

Community Development Committee

For the Metropolitan Council meeting of July 8, 2015

Subject: Adopt 2015 update to local forecasts of population, households and employment

Proposed Action

That the Metropolitan Council adopt the 2015 update of city and township forecasts of population, households, and employment for 2020, 2030, and 2040.

Summary of Committee Discussion/Questions

Dennis Farmer presented the proposed new forecasts and provided background about the changes made to respond to local government comments.

Councilmember Chávez moved and Councilmember Elkins seconded a motion to adopt the 2015 update of city and township forecasts of population, households, and employment for 2020, 2030, and 2040. The motion passed unanimously on a voice vote.

Subsequent to the Community Development Committee meeting, Council staff identified an error in the forecast table presented to the Committee. The table included with this Committee Report corrects the typo which affected the forecasts for the City of White Bear Lake and White Bear Township.

Community Development Committee

Meeting date: June 15, 2015

For the Metropolitan Council meeting of July 8, 2015

Subject: Adopt 2015 update to local forecasts of population, households and employment

District(s), Member(s): ALL

Policy/Legal Reference: Minn. Stat. 473.146 and 473.859

Staff Prepared/Presented: Dennis Farmer, Research Analyst, Regional Policy and Research (651-602-1552)

Division/Department: Community Development / Regional Planning

Proposed Action

That the Metropolitan Council adopt the 2015 update of city and township forecasts of population, households, and employment for 2020, 2030, and 2040.

Background

Under Minnesota Statutes 473.146 and 473.859, the Metropolitan Council updates its 30-year regional and local forecasts of population, households and employment at least once a decade. These regional and local forecasts provide a shared foundation for coordinated, comprehensive planning by the Council and local governments.

The Metropolitan Council adopted local forecasts in 2014 as part of *Thrive MSP 2040*. Council staff has recently revised these local forecasts in preparation for the distribution of System Statements in September 2015. The new forecasts reflect the following updates and improvements:

- New (lower) regional forecasts;
- A more locally detailed land supply analysis;
- Newer and more detailed data on residential building costs and real estate prices;
- Updates to the future transportation network per the adopted *2040 Transportation Policy Plan*.

In April, Council staff distributed draft 2015 update forecasts to local officials for their review and input. The Council heard from 33 cities and one county, with 17 communities requesting revisions to their local forecasts. Staff made revisions to 16 community forecasts based on these comments.

The attached spreadsheet provides forecasts that staff propose for Council adoption.

The Council will have another opportunity to revise their local forecasts this fall during the System Statement review process. Communities can also request forecast revisions during both Comprehensive Plan Updates and Comprehensive Plan Amendments.

Rationale

Consistent with *Minnesota Statutes* 473.146 and 473.859, the regional and local forecasts are intended as a statement of future expectations and will reflect regional and local planning and policies.

Funding

The regional and local forecasts are a regular part of the Community Development workplan.

Known Support / Opposition

While Regional Policy and Research revised the forecasts of nearly all communities that requested revisions, staff did not raise the forecasts as high as some communities requested. Where local government requests either seemed overly optimistic or would significantly raise the 2040 regional forecast total, staff made more moderate revisions to the communities' forecast grounded in recent trends.

Thrive MSP 2040 Forecasts — 2015 Update for Metropolitan Council Approval

These local forecasts were approved by Community Development Committee at its June 15, 2015 meeting.

Notes:

(pt) denotes part of a city; remainder is in a neighboring county.

◊ Rogers annexed Hassan Township in 2012; Census counts are combined.

† Laketown Township will be fully annexed before 2040; forecast has been reassigned to neighboring cities.
