Management Committee

Meeting date: October 26, 2016

For the Metropolitan Council meeting of November 9, 2016

Subject: Authorization to Amend the 2016 Unified Budget - Fourth Quarter Amendment

District(s), Member(s): All

Policy/Legal Reference: MN Statutes Section 473.13, Subd. 1

Staff Prepared/Presented: Paul Conery, Director of Budget/Operations (651-602-1374)

Division/Department: Transportation, Environmental Services and Community Development

Proposed Action

That the Metropolitan Council authorize the amendment of the 2016 Unified Budget as indicated and in accordance with the attached tables.

Background

The Transportation Division has proposed amendments to both the operating budget and the capital program.

Operating Component of Unified Budget

Transportation-Metro Transit

Change in Expenditures: \$1,300,000; Revenues: \$1,300,000; Reserves: \$0

This amendment recognizes a federal grant of \$1,000,000 and a match of \$300,000 from Washington County for a grant called Moving the Market. Expenditure authority increases \$1,300,000 to provide for a pass-through grant to Washington County.

Transportation-Metropolitan Transportation Services

Change in Expenditures: \$0; Revenues: \$0; Reserves: \$0

This amendment authorizes \$6,072 in MVST revenues to be transferred from the Contracted Services operating budget to the capital program and for \$6,072 in federal funds to be transferred from capital program to the Contracted Services operating budget. MVST funds will be used in the capital program for projects that are not eligible to be funded with regional bonds.

Capital Component of Unified Budget

Transportation

Change in Authorized Capital Program (ACP): (\$49,691,490)

Additions: \$9,708,000

Reductions: (\$59,399,490)

Change in Capital Improvement Plan (CIP): (\$8,933,000)

Change in 2016 Capital Budget: (\$672,604)

The proposed closing amendment closes 13 individual capital projects and adds 6 new capital projects. Five of the new projects involve moving projects from planned to authorized. One project, for \$775,000 and funded with \$620,000 from a new federal grant and \$155,000 in regional funds, was not in the adopted capital improvement plan.

The \$9.7 million in additions to the capital program is funded with \$2.1 million in federal funds, \$2.2 million in transfers from the operating fund and \$5.4 million in regional bond funding.

Rationale

The proposed amendments program available federal, state, local and regional funds to the Unified Budget to allow the Council to carry out its work plan and its long-term capital program.

Thrive Lens Analysis

Stewardship

- The budget amendment adding new transit capital projects provide for the preservation and replacement of customer facilities, support facilities and transit technology and the addition of fare revenue equipment.

Prosperity

- The budget amendments adding funding for transit capital projects reflect strategic investment in regional infrastructure that will promote economic competitiveness and create prosperity for the region.

Funding

The operating budget amendment has no impact on available reserves.

The capital amendment is funded with new local and regional funding. The following table summarizes the regional transit bonding authority committed to authorized projects. The remaining authority will be committed to planned projects in future amendments.

	Metro Transit	Transp. Serv.	Total
2015 Authorization	\$22,980,000	\$15,320,000	\$38,300,000
Advance of 2016 Authority	1,660,162	(1,660,162)	0
Available Authority	24,640,162	13,659,838	38,300,000
Previously Committed	22,886,712	13,966,917	35,987,931
Plus: This Amendment	1,753,450	(1,660,162)	93,288
Total Committed	24,640,162	12,306,755	36,946,917
Remaining Authority*	0	1,353,083	1,353,083

Fiscal Impact

Cash Flow

This amendment adds \$9.7 million in new authorized expenditures to transit capital projects. Transit anticipates they will spend \$0.7 million less in 2016 than previously estimated.

Impact on Regional Taxpayers

This amendment does not have an impact on regional taxpayers over and above the impact shown in the adopted capital program.
