#### **Management Committee**

Meeting date: August 26, 2015

For the Metropolitan Council meeting of September 9, 2015

Subject: Authorization to Amend the 2015 Unified Budget: Third Quarter Amendment

District(s), Member(s): All

Policy/Legal Reference: MN Statutes Section 473.13, Subd. 1

Staff Prepared/Presented: Paul Conery, Director of Budget/Operations (651-602-1374)

Division/Department: Transportation, Environmental Services and Community Development

#### **Proposed Action**

That the Metropolitan Council:

 authorize the amendment of the 2015 Unified Budget as indicated and in accordance with the attached tables.

#### **Background**

The Transportation Division has proposed amendments to the operating and capital components of their division budget, the Environmental Services Division has proposed amendments to their operating budget and the Community Development Division has proposed amendments to it parks capital program. The Environment Committee reviewed the amendment on August 11 and recommended approval. The Community Development Committee reviewed their amendment request on August 17 and recommended approval. The Transportation Committee will review their amendment requests on August 24.

#### Operating Component of the 2015 Unified Budgets

Requested changes to the operating component of the **2015 Unified Budget** total \$3,100,000. The requests are:

#### **Environmental Services**

Change in Expenditures: \$2,000,000; Revenues: \$2,000,000 Reserves: \$0

\$2,000,000 is requested by Environmental Services to provide budget authority for the repair of fire damage to the Flotation Building at the Metro Plant. The cost of the repairs will be funded with insurance.

#### **Transportation**

Change in Expenditures: \$2,039,227; Revenues: \$3,639,227; Reserves: \$1,600,000

\$1,100,000 is requested by Metropolitan Transportation Services to provide consultant services for the Travel Behavior Inventory. The expenses are funded with \$800,000 in federal grants and a \$300,000 use of reserves. This authorization is needed to begin the contracting process though much of the work is expected to be completed in 2016.

The operating amendment also authorizes the transfer of \$831,806 in federal funds from the capital program to the operating budget and the transfer of \$831,806 in Motor Vehicle Sales Tax revenues from the operating budget to the capital program to fund capital projects that are not eligible for regional bond financing.

The operating amendment recognizes additional revenues in Metro Transit, including \$1,900,000 in state general fund appropriations reflecting higher than anticipated state appropriations in state fiscal year 2016 and a new federal Competitive Preparedness grant of \$939,227. The amendment increases the Metro Transit expenditure budget by \$939,227 to cover additional costs of training, drills, exercises and saturation patrols.

#### Capital Component of 2015 Unified Budget

Transportation and Community Development all have proposed amendments to the capital program.

#### **Transportation**

Change in Authorized Capital Program (ACP): (\$243,185,589)

Additions: \$17,568,147

Deletions: (\$260,753,736)

Change in Capital Improvement Plan (CIP): (\$17,288,147)

Change in 2015 Capital Budget: \$2,149,120

The proposed additions to the capital program add \$17.6 million in authority to existing capital projects, funded with \$7.1 million in new federal funding, \$9.4 million in regional bond funding and \$1.1 million in other funding.

All of the proposed capital projects with one exception were in the adopted capital improvement program and involve moving the project from the Capital Improvement Plan (planned projects) to the Authorized Capital Program (funded and authorized projects). The exception is the addition of a project to pay debt principal on the Eden Prairie Bus Garage Expansion which will increase the authorized capital program and the overall capital program by \$280,000.

#### Parks and Open Space

Change in Authorized Capital Program (ACP): \$ 192,960

Additions: \$ 198,000 Deletions: (\$5,040)

Change in Capital Improvement Program: \$0

Change in 2015 Capital Budget: \$ 60,960

The proposed additions to the capital program add \$198,000 in authority to existing capital projects, funded with \$164,000 in new state funding and \$34,000 in regional bond funding. This project was not included in the adopted capital improvement program.

This amendment also designates \$97,840 to a land acquisition grant to Scott County for the Blakely Bluffs Park Reserve and removes \$5,040 in authority from the Environmental and Natural Resources Trust Fund land acquisition account. The remaining balance in the Unallocated Land Acquisition Funds of the Authorized Capital Program will be \$6.6 million.

#### **Rationale**

The proposed amendments program available federal, state, local and regional funds to the Unified Budget to allow the Council to carry out its work plan and its long-term capital program.

#### **Funding**

The operating budget amendment is funded with available reserves.

The capital amendment is funded with new federal, state and regional funding. The following table summarizes the regional transit bonding authority committed to authorized projects. The remaining authority is will be committed to planned projects in future amendments.

#### **Impact on Regional Taxpayers**

The amendment increases authorized issuance of regional Transit and Parks bonds by \$9.5 million, but this level of regional bonding was included in the Capital Improvement Plan and reflected in the fiscal impact analysis when the 2015 Unified Budget was adopted in December.

#### **Community Development Committee**

Meeting date: August 17, 2015

For the Management Committee meeting of August 26, 2015

For the Metropolitan Council meeting of September 9, 2015

Subject: Authorization to Amend the 2015 Unified Budget—Third Quarter Amendment

District(s), Member(s): All

Policy/Legal Reference: MN Statute 473.315 for Parks Capital Budget

Staff Prepared/Presented: Mark VanderSchaaf, Regional Planning Director (651-602-1441)

Division/Department: Community Development/ Regional Parks and Natural Resources

#### **Proposed Action**

That the Metropolitan Council authorize the amendment of the 2015 Unified Budget as indicated and in accordance with the attached table.

#### **Background**

The proposed budget amendment includes the following changes to the 2015 Parks capital budget as part of the 2015 Third Quarter amendment:

#### **Decreasing Funding Commitments**

The proposed amendment decreases the total authorization in the Environmental and Natural Resources Trust Fund land acquisition account by \$5,040 to remove state fiscal year 2013 state funding that has lapsed and is no longer available for grants.

#### **Increasing Funding Commitments**

The proposed amendment includes two new grants:

- 1. A \$198,000 grant to the Minneapolis Park and Recreation Board for Theodore Wirth Regional Park, funded with 2012 state bonds and Council bonds.
- 2. A \$97,840 grant to Scott County for land acquisition in Blakeley Bluffs Park Reserve, funded with Council bonds in the Parks and Trails acquisition grant account. The grant reduces the available Council funds balance in the Parks and Trails acquisition grant account by \$97,840.

#### Change in Current Year Expenditures:

This amendment increases the 2015 Capital Budget for Parks by \$60,960.

#### Rationale

The amendment will allow the Council to carry out its capital improvement program and its statutory role in administering grants for regional recreation open space.

#### **Funding**

This amendment is financed with 2012 state bonds and regional bonds. The use of regional bonds was included in the fiscal analysis in the adopted 2015 capital program and this amendment has no additional fiscal impact on taxpayers.

Known Support / Opposition
The park grants are consistent with legislative and Metropolitan Council policies/requirements. There is no known opposition to the amendment.

#### **Environment Committee**

Meeting date: August 11, 2015

For the Metropolitan Council meeting of August 26, 2015 September 9, 2015

Subject: Authorization to Amend the 2015 Unified Budget: Third Quarter Amendment

District(s), Member(s): All

Policy/Legal Reference: Council Admin Policy 3-1 and Procedure 3-1a / MN Statute 473.13-Council

Budget Requirements, and 473.517 - Wastewater fees and reserve authority

Staff Prepared/Presented: John Atkins, 651-602-1020

Division/Department: MCES c/o Leisa Thompson, 651-602-8101

#### **Proposed Action**

That the Metropolitan Council authorizes the amendment of the 2015 Unified Budget for wastewater operations to increase expenses by \$2,000,000.

#### **Background**

At its June 23, 2015 meeting, the Environment Committee ratified an Emergency Declaration that resulted from a March 10, 2015 fire that damaged the south main gallery of the Flotation Building at the Metro Plant. The fire caused damage to the roof, structural members supporting the building, wire and conduit for process and HVAC equipment, a mezzanine, and motor control centers in the adjacent room. Repairs are underway and are anticipated to cost \$2M.

#### Rationale

Generally Accepted Accounting Principles (GAAP) clarifies that operating funds should be used for these types of repair costs, however insufficient funds were budgeted in the MCES 2015 Operating Budget to cover the cost of this type of emergency work. In addition, Council Policy and Procedure requires amending operating budgets to control expenses when insufficient funds have been budgeted in the approved operating budget.

#### **Funding**

The Council's insurance carrier, FM Global, will provide funding to cover the repair and restitution costs associated with the fire at the Flotation Building. This amendment will have no impact on wastewater operating reserves.

Note that the long term improvement to these facilities will be financed through a capital project and requires no budget amendment.
