### Background

Minnesota Statutes require the Metropolitan Council adopt the 2017 preliminary operating budget and proposed levies for 2016, payable in 2017, for certification to the County Auditors and Minnesota Commissioner of Revenue.

Minnesota Statutes regarding Truth In Taxation require the Metropolitan Council to:

- Announce the date and place of its subsequent regularly scheduled meeting(s) at which the budget and levy will be discussed and which the public will be allowed to speak,

- The meeting(s) in which the budget and levy will be discussed and final budget and levy determined must occur after November 22, and
- The meeting(s) shall not be held before 6:00pm

Therefore, the date, time, and place of the meeting will be the Council Meeting scheduled for:

December 14, 2016, 6:00pm  
 Council Chambers  
 390 Robert Street North  
 St. Paul, Minnesota 55101-1805

## Rationale

### Unified Operating Budget

- Adoption of the Preliminary Unified Operating Budget establishes the framework for development of a public comment document.
- Minnesota Statutes Section 275.065, Subdivision 1, requires adoption of proposed budget and certification of proposed property tax levies for certification to the Commissioner of Revenue by September 1 and to the County Auditors on or before September 15.
- There will be continuing discussion on the budget through the fall so that the Council may make further changes to the budget up to final adoption, expected to occur on December 14, 2016.

### Preliminary 2016, Payable 2017, Property Tax Levies

- Prior to final certification of levies in December the Council may elect to reduce levies from this preliminary level, but may not increase them.
