

Community Development Committee

For the special Metropolitan Council meeting of October 15, 2014

Subject: Adopt city and township forecasts of population, households, and employment for 2020 and 2030

Proposed Action

That the Metropolitan Council adopt city and township forecasts of population, households, and employment for 2020 and 2030.

Summary of Committee Discussion/Questions

Committee members asked about the process, timeline, and methodology of future updates of the Council's forecasts. Motion passed unanimously.

Community Development Committee

Meeting date: October 6, 2014

For the Metropolitan Council meeting of October 15, 2014

Subject: Adopt city and township forecasts of population, households, and employment for 2020 and 2030

District(s), Member(s): ALL

Policy/Legal Reference: *Minnesota Statutes* 473.146 and 473.859

Staff Prepared/Presented: Dennis Farmer (602-1552), Todd Graham (602-1322) and Libby Starling (602-1135)

Division/Department: Community Development / Regional Policy and Research

Proposed Action

That the Metropolitan Council adopt city and township forecasts of population, households, and employment for 2020 and 2030.

Background

The Metropolitan Council updates its 30-year regional and local forecasts of population, households and employment at least once a decade. Consistent with *Minnesota Statutes* 473.146 and 473.859, these regional and local forecasts provide a shared foundation for coordinated, comprehensive planning by the Council and local governments.

The Metropolitan Council adopted local forecasts of population, households, and employment for 2040 with the adoption of *Thrive MSP 2040* on May 28, 2014. At that time, local forecasts for the interim years of 2020 and 2030 were not ready for adoption. Council staff have now finalized local forecasts for 2020 and 2030 aligned with the adopted 2040 forecasts.

In August, the Council's Regional Policy and Research staff distributed preliminary local forecasts for 2020 and 2030 to local officials for their review and input. The Council heard from 43 cities and townships and one county, with 24 requesting revisions to the local forecasts. The attached spreadsheet provides forecasts that staff propose for Council adoption. Changes made to the local forecasts have led to small changes in regional totals for 2020 and 2030 as well:

Table 1. Thrive MSP 2040 forecasts, proposed for Council adoption.

	2010	2020	2030	2040
Population	2,849,567	3,123,430	3,395,060	3,675,660
Households	1,117,749	1,259,450	1,390,990	1,510,190
Employment	1,543,872	1,820,710	1,955,580	2,102,090

Council staff will revise and update the regional and local forecasts of population, households, and employment for 2020, 2030, and 2040 for Council approval in summer 2015, prior to the distribution of Systems Statements. This planned update will reflect model process improvements, updated information, and modeled impacts of updated regional policies and system plans.

Rationale

Consistent with *Minnesota Statutes* 473.146 and 473.859, the regional and local forecasts are intended as a statement of future expectations and will reflect regional and local planning and policies.

Funding

The regional and local forecasts are a regular part of the Community Development workplan.

Known Support / Opposition

During the review process, Council staff heard from local governments requesting changes to 2040 forecasts or advocating for 2020 and 2030 forecasts that would require changes to 2040 forecasts. Council staff has indicated to these communities that the Systems Statement forecasts developed in 2015 will consider these concerns.

Draft 2020 and 2030 Thrive MSP Forecasts
2040 Forecasts Were Adopted May 28, 2014; 2020 and 2030 Proposed for Adoption

* Forecast for Bloomington changed by Council action, June 11, 2014.
 (pt) denotes part of a city; remainder of city is in neighboring county.

◇ = Rogers annexed Hassan Township in 2012; Census counts are combined.
 † = Laketown Township will be fully annexed before 2040; forecast has been reassigned to neighboring cities.
