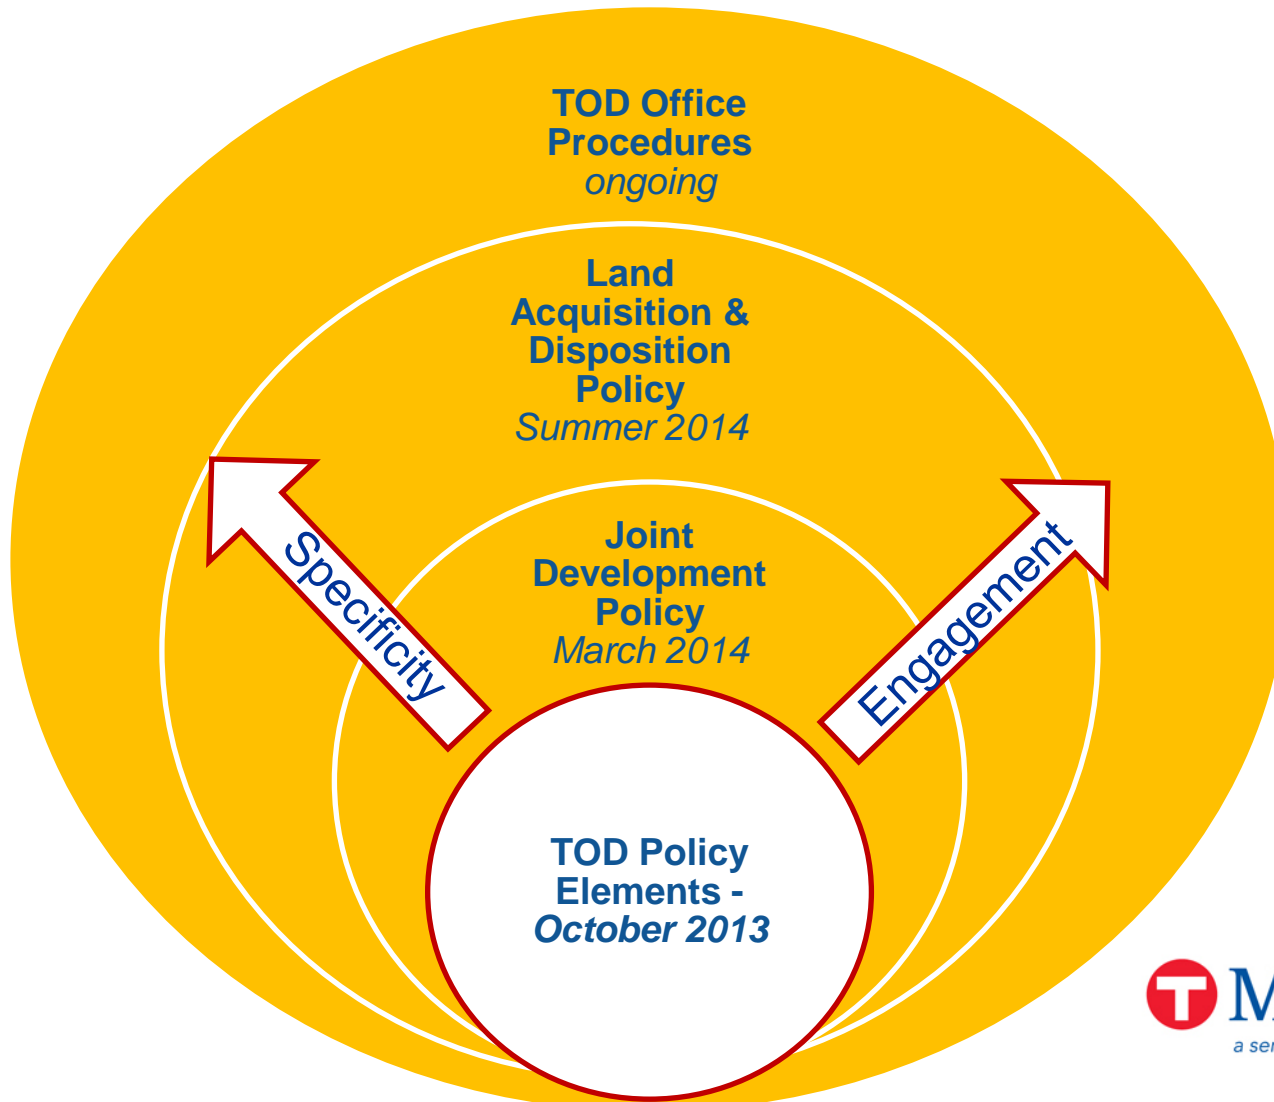

# About the TOD Policy Elements

- Top recommendation from adopted TOD Strategic Plan
- Principles and goals driven by Thrive MSP 2040
- Other influences and starting points
  - Corridors of Opportunity and related regional efforts
  - Existing Council policy, e.g. 2006 Land Disposition Policy
- High level and aspirational
- Multiple purposes
  - Communicates vision to partners
  - Sets expectations around investments
  - Influences TOD-related programs
  - Support Federal New Starts Application

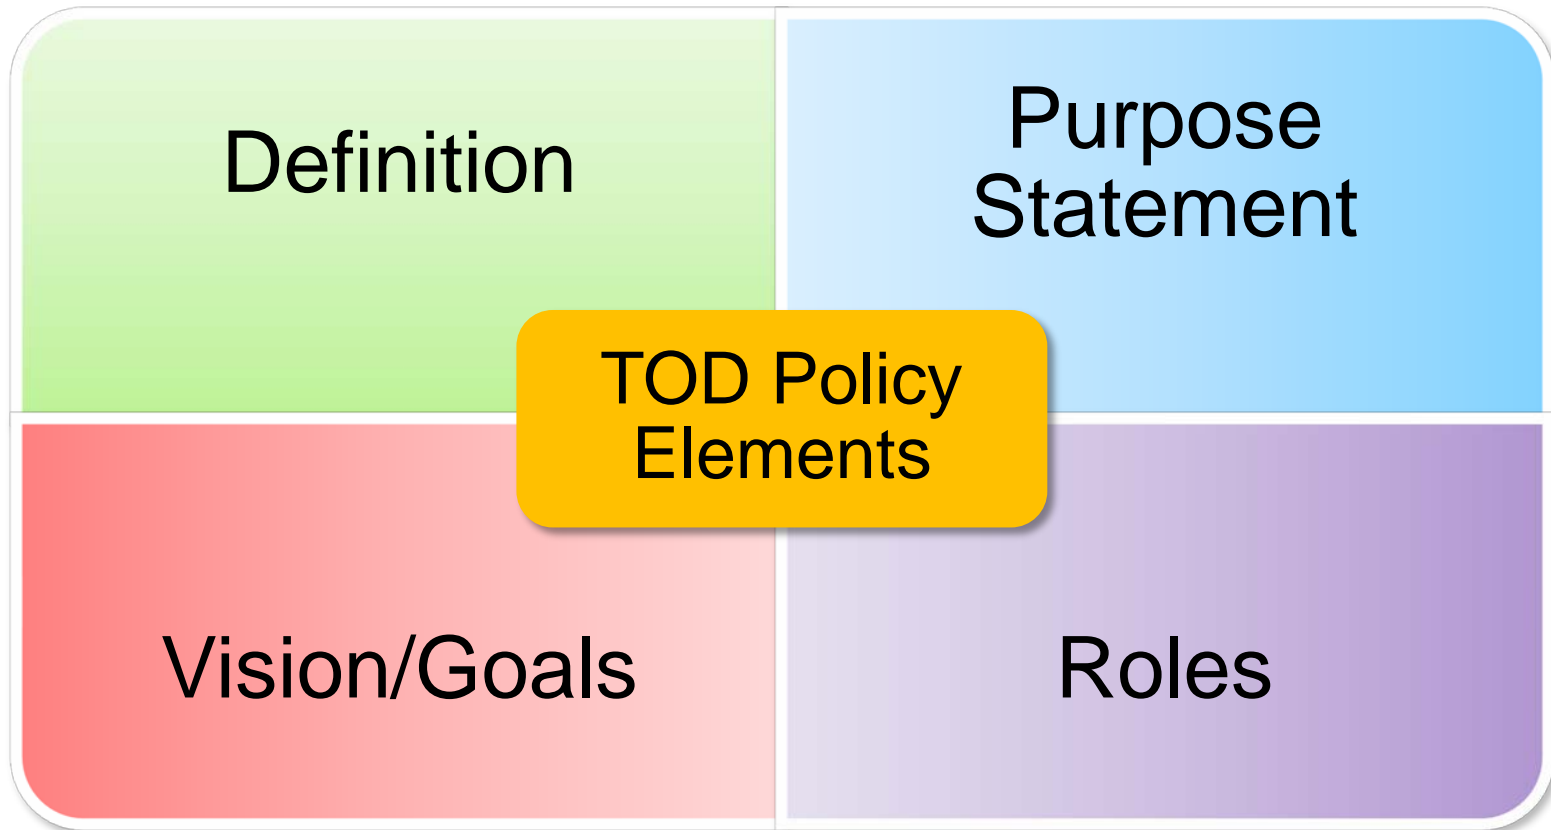

# Timing and alignment of key related actions

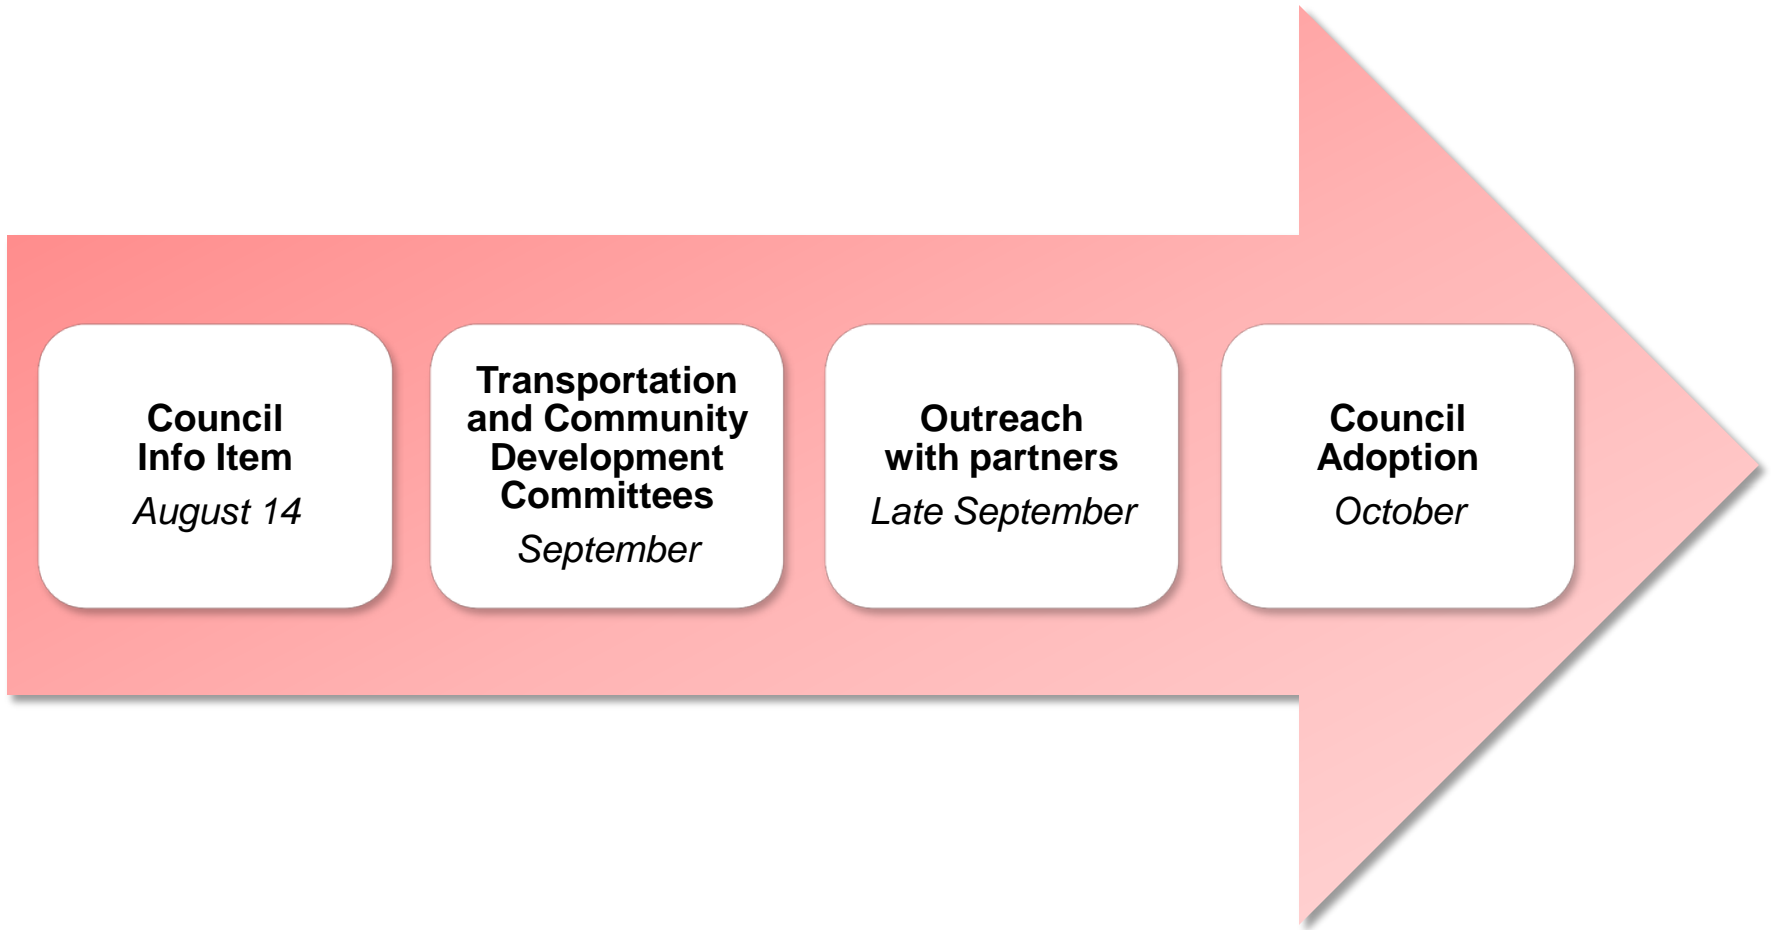

# TOD Policy Elements influence more detailed future technical elements

## Four key components

# Next Steps
