This plan does not apply to employees in positions covered by collective bargaining agreements. Provisions of this plan do not apply to interns or temporary employees, unless otherwise specified. Unless otherwise specified, the provisions of the plan that are applicable to supervisory positions also apply to unclassified positions.

1.4 ADOPTION AND AMENDMENT

The Council may approve, reject or modify any amendments presented for consideration and make changes as it deems appropriate.

1.5 ADMINISTRATION

The Regional Administrator may establish administrative procedures for the implementation of provisions of this plan provided that such procedures are consistent with the plan and Council Policy.

1.6 EFFECTIVE DATE

All provisions of this plan shall be effective upon approval by the Council unless otherwise noted.

SECTION 2: DEFINITIONS

Classified Employee: All positions that are not considered unclassified

Confidential Employee: "Confidential employee" refers to an employee who as part of the employee's job duties has access to labor relations information as that term is defined in Minnesota Statutes 13.37 or actively participates in the meeting and negotiation on behalf of the public employer. Minnesota Statutes 13.37, subdivision 1, paragraph (c) provides that "labor relations information" means management positions on economic and noneconomic items that have not been presented during the collective bargaining process or interest arbitration, including information specifically collected or created to prepare the management position;

Employee: "Public employee" or "employee" refers to any person appointed or employed by a public employer.

Exempt Employee: Employees in positions that are not covered by provisions of the federal Fair Labor Standards Act (FLSA).

Grant Temporary Employee: position for a special project that is contingent on state, federal or private funding and/or the continuation of such funding.

Temporary Staff:

- Less than 67 Working days: Not placed into the non-rep plan and non-benefit eligible may be extended to ninety working days after placement in the non-rep plan
- Sixty- seven but less than ninety working days: Placed into non-rep plan and not benefit eligible
- Greater than 90 working days up to six months: Placed into non-rep plan and plan provisions apply.
- Six months to two year: Placed into the non-rep plan and plan provisions apply, eligible for benefits and MSRS

Minnesota Public Employer Salary Limits: Salary limit established by Minnesota Statutes 43A.17, subdivision 9.

Non Exempt Employee: Employees in positions that are covered by the federal Fair Labor Standards Act (FLSA).

Supervisory Employee: A person who has the authority to undertake a majority of the following supervisory functions in the interests of the employer: hiring, transfer, suspension, promotion, discharge, assignment, reward, or discipline of other employees, direction of the work of other employees, or adjustment of other employees' grievances on behalf of the employer.

Unclassified Employee: Positions in the unclassified service are not required to be filled by competitive examination, and may be subject to an open application and screening process. The Council may discharge unclassified employees with or without cause. Unclassified employees have no right to a grievance appeal from discharge or other disciplinary action.

Executive Employee: Executive employee refers to an unclassified or classified employee represented by the Non Rep Plan, holding the pay grades of Exec 1 and Exec 2.

Regular Employee: All employees except interns, short-term temporary employees and employees with a Post Retirement Option (PRO) assignment

Retiree: Employee terminating employment from the Metropolitan Council with eligibility for an MSRS or PERA pension benefit.

SECTION 3: HOURS OF WORK

3.1 HOURS OF WORK

The standard workday consists of eight hours of work within a 24-hour period, exclusive of the unpaid 30-minute lunch period. The standard workweek consists of 40 hours of work within a seven day period. The standard hours of business are Monday – Friday, 8:00 a.m. – 4:30 p.m. The standard pay period consists of 80 hours over two work weeks.

3.2 WORK SCHEDULES

Work units may develop flexible work schedules that vary from the standard hours of business provided that:

- All flexible work schedules must be approved in writing by the employee's supervisor.
- All flexible work schedules must include a lunch period.
- No employee in a nonexempt position may work an alternative work schedule that exceeds 40 hours per week, unless pre-approved by the employee's supervisor in writing.

3.3 ON CALL DUTY

When the employer requires that an employee must be available and "on call" for work and be able to report in a reasonable time, the employee, regardless of their FLSA status, excluding supervisors and managers, shall be compensated at the rate of two hours straight time for each twenty-four (24) hour period or fraction thereof, except for a "weekend" on call (as defined by that employee's regular workweek), which will be compensated as three (3) twenty-four hour periods. On call duty is paid time rather than compensatory time. When an employee is called in to duty, the on-call pay should be reported as overtime if the employee's actual work time exceeds 2 hours on weekdays and 3 hours on weekends.

3.4 OVERTIME/COMPENSATORY TIME

Eligibility of positions for overtime shall be determined in accordance with the federal Fair Labor Standards Act (FLSA) and paid as follows:

3.4.1 Nonexempt Positions:

Employees in non-exempt positions shall be paid at the rate of 1.5 times their regular rate of pay for hours worked in excess of 40 hours within the workweek. All overtime must be pre-approved by the employee's supervisor in writing. With supervisor approval, employees may choose to earn compensatory time off at the same rate in lieu of payment of overtime. Employees may accumulate compensatory time to a maximum of 80 hours. All compensatory time must be used by December 31st. Unused compensatory time will be paid out, at the employee's hourly rate, at year end.

3.4.2 Exempt Positions

Compensation for exempt positions is based up the expectation of a minimum of 80 hours in the pay period. However, due to the nature of the positions, additional time without compensation may be regularly required to satisfactorily carry out the responsibilities of the position, including evenings, weekends and holidays. Such work requirements are considered an integral part of the job. However, where their assigned duties and responsibilities permit, exempt staff may exercise reasonable and prudent discretion in scheduling or varying the times at which their work is performed, with prior written supervisory approval.

In extreme situations, the General Manager, Division Director, or General Counsel may approve, in writing, compensation for hours worked which exceed 80 hours in a pay period. Overtime shall be allowed on a straight-time basis only. Overtime pay is included in the salary cap, defined by the Minnesota Statutes 43.A.17, subd. 9. Any overtime salary that extends beyond the salary cap must be taken as comp time. With supervisory approval, an employee may choose to earn compensatory time off in lieu of payment of overtime. Employees may accumulate compensatory time to a maximum of 80 hours. All compensatory time must be used by December 31st. Unused compensatory time will be paid out, at the employee's hourly rate, at year end.

3.4.3 Exempt Executive Level Positions

Positions in the executive compensation plan are not eligible for overtime compensation, on call pay, or compensatory time. In rare circumstances, an employee in the executive compensation plan may be approved for an alternate work schedule reflective of actual hours worked. This would require express prior written permission from the employee's direct supervisor.

For purposes of annual leave accrual rates only, the employer may, in its sole discretion, grant new employees with service credit for years of relevant work experience gained prior to their date of employment. Service credit shall not be applied retroactively.

5.1.3. Employees Appointed for Less Than 20 Hours per Week:

Employees shall not accrue annual leave.

5.1.4. Employees Being Paid for Less Than a Full Pay Period:

On January 1st of the year following their date of employment, employees shall accrue annual leave according to Tables A or B above.

5.1.6. Annual Leave Accrual Limits:

The maximum amount of unused annual leave that an employee may carry forward as of December 31 of each year is 1,040 hours. On December 31 of each year, any hours in excess of 1,040 hours will be forfeited by the employee.

5.2 ANNUAL LEAVE USAGE

All requests for annual leave must be pre-approved by the employee's supervisor. Use of annual leave shall not be denied if the request is for purposes of observing a religious holiday.

Employees may not use more annual leave than their accumulated balance.

5.3 ANNUAL LEAVE CONVERSION TO DEFERRED COMPENSATION

Employees may convert twice during the payroll year a portion of their accumulated annual leave as a contribution to the Council's deferred compensation plan according to provisions of Council procedure 4-4m Deferred Compensation. Conversions that would result in the employee's gross compensation to exceed the Minnesota public employer salary limits shall not be permitted. The amount converted plus other annual deferred compensation contributions may not exceed the deferred compensation plan contribution limits. Employees on probation as a new hire are not eligible to convert annual leave to deferred compensation.

5.4 ANNUAL LEAVE UPON SEPARATION

An employee separated from Council employment shall be paid for any unused accumulated annual leave at the employee's rate of pay upon separation. An employee on probation as a new hire shall not be eligible to receive payment for unused accumulated annual leave.

5.4.1 Health Care Savings Plan

The Regional Administrator shall have the authority to put in place a plan which requires that upon separation from employment with the Council some portion of a full time employee's unused, annual leave will be placed into an individual health care savings account administered through the Minnesota State Retirement System.

Effective March 2008, employees will contribute 50% of their annual leave to the Health Care Savings Plan upon termination, provided that the employee:

- Has a minimum balance of 200 hours
- Is a full time employee immediately prior to termination

5.5 ANNUAL LEAVE UPON TRANSFER TO NON-REPRESENTED POSITION

Employees transferring from a represented position to a non-represented position shall be granted annual leave as follows, subject to the 1,040 hour maximum:

- The employee's current balance of annual leave or vacation shall be converted to annual leave on a one-to-one basis.
- Sick leave shall be converted to annual leave on a three-to-one basis (three hours of sick leave converts to one hour of annual leave) and effective 1/1/2015, the remaining two thirds converted to a frozen supplemental sick back. An employee may request that the hours in the Frozen Supplemental Sick Leave bank be used to cover the first five (5) days of salary continuance and may be used following salary continuance if not eligible for Long Term Disability.
- At the time of transfer, any accrued annual leave in excess of the maximum allowed under this plan may be converted to deferred compensation as defined in Section 5.3. Deferred compensation conversions resulting from a transfer to the Non-Represented Plan do not count toward the two-times per year conversion restriction.

SECTION 6: INCOME PROTECTION

6.1 PURPOSE

The income protection plan is designed to provide salary replacement for employees who are unable to work due to non-work related illness or injury. Provisions of the plan cover all regular employees (see definition Section 2). The income protection plan shall be administered on a rolling calendar year basis.

The plan provides two levels of income protection:

- Salary continuance between the 6th and 65th workday of non-work related illness or injury. (Annual leave, frozen annual leave or supplemental sick leave shall be used for the first five workdays of an extended absence due to the employee's non-work related illness or injury.)
- Long-term disability insurance following the 65th workday of non-work related illness or injury. Benefits are administered in accordance with provisions of the Council's contract with the long term disability insurance provider.

6.2 SALARY CONTINUANCE

6.2.1 Salary Continuance Schedule

Following the first five consecutive workdays of an absence, salary continuance shall be in accordance with the following schedule:

Years of Continuous Council Employment (including service credit granted pursuant to Section 5.1 Annual Leave Accrual)	Workdays (Hours) at Full Salary	Workdays (Hours) at 60% Salary
0 through 5 years	25 (200 hrs)	35 (280 hrs)
6 through 10 years	50 (400 hrs)	10 (80 hrs)
11+ years	60 (480 hrs)	0

Employees in the Executive Compensation Plan shall receive 60 workdays at full salary regardless of service date.

6.2.2 Eligibility for Salary Continuance

Salary Continuation shall not be provided for any period of absence beginning prior to an employee's successful completion of new hire probation. Salary continuance benefits continue only for the period prescribed by the medical provider and will not exceed the number of days in the salary continuance schedule.

6.2.3 Request for Salary Continuance

A request for salary continuance must be in writing and be accompanied by a written medical statement verifying the non-work related illness or injury and indicating the expected duration of the absence. When an employee expects an absence due to illness or injury to extend beyond five consecutive workdays, the employee may immediately request salary continuance under the income protection plan.

In situations where an employee is unable to submit a written request for salary continuance due to non-work related serious illness or injury, the Human Resources Department shall obtain a medical statement and shall request salary continuance on behalf of the employee. However, salary continuance benefits may be denied in the absence of appropriate medical documentation from a healthcare provider.

6.2.4 Salary Continuance Benefits

- Salary continuance benefits shall be paid at the rate of pay the employee earned on the last workday before an absence for non-work related illness or injury. No change in pay rate shall be made while an employee is on salary continuance.
- An employee may use accumulated annual leave to supplement the salary continuance hours, but in no event may the total hours of salary continuance plus annual leave hours charged exceed the hours

of the employee's appointment. For example, if the employee's appointment is 30 hours per week, the combination of salary continuance benefits paid according to the schedule and use of accumulated annual leave may not equal more than the equivalent of 30 hours worked per week.

- During salary continuance, annual leave accrual and paid holiday leave shall be based on the number of paid hours, including salary continuance.
- In the event that an employee receives Workers' Compensation benefits while on salary continuance, the employee shall reimburse the Council for salary continuance benefits received for the period of disability compensable under Workers' Compensation.
- All other insurance benefits (medical, dental, life, long-term disability) provided by the Council shall remain in force during periods of salary continuance. The Council will continue to make its employer benefit contributions during this time.

6.2.5 Return to Work

An employee released to return to work on a pre-scheduled part-time basis following a non-work related illness or injury may be authorized to return based on the needs of the department. In this case, the employee shall be paid regular salary for any time worked plus the balance of hours paid at the percentage of the salary continuance schedule 6.2.1 The period of non-work related illness or injury together with such part-time salary continuance benefits shall not exceed 60 workdays or 480 hours (excluding the initial 5-day waiting period) in a rolling year. Salary continuance benefits shall be discontinued upon an employee's return to full-time work or if the employee becomes eligible for long-term disability insurance benefits.

6.2.6 Use of Forfeited Sick Leave and Frozen Supplemental Sick Leave Bank

Some employees working under the Non-Represented plan in place on 01/29/2001 were required to forfeit sick leave hours when the plan converted sick and vacation hours into annual leave. Those employees may use those forfeited or frozen supplemental sick hours for the initial 5 day waiting period and for the sole purpose of covering workdays of absence after salary continuance reaches the maximum allowed per the salary continuance schedule.

Section 6.2.7 Recurrence of the Same Illness or Injury:

An employee who suffers a recurrence of a non-work related illness or injury within 180 calendar days of his/her initial return to work from full time leave will become eligible for the remaining portion of benefit according to the salary continuance schedule, without serving a five working day waiting period provided that the recurrence is due to the same cause or a related cause.

Salary continuance benefits continue only for the period prescribed by the medical provider and will not exceed the number of days/hours in the salary continuance schedule in a rolling calendar year for the same illness or injury.

6.3 SUPPLEMENTAL SICK LEAVE BANK

Employees who have frozen supplemental sick leave banks from employment under other Council pay plans before becoming non-represented employees may use hours from such banks for the sole purpose of covering any or all of the first five consecutive workdays of absence required under Section 6.2 (Salary Continuance) and is not paid upon termination of employment. Employee may use frozen supplemental sick leave time after salary continuance ends if not eligible for Long Term Disability.

6.4 LONG-TERM DISABILITY

Employees who wish to be considered for an LTD benefit must complete a claim form with the LTD carrier. Eligibility for benefits shall commence following the 65th consecutive workday of a non-work related illness or injury. Other insurance benefits (medical, dental, life) provided by the Council remain in force through the end of the month in which the long-term disability becomes effective. Employees may continue coverage in accordance with the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA), Minnesota Continuation law and plan provisions.

SECTION 7: LEAVES OF ABSENCE

7.1 LEAVES OF ABSENCE

7.1.1 Eligibility for Leave of Absence

The Metropolitan Council observes all mandated Minnesota and Federal leave of absence statutes. Employees are eligible for paid and unpaid leaves of absence, as provided for in Council procedure 4-4c Leaves of Absence.

7.1.2 Bereavement Leave

Employees shall be granted up to three days of paid bereavement leave to attend the funeral of a relative. The probationary period is an extension of the hiring process enabling the supervisor to evaluate and the employee to demonstrate the ability to perform the duties of the position.

All new, transferred, or promoted employees in classified positions shall be required to serve a six-month probationary period. Probationary employees may use accumulated annual leave during their probationary period subject to supervisory approval. See Section 5.2 Annual Leave Usage.

SECTION 10: SALARY ADMINISTRATION

10.1 SALARY RANGES

Each job classification shall be assigned a salary range based on the position's job evaluation points or market considerations in accordance with the salary administration plan. Salary ranges for all classified and unclassified job classifications are listed in Appendix C.

10.2 SALARY RATES AND LIMITS

Base salaries paid to individual employees shall be within the salary range for the job classification. An employee's base salary may not exceed the maximum of the salary range, except in an extreme case which must be approved by the Regional Administrator.

10.2.1 Step Movement

Employees who were placed on a salary step from Step 4 through Step 8 will be eligible to move up one step in their range effective on the first day of the first pay period of 2018. To move up one step the employee must have received a rating of "Achieves Expectations" or better on their 2017 performance appraisal provided that the employee has successfully completed probation prior to December 31, 2017.

10.3 PERFORMANCE-BASED SALARY INCREASES FOR EMPLOYEES BETWEEN STEP 9 AND RANGE MAXIMUM

Employees between Step 9 and the Range Maximum will be eligible for a performance increase effective the first day of the first pay period of 2018. To receive a performance increase the employee must have received a rating of "Achieves Expectations" or better on their 2017 performance appraisal. The performance increase shall be applied to the employee's base salary. If the increase places the employee *over* the range maximum; the amount over the range maximum will be paid in a lump sum payment. The amount of funds available for 2018 performance increases for those employees in the Performance Range will be equal to one and one half percent (1.5%) of the annual salaries of Non-Represented employees in the performance range. The Metropolitan Council is committed to issuing performance increases in the total amount of the funds available.

Salary increases will be subject to the Minnesota public employer salary limits.

All employees promoted or reclassified to a job classification in a higher salary pay grade shall be placed on a new step in the new range (unless that employee will be in the Performance Range after promotion) that will result in an increase of no less than seven percent (7%) and no more than ten percent (10%) (or Range Minimum, whichever is greater) of their current salary prior to promotion. Nothing in this section precludes the employer from awarding additional compensation upon approval by the Human Resources Director and the incumbent's division leadership.

10.6 PERFORMANCE REVIEW APPEAL

Employees denied a salary increase due to the rating on their evaluation may appeal to the Director of Human Resources (or designee) within 21 calendar days from receiving the review.

10.7 TRANSFERS

Employees accepting new positions within the same salary range will be on probation for six months and shall not receive a pay increase at the time of transfer. Any compensatory time earned previous to transfer shall be paid out upon transfer.

10.8 DEMOTIONS

Demotions which are disciplinary (for cause or for performance-related reasons) shall result in a salary reduction which is equal to ten percent (10%) of the new range, unless otherwise determined by the Regional Administrator.

Regular employees serving a new probation due to a promotion and who fail probation may be required to return to their prior position and rate of pay.

Voluntary demotions will not result in a salary reduction unless the present rate is above the maximum of the new range.

10.9 WORKING OUT OF CLASS, ACTING OR TEMPORARY ASSIGNMENT

Employees in a work out of class, acting or temporary assignment shall have the time count in their current position. Employees will receive a temporary salary increase of at least 10% of the range. All performance increases shall be based on the employee's regular assigned position.

10.10 EXECUTIVE PERFORMANCE AWARD

The Executive's performance award shall be measured on a calendar year basis and be paid as a lump sum on the first pay period in January of each year for the previous year's performance. At the discretion of the Regional Administrator, employees in the Executive Compensation Plan may receive a base salary increase which shall be effective the first day of the first pay period of 2017.

The Council Chair may propose starting salary and salary adjustments for the Regional Administrator and General Counsel. The Chair will advise the Management Committee and obtain its consent before implementing any salaries or adjustments.

All performance increases are subject to Minnesota public employer salary limits.

10.11 ADDITIONAL COMPENSATION

Salary adjustments in addition to performance increases may be awarded in a form and manner as determined by the Regional Administrator.

10.12 TRANSIT PASS

Rides are prohibited to Council staff or other customers on buses and trains engaged in training or testing activities. Council employees are required to give up their seats to fare-paying customers. Council employees are expected to follow the same rules as other transit customers, such as not playing music without headphones. Council employees are expected to refrain from distracting operators or other working staff with questions or comments unless they are related to safety.

Employees who retire after January 1, 2012, will be granted a retiree Transit pass provided they request the retiree Transit pass and meet the definition of retiree in Section 2: Definitions. The Council reserves the right to revoke the retiree Transit Pass privilege for abuse.

10.13 RETIREMENT CELEBRATION

If an employee retires with at least 20 years of service and gives the Employer at least 30 days notice before the date of retirement, the Employer will provide food and refreshments for an on-site retirement reception for presentation and recognition of service not to exceed \$100.

10.14 Health Care Savings Plan (HCSP)

The employer has established a Health Care Savings Plan administered by the Minnesota State Retirement System (MSRS) with tax-free employee contributions to be used to offset employee and/or eligible dependent medical expenses upon separation of employment from the Council. Individual accounts will be set up with MSRS for all eligible employees.

Effective April 1, 2018 employees will contribute tax-free dollars, through payroll deductions, based on years of service with the employer on the following basis:

Years of Service	Contribution Amount
Less than three (3) years of service	.25% per pay period
After three (3) through nine (9) years of service	.50% per pay period
At ten (10) years of service	1.0% per pay period

The percentage contribution will increase on the first paycheck in January following the year in which an employee completes three years of service and nine years of service.

Deductions shall be made each pay period and remitted promptly to MSRS in a manner satisfactory to MSRS.

In addition to tax-free payroll contributions to the HCSP, employees also receive a contribution of annual leave upon separation of employment. See Section 5.4 of the Non-Rep Plan.

SECTION 11: LAYOFF

An employee in a classified position may be laid off when it is necessary to reduce the Council's work force for reasons outside the employee's control that do not reflect discredit on the service of the employee. Reasons for a reduction in the work force may include, but are not limited to, elimination or reduction of a program or work assignments, abolition of positions, shortage of work or funds, or changes in the mission or priorities of the Council.

In the event that a reduction is necessary, the Regional Administrator shall determine those employees to be laid off. The basis for the determination may be by position, by unit, by division or by department. In all cases, the decision shall consider job relevant factors.

11.1 NOTICE OF LAYOFF

An employee shall receive written notice of layoff at least 30 calendar days prior to the effective date of the layoff. The notice shall include the reason for the layoff.

11.2 ELIGIBILITY FOR REHIRE

An employee terminated as the result of layoff shall be eligible to apply for all openings provided the employee submits an application in accordance with Council hiring procedures. Should the employee be rehired for a position different than the position from which he/she was laid off the employee will be considered a new hire for purposes of pay and benefits. Employees rehired within 6 months following a lay off will receive service credit for the purpose of determining annual leave accrual rates.

SECTION 12: INSURANCE

Employees are eligible to participate in the Council's insurance programs as prescribed by plan requirements. All employees shall be eligible for benefits upon the first day of appointment to the Non-Represented Plan.

12.1 MEDICAL INSURANCE

Part-time employees appointed for 20, but less than 30, hours per week shall receive 75% of the full-time employee contribution; employees appointed for less than 20 hours per week are not eligible for benefits.

Premiums are deducted on a pre-tax basis unless otherwise elected by the employee during the initial or open enrollment period.

12.3 LIFE INSURANCE

Employee basic term life and accidental death and dismemberment (AD&D) coverage shall be two times annual base salary up to \$350,000 for employees whose appointed hours equal 20 or more hours per week. Specific coverage and eligibility requirements are included in plan brochures. The Council shall pay the full premium for employee basic term life insurance. Any premium paid by the Council for coverage in excess of \$50,000 is subject to employee tax liability in accordance with IRS regulations. An employee may decline coverage in excess of \$50,000 by completing a waiver form.

Employees of the Council may also choose optional and dependent coverage at their own expense. The types of coverage include supplemental term life, accidental death and dismemberment (for employee coverage only), and universal life.

The monthly benefit is equal to 66 2/3 percent of the employee's earnings up to a maximum benefit of \$7,500 per month. LTD benefits must be approved by the carrier. When approved, benefits become payable after a 90-calendar day period of disability.

12.5 FLEXIBLE BENEFITS

SECTION 1: INTRODUCTION

1.1 AUTHORITY

The Regional Administrator is responsible for administering and interpreting the provisions of the Non-Represented Plan, as well as issuing administrative memoranda establishing implementation procedures.

1.2 PURPOSE

It is the purpose of this plan to establish and set forth the compensation and benefits for all employees in classified and unclassified positions who are not represented by an exclusive representative.

1.3 SCOPE

Provisions of this plan apply to employees in classified and unclassified non-represented positions listed in the plan. This plan does not apply to employees in positions covered by collective bargaining agreements. Provisions of this plan do not apply to interns or temporary employees, unless otherwise specified. Unless otherwise specified, the provisions of the plan that are applicable to supervisory positions also apply to unclassified positions.

1.4 ADOPTION AND AMENDMENT

This plan and any amendments are effective only upon approval by the Council. Consideration of an amendment to the plan may be initiated by the Regional Administrator or the Council. The Council may approve, reject or modify any amendments presented for consideration and make changes as it deems appropriate.

1.5 ADMINISTRATION

The Regional Administrator may establish administrative procedures for the implementation of provisions of this plan provided that such procedures are consistent with the plan and Council Policy.

1.6 EFFECTIVE DATE

All provisions of this plan shall be effective upon approval by the Council unless otherwise noted.

SECTION 2: DEFINITIONS

Classified Employee: All positions that are not considered unclassified

Confidential Employee: "Confidential employee" refers to an employee who as part of the employee's job duties has access to labor relations information as that term is defined in Minnesota Statutes 13.37 or actively participates in the meeting and negotiation on behalf of the public employer. Minnesota Statutes 13.37, subdivision 1, paragraph (c) provides that "labor relations information" means management positions on economic and noneconomic items that have not been presented during the collective bargaining process or interest arbitration, including information specifically collected or created to prepare the management position;

Employee: "Public employee" or "employee" refers to any person appointed or employed by a public employer.

Exempt Employee: Employees in positions that are not covered by provisions of the federal Fair Labor Standards Act (FLSA).

Grant Temporary Employee: position for a special project that is contingent on state, federal or private funding and/or the continuation of such funding.

Temporary Staff:

- Less than 67 Working days: Not placed into the non-rep plan and non-benefit eligible may be extended to ninety working days after placement in the non-rep plan
- Sixty_ seven but less than ninety working days: Placed into non-rep plan and not benefit eligible
- Greater than 90 working days up to six months: Placed into non-rep plan and plan provisions apply.
- Six months to two year: Placed into the non-rep plan and plan provisions apply, eligible for benefits and MSRS

Minnesota Public Employer Salary Limits: Salary limit established by Minnesota Statutes 43A.17, subdivision 9.

Non Exempt Employee: Employees in positions that are covered by the federal Fair Labor Standards Act (FLSA).

Supervisory Employee: A person who has the authority to undertake a majority of the following supervisory functions in the interests of the employer: hiring, transfer, suspension, promotion, discharge, assignment, reward, or discipline of other employees, direction of the work of other employees, or adjustment of other employees' grievances on behalf of the employer.

Unclassified Employee: Positions in the unclassified service are not required to be filled by competitive examination, and may be subject to an open application and screening process. The Council may discharge unclassified employees with or without cause. Unclassified employees have no right to a grievance appeal from discharge or other disciplinary action.

Executive Employee: Executive employee refers to an unclassified or classified employee represented by the Non Rep Plan, holding the pay grades of Exec 1 and Exec 2.

Regular Employee: All employees except interns, short-term temporary employees and employees with a Post Retirement Option (PRO) assignment

SECTION 3: HOURS OF WORK

3.1 HOURS OF WORK

The standard workday consists of eight hours of work within a 24-hour period, exclusive of the unpaid 30-minute lunch period. The standard workweek consists of 40 hours of work within a seven day period. The standard hours of business are Monday – Friday, 8:00 a.m. – 4:30 p.m. The standard pay period consists of 80 hours over two work weeks.

3.2 WORK SCHEDULES

Work units may develop flexible work schedules that vary from the standard hours of business provided that:

- All flexible work schedules must be approved in writing by the employee's supervisor.
- All flexible work schedules must include a lunch period.
- No employee in a nonexempt position may work an alternative work schedule that exceeds 40 hours per week, unless pre-approved by the employee's supervisor in writing.

3.3 ON CALL DUTY

When the employer requires that an employee must be available and "on call" for work and be able to report in a reasonable time, the employee, regardless of their FLSA status, excluding supervisors and managers, shall be compensated at the rate of two hours straight time for each twenty-four (24) hour period or fraction thereof, except for a "weekend" on call (as defined by that employee's regular workweek), which will be compensated as three (3) twenty-four hour periods. On call duty is paid time rather than compensatory time. When an employee is called in to duty, the on-call pay should be reported as overtime if the employee's actual work time exceeds 2 hours on weekdays and 3 hours on weekends.

3.4 OVERTIME/COMPENSATORY TIME

Eligibility of positions for overtime shall be determined in accordance with the federal Fair Labor Standards Act (FLSA) and paid as follows:

3.4.1 Nonexempt Positions:

Employees in non-exempt positions shall be paid at the rate of 1.5 times their regular rate of pay for hours worked in excess of 40 hours within the workweek. All overtime must be pre-approved by the employee's supervisor in writing. With supervisor approval, employees may choose to earn compensatory time off at the same rate in lieu of payment of overtime. Employees may accumulate compensatory time to a maximum of 80 hours. All compensatory time must be used by December 31st. Unused compensatory time will be paid out, at the employee's hourly rate, at year end.

3.4.2 Exempt Positions

Compensation for exempt positions is based up the expectation of a minimum of 80 hours in the pay period. However, due to the nature of the positions, additional time without compensation may be regularly required to satisfactorily carry out the responsibilities of the position, including evenings, weekends and holidays. Such work requirements are considered an integral part of the job. However, where their assigned duties and responsibilities permit, exempt staff may exercise reasonable and prudent discretion in scheduling or varying the times at which their work is performed, with prior written supervisory approval.

In extreme situations, the General Manager, Division Director, or General Counsel may approve, in writing, compensation for hours worked which exceed 80 hours in a pay period. Overtime shall be allowed on a straight-time basis only. Overtime pay is included in the salary cap, defined by the Minnesota Statutes 43.A.17, subd. 9. Any overtime salary that extends beyond the salary cap must be taken as comp time. With supervisory approval, an employee may choose to earn compensatory time off in lieu of payment of overtime. Employees may accumulate compensatory time to a maximum of 80 hours. All compensatory time must be used by December 31st. Unused compensatory time will be paid out, at the employee's hourly rate, at year end.

3.4.3 Exempt Executive Level Positions

Positions in the executive compensation plan are not eligible for overtime compensation, on call pay, or compensatory time. In rare circumstances, an employee in the executive compensation plan may be approved for an alternate work schedule reflective of actual hours worked. This would require express prior written permission from the employee's direct supervisor.

5.1.5. New Employees:

Employees hired during the year shall not accrue annual leave during their first calendar year of employment. Instead, such employees shall receive an annual leave bank as of their first day of employment prorated to the number of pay periods (effective on the first day of the pay period closest to hire date) remaining in the calendar year, based on Table A & B, as applicable.

On January 1st of the year following their date of employment, employees shall accrue annual leave according to Tables A or B above.

5.1.6. Annual Leave Accrual Limits:

Employees may accrue annual leave up to a maximum of 1,040 hours. Any hours in excess of 1,040 shall be forfeited by the employee. It is the employee's responsibility to monitor their accumulated annual leave balance.

The maximum amount of unused annual leave that an employee may carry forward as of December 31 of each year is 1,040 hours. On December 31 of each year, any hours in excess of 1,040 hours will be forfeited by the employee.

5.2 ANNUAL LEAVE USAGE

All requests for annual leave must be pre-approved by the employee's supervisor. Use of annual leave shall not be denied if the request is for purposes of observing a religious holiday.

Employees may not use more annual leave than their accumulated balance.

5.3 ANNUAL LEAVE CONVERSION TO DEFERRED COMPENSATION

Employees may convert twice during the payroll year a portion of their accumulated annual leave as a contribution to the Council's deferred compensation plan according to provisions of Council procedure 4-4m Deferred Compensation. Conversions that would result in the employee's gross compensation to exceed the Minnesota public employer salary limits shall not be permitted. The amount converted plus other annual deferred compensation contributions may not exceed the deferred compensation plan contribution limits. Employees on probation as a new hire are not eligible to convert annual leave to deferred compensation.

5.4 ANNUAL LEAVE UPON SEPARATION

An employee separated from Council employment shall be paid for any unused accumulated annual leave at the employee's rate of pay upon separation. An employee on probation as a new hire shall not be eligible to receive payment for unused accumulated annual leave.

5.4.1 Health Care Savings Plan

The Regional Administrator shall have the authority to put in place a plan which requires that upon separation from employment with the Council some portion of a full time employee's unused, annual leave will be placed into an individual health care savings account administered through the Minnesota State Retirement System.

Effective March 2008, employees will contribute 50% of their annual leave to the Health Care Savings Plan upon termination, provided that the employee:

Non-Represented Plan – Effective January 1, 2017

December 30, 2017

Page 9

- Has a minimum balance of 200 hours
- Is a full time employee immediately prior to termination

5.5 ANNUAL LEAVE UPON TRANSFER TO NON-REPRESENTED POSITION

Employees transferring from a represented position to a non-represented position shall be granted annual leave as follows, subject to the 1,040 hour maximum:

- The employee's current balance of annual leave or vacation shall be converted to annual leave on a one-to-one basis.
- Sick leave shall be converted to annual leave on a three-to-one basis (three hours of sick leave converts to one hour
 of annual leave) and effective 1/1/2015, the remaining two thirds converted to a frozen supplemental sick back.
 An employee may request that the hours in the Frozen Supplemental Sick Leave bank be used to cover the first
 five (5) days of salary continuance and may be used following salary continuance if not eligible for Long Term
 Disability.
- At the time of transfer, any accrued annual leave in excess of the maximum allowed under this plan may be converted to deferred compensation as defined in Section 5.3. Deferred compensation conversions resulting from a transfer to the Non-Represented Plan do not count toward the two-times per year conversion restriction.

SECTION 6: INCOME PROTECTION

6.1 PURPOSE

The income protection plan is designed to provide salary replacement for employees who are unable to work due to non-work related illness or injury. Provisions of the plan cover all regular employees (see definition Section 2). The income protection plan shall be administered on a rolling calendar year basis.

The plan provides two levels of income protection:

- Salary continuance between the 6th and 65th workday of non-work related illness or injury. (Annual leave, frozen
 annual leave or supplemental sick leave shall be used for the first five workdays of an extended absence due to the
 employee's non-work related illness or injury.)
- Long-term disability insurance following the 65th workday of non-work related illness or injury. Benefits are administered in accordance with provisions of the Council's contract with the long term disability insurance provider.

6.2 SALARY CONTINUANCE

6.2.1 Salary Continuance Schedule

Following the first five consecutive workdays of an absence, salary continuance shall be in accordance with the following schedule:

Years of Continuous Council Employment (including service credit granted pursuant to Section 5.1 Annual Leave Accrual)	Workdays (Hours) at Full Salary	Workdays (Hours) at 60% Salary
0 through 5 years	25 (200 hrs)	35 (280 hrs)
6 through 10 years	50 (400 hrs)	10 (80 hrs)
11+ years	60 (480 hrs)	0

Employees in the Executive Compensation Plan shall receive 60 workdays at full salary regardless of service date.

6.2.2 Eligibility for Salary Continuance

Salary Continuation shall not be provided for any period of absence beginning prior to an employee's successful completion of new hire probation. Salary continuance benefits continue only for the period prescribed by the medical provider and will not exceed the number of days in the salary continuance schedule.

6.2.3 Request for Salary Continuance

A request for salary continuance must be in writing and be accompanied by a written medical statement verifying the non-work related illness or injury and indicating the expected duration of the absence. When an employee expects an absence due to illness or injury to extend beyond five consecutive workdays, the employee may immediately request salary continuance under the income protection plan.

In situations where an employee is unable to submit a written request for salary continuance due to non-work related serious illness or injury, the Human Resources Department shall obtain a medical statement and shall request salary continuance on behalf of the employee. However, salary continuance benefits may be denied in the absence of appropriate medical documentation from a healthcare provider.

6.2.4 Salary Continuance Benefits

- Salary continuance benefits shall be paid at the rate of pay the employee earned on the last workday before an absence for non-work related illness or injury. No change in pay rate shall be made while an employee is on salary continuance.
- An employee may use accumulated annual leave to supplement the salary continuance hours, but in no event may the total hours of salary continuance plus annual leave hours charged exceed the hours

Non-Represented Plan – Effective January 1, 2017 Page 11

of the employee's appointment. For example, if the employee's appointment is 30 hours per week, the combination of salary continuance benefits paid according to the schedule and use of accumulated annual leave may not equal more than the equivalent of 30 hours worked per week.

- During salary continuance, annual leave accrual and paid holiday leave shall be based on the number of paid hours, including salary continuance.
- In the event that an employee receives Workers' Compensation benefits while on salary continuance, the employee shall reimburse the Council for salary continuance benefits received for the period of disability compensable under Workers' Compensation.
- All other insurance benefits (medical, dental, life, long-term disability) provided by the Council shall
 remain in force during periods of salary continuance. The Council will continue to make its employer
 benefit contributions during this time.

6.2.5 Return to Work

An employee released to return to work on a pre-scheduled part-time basis following a non-work related illness or injury may be authorized to return based on the needs of the department. In this case, the employee shall be paid regular salary for any time worked plus the balance of hours paid at the percentage of the salary continuance schedule 6.2.1 The period of non-work related illness or injury together with such part-time salary continuance benefits shall not exceed 60 workdays or 480 hours (excluding the initial 5-day waiting period) in a rolling year. Salary continuance benefits shall be discontinued upon an employee's return to full-time work or if the employee becomes eligible for long-term disability insurance benefits.

6.2.6 Use of Forfeited Sick Leave and Frozen Supplemental Sick Leave Bank

Some employees working under the Non-Represented plan in place on 01/29/2001 were required to forfeit sick leave hours when the plan converted sick and vacation hours into annual leave. Those employees may use those forfeited or frozen supplemental sick hours for the initial 5 day waiting period and for the sole purpose of covering workdays of absence after salary continuance reaches the maximum allowed per the salary continuance schedule.

Section 6.2.7 Recurrence of the Same Illness or Injury:

An employee who suffers a recurrence of a non-work related illness or injury within 180 calendar days of his/her initial return to work from full time leave will become eligible for the remaining portion of benefit according to the salary continuance schedule, without serving a five working day waiting period provided that the recurrence is due to the same cause or a related cause.

Salary continuance benefits continue only for the period prescribed by the medical provider and will not exceed the number of days/hours in the salary continuance schedule in a rolling calendar year for the same illness or injury.

6.3 SUPPLEMENTAL SICK LEAVE BANK

Employees who have frozen supplemental sick leave banks from employment under other Council pay plans before becoming non-represented employees may use hours from such banks for the sole purpose of covering any or all of the first five consecutive workdays of absence required under Section 6.2 (Salary Continuance) and is not paid upon termination of employment. Employee may use frozen supplemental sick leave time after salary continuance ends if not eligible for Long Term Disability.

6.4 LONG-TERM DISABILITY

Employees who wish to be considered for an LTD benefit must complete a claim form with the LTD carrier. Eligibility for benefits shall commence following the 65th consecutive workday of a non-work related illness or injury. Other insurance benefits (medical, dental, life) provided by the Council remain in force through the end of the month in which the long-term disability becomes effective. Employees may continue coverage in accordance with the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA), Minnesota Continuation law and plan provisions.

SECTION 7: LEAVES OF ABSENCE

7.1 LEAVES OF ABSENCE

7.1.1 Eligibility for Leave of Absence

The Metropolitan Council observes all mandated Minnesota and Federal leave of absence statutes. Employees are eligible for paid and unpaid leaves of absence, as provided for in Council procedure 4-4c Leaves of Absence.

7.1.2 Bereavement Leave

Employees shall be granted up to three days of paid bereavement leave to attend the funeral of a relative. A "relative" includes the following relatives of the employee and relatives of the employee's spouse; spouse, parent, stepparent, son, daughter, stepchild, brother, sister, son- or daughter-in-law, brother- or sister-in-law, grandparent, grandchild, aunt, uncle, niece, nephew, first cousin, or other persons in the employee's household.

7.1.3. Medical Leave

An employee may be granted a leave of up to six months-upon submission of medical evidence of the inability to work. The leave, if approved, shall commence following any certified period of disability for which Salary Continuance under the income protection plan is granted. If leave is designated as FMLA, the Council shall adhere to the provisions of FMLA. See Family Medical Leave Procedure 4-4d and the Disability Management Procedure 4-10a.

7.1.4 Other Types of Leaves of Absence

In addition to the leaves listed above, non-represented employees are eligible for leaves of absence provided for in Council procedure 4-4c Leaves of Absence including:

- Court Leave
- Jury Duty
