Meeting date: October 14, 2015

For the Metropolitan Council meeting of October 28, 2015

Subject: Authorization to Amend the 2015 Unified Budget: Fourth Quarter Amendment

District(s), Member(s): All

Policy/Legal Reference: MN Statutes Section 473.13, Subd. 1

Staff Prepared/Presented: Paul Conery, Director of Budget/Operations (651-602-1374)

Division/Department: Transportation and Community Development

Proposed Action

That the Metropolitan Council:

 authorize the amendment of the 2015 Unified Budget as indicated and in accordance with the attached tables.

Background

The Transportation Division has proposed amendments to the operating and capital components of their division budget and the Community Development Division has proposed amendments to it parks capital program. The Community Development Committee reviewed their amendment request on October 5 and recommended approval. The Transportation Committee will review their amendment requests on October 12.

Operating Component of the 2015 Unified Budgets

Requested changes in expenditures and transfers out to the operating component of the **2015 Unified Budget** total \$353,210. The requests are:

Transportation

Change in Expenditures/Transfers: \$353,210; Revenues: \$353,210; Reserves: \$0

Metropolitan Transportation Services

This amendment transfers \$150,000 of federal funds from the capital program to the Fixed Route operating budget and increases the authority to transfer MVST to the capital program by \$150,000, with no change in fund balance.

Metro Transit

This amendment recognizes the receipt of a FTA Ladders of Opportunity Workforce Development grant of \$203,210 to be used for the Metro Transit Technician Program. The grant requires a \$203,210 match from the Council's General Fund.

Capital Component of 2015 Unified Budget

Transportation and Community Development all have proposed amendments to the capital program.

Transportation

Change in Authorized Capital Program (ACP): \$6,385,905

New Projects/Additions to Existing Projects: \$50,449,564

Closed Projects/Reductions in Existing Projects: (\$44,063,659)

Change in Capital Program (ACP+CIP): \$15,452,000

Change in 2015 Capital Budget: \$1,453,759

The proposed additions to the capital program add \$50.4 million in authority to existing capital projects, funded with \$17.3 million in federal funding, \$1.3 million in state funds, \$11.7 million in CTIB and Regional Rail Authority funding, \$13.9 million in regional bond funding and \$6.2 million in regional MVST funding.

All of the proposed capital projects were in the adopted capital improvement program and involve moving the project from the Capital Improvement Plan (planned projects) to the Authorized Capital Program (funded and authorized projects), with the following exceptions:

- \$12,900,000 for the Red Line Cedar Grove Inline Station not in the CIP
- \$1,500,000 for Plymouth legislatively designated regional bonds not in the CIP
- \$863,000 for University of Minnesota designated federal grants not in the CIP
- \$189,000 for vehicle purchases not in the CIP

This amendment provides \$3,000,000 in Motor Vehicle Sales Tax (MVST) Reserve Transfers for the continued Project Development phase of the Southwest Light Rail Project. The additional funding is necessary as a result of the State of Minnesota Session Laws 2015 Appropriation Cancellation of \$29.7M of the unspent State Appropriation Funds from the Minnesota Session Laws of 2013. Prior to the receipt of the federal Full Funding Grant Agreement (FFGA), New Starts projects are funded solely with local monies. The local shares are 20% state, 20% Hennepin County Regional Railroad Authority (HCRRA) and 60% Counties Transit Improvement Board (CTIB) prior to the FFGA. This additional funding will provide the additional match to the CTIB and HCRRA monies for Project Development. This amendment also adjusts the CTIB Capital Budget authority by (\$18,653,857) to match the required 60/20/20 local funding shares.

Parks and Open Space

Change in Authorized Capital Program (ACP): (\$ 16,215,977)

New Projects/Additions to Existing Projects: \$3,750,000

Closed Projects/Reductions in Existing Projects: (\$19,955,977)

Change in Capital Improvement Program: \$ 3,750,000

Change in 2015 Capital Budget: (\$ 1,611,000)

The proposed additions to the capital program add \$3,750,000 in authority to two new capital projects, funded with state bond appropriations. This projects are pass-through grants administered by the Council and were not included in the adopted capital improvement program.

This proposed amendment also removed almost \$20 million in authority for 53 capital projects that have been completed and closed out.

Rationale

The proposed amendments program available federal, state, local and regional funds to the Unified Budget to allow the Council to carry out its work plan and its long-term capital program.

Funding

The operating budget amendment is funded with available reserves.

The capital amendment is funded with new federal, state, county and regional funding. The following table summarizes the regional transit bonding authority committed to authorized projects. The remaining authority is will be committed to planned projects in future amendments.

	Metro Transit	Metro. Transp. Serv.	Total
2014 Authorization	22,200,000	14,800,000	37,000,000
2015 Authorization	22,980,000	15,320,000	38,300,000
Total Authority	45,180,000	30,120,000	75,300,000
Previously Committed	43,680,000	17,686,604	61,366,604
Plus: This Amendment	1,150,000	5,196,649	6,346,649
Total Committed	44,830,000	22,883,253	67,713,253
Remaining Authority	350,000	7,236,747	7,586,747

Fiscal Impact

Cash Flow

This amendment adds \$54.2 million in new authorized expenditures to capital projects. Transit anticipates they will spend \$1.5 million in 2015.

Impact on Regional Taxpayers

The amendment increases authorized issuance of regional Transit bonds by \$6.3 million, but this level of regional bonding was included in the Capital Improvement Plan and reflected in the fiscal impact analysis when the 2015 Unified Budget was adopted in December.

Community Development Committee

Meeting date: October 5, 2015

For the Management Committee meeting of October 14, 2015

For the Metropolitan Council meeting of October 28, 2015

Subject: Authorization to Amend the 2015 Unified Budget—Fourth Quarter Amendment

District(s), Member(s): All

Policy/Legal Reference: MN Statute 473.315 for Parks Capital Budget

Staff Prepared/Presented: Emmett Mullin, Regional Parks and Natural Resources Manager (651-602-1360)

Division/Department: Community Development/ Regional Parks and Natural Resources

Proposed Action

That the Metropolitan Council authorize the amendment of the 2015 Unified Budget as indicated and in accordance with the attached table.

Background

The proposed budget amendment includes the following changes to the 2015 Parks capital budget as part of the 2015 Fourth Quarter amendment:

Decreasing Funding Commitments

The proposed amendment removes 53 capital projects that have been completed and closed out from the Authorized Capital Program, decreasing the total authorization by \$19,965,977. The proposed amendment also cancels one capital project to Scott County because the county received alternative funding for the project. The \$97,840 authorized for the project is transferred back into the unobligated balance in the Parks and Trails Legacy Fund Acquisition Account.

Increasing Funding Commitments

The proposed amendment adds two capital projects to the Authorized Capital Program, one to the Minneapolis Park and Recreation Board for \$1,750,000 for the Phillips Community Center funded with a 2012 state pass-through appropriation and one to Inver Grove Heights for \$2,000,000 for park and trail improvements funded with a 2014 state pass-through appropriation. These authorizations were not added to the Authorized Capital Program until non-state matching requirements were met by the recipients.

Change in Current Year Expenditures:

This amendment decreases the 2015 Capital Budget for Parks by \$1,611,000.

Rationale

The amendment will allow the Council to carry out its capital improvement program and its statutory role in administering grants for regional recreation open space.

Funding

State funding comes from prior state appropriations.

Known Support / OppositionThere is no known opposition to the amendment.
